Thanks again for a Successful Festival

Preliminary estimates derived from subtracting anticipated invoices from gross revenues result in the assumption that this year's festival should "net" around two hundred thousand (\$200,000.00) dollars. I want to offer my sincere gratitude and appreciation to Matt Loeffler and Zak Zoz, the co-chairs of our festival; the entire festival committee and every single volunteer who helped make the 2021 festival an extraordinary success. It is important to tout the undisputable fact that the real secrets to past and present successful festivals are the festival chairs, festival committee, volunteers, and the extraordinary organizational structure. When I complement any member of the committee, the response is always to defer praise to the group. The legacy of this committee is its ability to identify and draw in new members, not to replace them, but to learn from them, so there is always a corporate recollection of the past, and a constant replenishing and cycling of new people coming up.

I have experienced fifteen festivals as pastor of Sacred Heart, and there is no doubt in my mind that corporate America could learn from this organizational structure. There has never been a more highly motivated and competent festival operation. I am in awe of what you have all accomplished. From the bottom of my heart, "Thank You" to everyone who helped. You are magnificent.

First Days of School

St. Ann returned to school last Wednesday. The first day of school at Sacred Heart is August 30th. Please be especially cautious driving as the young people who are our future make their way back to school. There is great excitement with the first days of a new school year. Please drive carefully so that the excitement can be safely enjoyed.

Fr. Tharp's Pager is no longer in use!

The pager company I have used for years is now ceasing operation. **Therefore, please do not leave voice or numeric messages using my old pager number. It won't get to me.** Leave all emergency messages on my emergency voicemail, (option #2 in the afterhours menu) and the system will alert me with a message on my cell phone. You can leave an emergency message for me by calling (513) 858-4210 and select option number two; "Fr. Tharp for an emergency." The system will alert me to the fact that you have left an emergency message and I will call you back within five minutes unless I am having Mass. **Delete or throw away the old pager number. It won't work anymore.**

Beacons of Light

The Beacons of Light program continues to move forward. It is my understanding that the "reveal date" for the "families of parishes" combinations will be around October 1, 2021. Please reference the Beacons of Light web page for the most up-to-date information at: <https://catholicaoc.org/beacons-of-light>. The process of determining which parishes are likely to join together as "Families" is currently being studied. This consultative process is moving forward so that a draft of the probable pairings can be announced for discussion with the general population of the Archdiocese by the end of September or early October.

The following is a message from the Archdiocese:

BEACONS UPDATE: BE HEARD, STAY INFORMED, SIGN UP - To stay on top of the latest developments on Beacons of Light, the archdiocese-wide pastoral planning process currently underway, sign up for the free monthly *Beacons Update* newsletter at www.BeaconsAOC.org.

Attention parish or school volunteers who work with or around children

Are you aware that the Archdiocese of Cincinnati has moved all parishes and schools from using the "Virtus" Child Protection program to the "[Safe Parish](#)" program? If you are a volunteer classroom parent in the school, a coach, drama club volunteer, scout volunteer, etc please contact your local parish Safe Environment Coordinator as to what is necessary for you to be eligible to work with or around children here or in any Archdiocesan location. As we return to school and fall programs ramp up, please be aware that failure to register with and complete the requirements of Safe Parish will result in your inability to continue to work with or around children in any parish and/or school setting. We have been informed by the Archdiocese that there can be NO EXCEPTIONS.

Live Streaming a precept Mass from St. Ann and Sacred Heart each week

Even though the dispensation for the precept of Sunday Mass attendance has now been revoked, live streaming will continue for the sick, shut-ins, and others unable to come to Mass. Please remember to access the Sacred Heart / St. Ann Pastoral Region YouTube site by clicking on the following link: <https://www.youtube.com/channel/UCVLLqbEY5hKWinwz069MVcg>

Reflection on Scripture:

"Worship God! Obey God's law! Be practical. Don't get it backwards." These phrases are a concise summation of the teachings offered in today's scripture. Legalism is defined as an analytical approach to controlling behavior that lacks "heart." On the other hand, emotionalism can easily degrade

Continued on next page...

Continued from previous page...

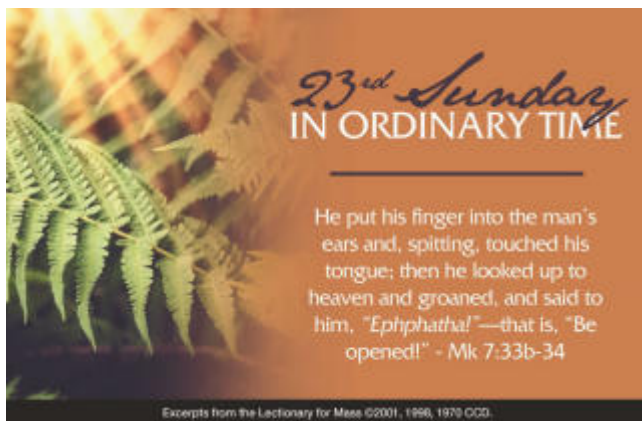

into hedonism and moral anarchy. We do not admire an inanimate object such as a Stradivarius violin, but we honor its maker and those whose skill allow it to produce beautiful music. Similarly, we worship the creator of the law, but not the instrument itself. God is the Creator. Law is a tool. If there are times when the application of the law is unreasonable, a well formed conscience allows for the application of epikeia. If I have a snakebite victim in my car who is in immediate need of the anti-venom serum available only at the hospital emergency room, I may choose to break the speed limit where reasonable to expedite my arrival at the hospital. This does not diminish the validity of the law, but rather provides for emergency exemption in this isolated case. Jesus speaks of epikeia when he uses the example of the man whose donkey falls into a pit on the Sabbath. In other words, there are situations when the use of the tool (of law) is unreasonable.

