What's up with the birds?

St William's Youth Group is hoping to attend NCYC again this year. This is an every other year event. We attended in 2019 with 5 youth group members. This year we have doubled that number of kids that want to attend! This is an amazing Catholic retreat offered in Indianapolis geared toward high school age kids. What better time to solidify their faith than when they are about to make some of their biggest decisions of their lives? We can't do this without your help though. The cost is \$265/person then the added expense of hotels and food. The fundraiser we are embarking on to help is "Flocking". We have a flock of pink yard flamingos (and instructions) that could be visiting you. Please treat them kindly and send them on their way if they do happen to show up in your yard. This does not have to be exclusive to St. William's parishioners either. If you know a friendly non-parishioner, the flamingos would be more than happy to visit them as well. If you would like to purchase Flock insurance to guarantee that they do NOT land in your yard, speak to Donna Schulcz or any one of the youth group members. Thank you so much for your generosity!

Our Mission:
Together, we are empowering Catholic men to live their faith at home, in their parish, at their work and in their community.

Our faith:
Our goal is to help men, their families and their parishes grow closer to Christ.

Get Started -
There is nothing more effective at evangelizing the culture than regular, everyday people choosing to live their faith in their homes, councils, community and parish.

Walking with Moms in Need is a time of service in which Catholic parishes and communities "walk in the shoes" of local pregnant and parenting women in need.

Everyone should know how to help moms in difficult circumstances.

While not trying to turn Catholic parishes into pregnancy centers, we can support local pregnancy centers where they exist, and we can also find and share other resources with pregnant and parenting women.

And where there are few local resources, we can create our own, based on the gifts of the parish community!

We hope you and your parish will join us in *Walking with Moms in Need*.

For more information, please visit our website at <https://www.walkingwithmoms.com> or visit the website for **Care Net Pregnancy Services of Northern Kentucky** at <https://www.carenetnky.org> to learn more about the services they offer to women and men in our local area.

Food Pantry

The next Food Pantry event is scheduled for Monday August 9, 2021 at St. William Church. Thanks to all the volunteers who really make these events successful. We can always use a few more hands, if you have availability please consider helping out.

Bible School

There have been inquiries as to whether or not we will have a Vacation Bible School this summer? The answer depends on the level of interest of families and the staffing. Should you be interested please contact the office or Kate McDonough to express your wishes. It would be wonderful to present the love of the Lord in this regard to the young people in our community.

Mass Intentions

We need mass intentions, especially for weekdays. Please contact the office to schedule one. If you are requesting a specific date, please submit at least three (3) weeks in advance. Dates are assigned on a "first come, first served" basis. Please indicate the church and if the person is living or deceased.

National Catholic Youth Conference

Our youth group is forming plans to attend the NCYC in Indianapolis this November. They will be conducting fund raisers and events over the next few months. Please be generous in aiding them to reach their goals. More information will be made available. Please contact Donna Schultz or Father Benton with questions.

Parish Picnic / Festival

September 19 is the scheduled date for the Parish Festival at Saint William. We are need volunteers to help with the planning. Please contact Fr Benton or a parish council representative.
