Thoughts from Christin Miller

NOTES FROM THE BUSINESS MANAGER

“They all ate and were satisfied. And when the leftover fragments were picked up, they filled twelve wicker baskets.” Luke 9:17

The story of the Loaves and Fishes shows us that when you share what you have, even if it doesn't seem like that much, miracles can happen!

In about one month, we will have our 1st ever Parish Festival as St. Faustina Parish! Not only is this a time to come together to eat, drink and be merry— but, it's also a time of giving back to your parish in the little ways.

So often, we as a world, stress the importance of finances and base everything we do on how we stack up financially. But do you know, those that generously give of their time are just as irreplaceable as those monetary gifts?

As we continue to push forward through these somewhat post-pandemic times, we as a parish, are beginning to offer more and more things for our parishioners to take part in. From bible study groups, ladies luncheons, softball team, adoration, sewing ministry, Scripture-cise, money counters, to the Parish festival, there are endless ways to give of your time.

I know it seems like the bulletin is full of needs for our festival—and it is!! This is our largest fundraiser of the year! It requires a vast amount of time of our committee members and staff, AND it asks a lot from our families as well. The festival cannot be a success without you!

If you signed up to work a booth—THANK YOU!! If you have donated a basket or any other item—THANK YOU! If you have more time than you thought you would, and are able to work a booth an additional day or are able to help with FESTIAVL STEUP (our next big ask), we humbly ask for any time you are willing to give!

Do not ever think that your gift is too small or insignificant! Each of us has a role in God's plan; you just need to place your trust in the Lord. Nothing is impossible with God. You just may be the answer to someone else's prayer.

God Bless,
Christin Miller