You may be saying, "How do all these philosophical gymnastics impact my understanding of divine justice as defined by Jesus?" In the application of justice, there is an enormous amount of discussion, especially in the context of educational norms and policies, regarding "equity versus equality." I do not think it appropriate to enter that highly charged political discussion in this context, but it bears pointing out that the issues discussed in today's scriptures have direct relevance to that discussion. The discussion of these concepts of justice should have a direct bearing on how we form our personal consciences.

WHAT'S HAPPENING AT SACRED HEART...

THANK YOU

Thank you for all the thoughtful donations and gift cards to the Bid and Basket booth this year. This booth and its success could not happen without all of the generosity from the Sacred Heart parishioners.

ST. VINCENT DE PAUL

The St. Vincent De Paul Society for the Sacred Heart and St. Ann Pastoral Region continues to serve a great need during the pandemic thanks to the generosity of parishioners. We have helped an average of two dozen households every month from January through July, about double our pre-COVID level. In the first seven months of this year we have provided 69 families with rent assistance, and helped 75 families with overdue utility bills, in addition to giving out Kroger gift cards to buy food, medicine or gas.

Our next fifth Sunday collection is August 28-29. Donations also can be made at any time by mailing contributions to the parish office in care of St. Vincent De Paul, or by putting a clearly marked envelope into the Sunday collection basket. Every dollar we receive goes directly to helping your neighbors in Fairfield and Lindenwald. Thanks for your continued support through prayers and contributions.

BIBLE STUDY

Walking Toward Eternity is an inspiring series designed to help participants live their faith more fully. *Daring to Walk the Walk*, the first series of *Walking Toward Eternity*, introduces seven key virtues and outlines practical steps for living them out in daily life. This study shows how to put our Catholic faith into practice through prayer and action. The result is real, often-profound change occurring in people's lives as they begin living as God intended them to. Join us on **Monday evenings from Sept 13 - Nov 15** as we learn further how to put our faith into action. **RSVP by Sept 1st** to mcarroll3210@gmail.com or call Mary Carroll at 895-0063 to find out how to order your supplies.

pastoral planning process currently underway, will impact every parish in the archdiocese, including ours. To stay on top of the latest developments on Beacons of Light, sign up for the free monthly *Beacons Update* newsletter at www.CatholicAOC.org/Beacons.

COMMENT ON DRAFT “FAMILIES OF PARISHES” – Make sure your voice is heard! Beacons of Light, the archdiocese-wide pastoral planning process currently underway, will result in all parishes being grouped into “Families” under the leadership of one pastor. A draft of this plan will be shared for public comment **October 1-20** at www.CatholicAOC.org/Beacons. Do not miss this opportunity to provide your input to this important initiative which will shape the future of our archdiocese.

CONNECTING CORNER

"Hear me, all of you, and understand. Nothing that enters one from outside can defile that person; but the things that come out from within are what defile." Mk 7:18-20. Our Gospel suggests that we are to always hear clearly the Word of God and keep it close in our heart. We humbly sift through the cacophony around us. The Holy Spirit will guide us to the Truth. Then we are free to commit to actions of His love. "Religion that is pure and undefiled before God and the Father is this: to care for orphans and widows in their affliction and to keep oneself unstained by the world." Second Reading James 1:27

- Today is the 5th Sunday of the month and the St. Vincent de Paul collection.
- In August, Our focus to fill Dorothy's Cupboard is Soup, Toothpaste, Cereal, Meal Boxes.
- If you would like to join the "Celebrating 200 Years of Service in the Archdiocese of Cincinnati with Service" event on **Oct 9**, access cincy200.com/serviceday
- Sept 1 Wednesday is the World Day of Prayer for the Care of Creation. From Sept 1 through Oct 4, Christians around the world celebrate with prayers/action for our common home. Perhaps your group would like to join in the "radical hospitality" activities: <https://seasonofcreation.org/2021/08/17/christians-abraham-tent/>
- Care for Creation is a principle feature in Catholic Social Teaching. The Laudato Si' Action Platform is a unique collaboration between the Vatican, an international coalition of Catholic organizations, and "all men and women of good will" to plan concrete action steps. This website explains the goal: "Standing on the firm ground of 'three fundamental and closely intertwined relationships: with God, with our neighbor, and with the Earth itself,' we commit to setting out 'on the long path of renewal.'" (LS 66, 202) <https://laudatosiplatform.org/about/>

Prayer for parishes and dioceses:

"Lord of Creation, we pray for our parishes and dioceses, that they may be attentive to the Cry of the Earth and promote clean energy, ensure clean air and water for all, protect your creation, and its biodiversity and climate, in particular. May we re-discover our original vocation as caretakers of our common home and of one another."
