## The Value of A Vacation

A number of studies have shown that taking time away from the job can have physical and psychological health benefits. People who take vacations have lower stress, less risk of heart disease, a better outlook on life, and more motivation to achieve goals. A vacation is also a time for one to reap the benefits of a spiritual retreat. A retreat is often referred to as a definite time spent away from one's normal life for the purpose of reconnecting, usually in prayer, with God.

I'll be taking a few days of vacation during November, beginning after the Sunday Mass and Anointing of the Sick service on November 15 and returning in time for the Vigil Mass on Saturday, November 21. During the week of November 16 through 20, there will be no Masses said at either St. William or St. John.

Blessings!

Father Benton Clift Sr.
