## WHEN IS THE RIGHT TIME?

Sunday, January 16th, finds us starting a new season of the church year called “Ordinary Time.” When I think about the word “ordinary,” what normally comes to mind is “the same old stuff.” However, this season is anything but!

Ordinary time marks the season when our scriptures take us through the life of Christ, including the miracles, the parables, the call of the first disciples and the sermon on the mount. It reminds us just as the first disciples came to know Jesus and believe in him, this season is an opportunity for us to deepen our faith. We use the liturgical color green, a symbol for growth and new life, to represent the time of growth and expansion of the church following the life, death, and resurrection of Jesus.

This Sunday also brings us Luke’s account of the wedding feast of Cana. I’m struck especially by the very practical, very human problem facing these newlyweds; running out of something (wine) at the reception. And I’m also struck by Jesus’ response to his mother’s request to solve the problem, “my hour (my time) has not yet come.” In some ways, I have been living my whole life waiting for the right time to do something. Dating for three years, waiting to get married. Waiting for children. Waiting for an empty nest. Waiting for ordination. Waiting for retirement. But then, how would I ever know when the right time comes along?

The new season of ordinary time in the church year reminds me the time is now. Despite the wintry weather outside, now is the time to look inward at my daily prayer practices and find areas for new life and growth to begin. Now is the time for me to look outwardly, honestly see how I am treating my family, co-workers, and others in my life, and to step outside my comfort zone and do something to show I care. The time is now!

Deacon Dave

St. Mark and Mt Calvary parishes need volunteers that would be interested in delivering the Eucharist to home bound parishioners.

Please contact Deacon Dave Jacquel at St. Mark Parish office, (814) 899-3000, ext. 13.

Training will be provided and is free.

**A Family Perspective**

At Cana we get a good insight into Mary's parenting style. She did not plead, argue, demand or manipulate. She merely pointed out the situation and trusted her son would make the best decision.

**Marriage Moment**

Martin Luther King talked a lot about racial equality. What about equality in marriage? Are both of you equally good at cooking, mechanical things, sewing, small talk? Probably not. Even though your spouse may have a natural talent for a particular task, try trading chores for a day, just for fun.

**Lenten small groups exploring racial justice now open**

The Diocese of Erie is offering two separate small group experiences this Lent exploring racial justice, sponsored by the Offices of Social Justice and Life and Faith Formation Parish Support. Those who are looking for Christian community, a place to ask big questions, and a way to explore the Gospel call to work for racial justice are invited to learn more and consider applying by visiting <https://www.eriecd.org/socialjusticelife/racialjustice.html>. Applications are due January 18<sup>th</sup>. Questions can be directed to the Social Justice and Life Office at [SJL@ErieRCD.org](mailto:SJL@ErieRCD.org).
