## FROM OUR PASTOR

Dear Friends,

The months without college in session provide us with an opportunity to take care of our physical campus here at St. Tom's. I want to share some of the projects that we are working on this summer. First up is a little TLC for our lighting and sound in the church. We will be rewiring our lighting controls and installing a new control system for the lights. It is our hope that this will eliminate the occasional strobe-like effect that occurs randomly, as well as the "funhouse" effect that some of you have experienced praying in the the church at night. It will also provide better access to the light controls, which are currently located behind the curtain behind the priest's chair in the confessional. An upgrade to our sound system will eliminate some soundless spots in the church, including where the musicians play from. Ed and our singers do such a great job and, because of the location and type of speakers we currently have, they actually cannot hear themselves singing from that corner of the church. A switch from analog to digital control for the sound will also make our sound system more useful.

After initiating the processes of updating light and sound, we discovered that two of the four furnaces in the church will need to be replaced. The one located near the center doors is completely broken and, after trying several times - unsuccessfully - to have it repaired during the winter, we have decided to replace the entire unit. We will also replace the unit near the sacristy, which will not make it through another winter. This was a project we had not planned for, but which is necessary before the return of the cold weather this fall.

We will also be a work site for the Toledo YES Project this summer. YES stands for Youth Elect Service and is a multi-day service project for high school students. They'll be doing some painting for us in the main hallways of the Newman Center, as well as in the Merton Room. The Merton Room will be restyled as the "JMJ Cafe," with a new coat of paint and some cosmetic updates, which will make it a more pleasant spot to spend time for small groups and individuals.

Lastly, I have some hopes for the future of our Sacristy and the Fatima Room. I'll share those with you in next week's bulletin.

In Jesus through Mary,

Fr. Jeff

P.S. Thanks to Annette D. for her work on our flowers outside and to Ben T. for his help in caring for our lawn while Ray has been away. Their hard work has made the outdoor space of our campus a beautiful place to be!

### IT'S A WONDERFUL LIFE

Many years ago, Father Frank Pavone came across a story of a graduating class that dedicated its yearbook to all the students who would have been graduating that year had they not been killed by abortion. How fitting a tribute that is. Other graduating classes have paid tribute to their abortion victims by a moment of prayer at the baccalaureate Mass or at the graduation ceremony. Life is mixed up with happiness and sadness, joy and tragedy. Significant moments in our lives should not be insulated from all awareness of injustice. We need to rejoice with those who rejoice, but we should weep with those who weep (Romans 12:15).

Nearly a million students will not be graduating this year. They were killed by abortion. Let's acknowledge those who will be missing from these ceremonies, those who could not celebrate with us, and let's work to let others live. We can be joyful on this day and celebrate our milestones while also remembering the missing children this year and every year until abortion is abolished in this country.

## OUTSTANDING CITIZEN

Our very own Dr. Tom Wojjo is Bowling Green's Outstanding Male Citizen for 2022! The Outstanding Citizens of the Year Awards recognize candidates who have demonstrated an active leadership role for the betterment of the community through involvement in business, civic, social and/or service organizations. Dr. Wojciechowski's award, along with a half-dozen more, was presented on May 7 during the Bowling Green Chamber of Commerce Annual Dinner Meeting and Awards at BGSU's Lenhart Grand Ballroom.

In addition to his practice, Dr. Wojciechowski has been the physician for the BGSU hockey team and is involved in his church, St. Thomas More. He has been named the state Nursing Home

Doctor of the Year. He was recognized for caring and supporting members of the community for over 50 years, and sharing his medical expertise with countless organizations over his career.

But Dr Wojjo says the community has given more to him than he has given back. His medical practice has been full circle: he started out delivering babies and now works with the elderly for several assisted living centers in the county. "I got the opportunity to do what I really love to do," Wojciechowski said. "The family practice is absolutely ideal."

If variety is the spice of life, Dr. Wojciechowski said he got it in spades from Bowling Green. "One day I had a migrant worker in one of my exam rooms, the next one was Paul Olscamp, president of the university (Bowling Green State University)," he said. "I think that typifies Bowling Green. Family practice is supposed to be a little bit of everything."

Congratulations, Dr Wojjo! We're grateful that St Thomas More is your church home.
