## FROM OUR DIRECTOR of CAMPUS MINISTRY

Dear Friends in Christ,

Today's Gospel reveals the commandment from Jesus that should direct our entire lives, "As I have loved you, so you also should love one another". The weight of this commandment should be felt when we realize that Jesus asks us to love as He did. Jesus didn't love with a timid spirit, He was willing to give His entire life to those who needed Him, endure suffering for our sake, and make a gift of His entire life so that we could be brought to heaven forever with Him.

"How can I possibly love like that?" we may ask ourselves, and the answer is it's impossible on our own. Yet Jesus never wanted us to rely on ourselves, He invites us to rely on Him completely to love with an abundant supernatural love for our brothers and sisters in Christ through His supernatural power! Now imagine, you can love with a supernatural love because He first loved us!

Why should we love the other? Perhaps we need to remember once again the goal of our entire lives, which is to receive eternal life in heaven and forever be immersed in Jesus' love for us! Jesus, glorified on His throne in heaven, says in the reading from revelation today, "Behold, I make all things new". Heaven will be the ultimate fulfillment of our desire for eternal love that we constantly ache for on this earth. Jesus made it possible to receive this eternal life by His merciful love shown by His death and resurrection, and He doesn't want this love to be only given to some select few. He is infinitely generous with His love and impels us to be abundantly generous with His love as well that leads us and others to our goal of Heaven!

The brokenness and pain that will assuredly occur between us and our fellow man will be as nothing in the glorious love of heaven, so even when you are wounded by others, show the love of Jesus anyway! Jesus did this first on the cross, and He is with you now to bear your cross alongside you as you love with the love given first from His heart!

Perhaps, it will be your love for the sinner in your life that will lead them to steal heaven with Jesus.

In Jesus through Mary,  
Justin Leiner

### IT'S A WONDERFUL LIFE

Vermont has legalized assisted suicide by Zoom or Skype. The new law also eliminates the previous requirement that the doctor have examined the patient. In other words, the poison-prescribing doctor would seem to never have to actually meet the patient in person. From the recently passed and signed S74:

(a) A physician shall not be subject to any civil or criminal liability or professional disciplinary action if the physician prescribes to a patient with a terminal condition medication to be self-administered for the purpose of hastening the patient's death and the physician affirms by documenting in the patient's medical record that all of the following occurred:

(1) The patient made an oral request to the physician the physician's physical presence or by telemedicine, if the physician determines the use of telemedicine to be clinically appropriate, for medication to be self-administered for the purpose of hastening the patient's death.

(2) Not fewer than 15 days after the first oral request, the patient made a second oral request to the physician in the physician's physical presence or by telemedicine . . .

As soon as people become comfortable with doctors participating in their patients' suicides, the "protections" touted so loudly are suddenly redefined as "obstacles" and "access" to facilitated death "is improved" by making it easier to be made dead.
