CMA Announcement Weekend

January 22-23 signals the official beginning of the annual Catholic Ministry Appeal. The CMA is an annual effort of all the parishes of the Archdiocese to work together to put forth six areas of ministry that no one parish could address alone. These areas include: Catholic Charities and CSS, diocesan clergy retirement and disability needs, chaplains for prisons-hospitals (non-Catholic affiliated) and campus ministry; seminary and vocations, St. Rita School for the Deaf, and the Center for the New Evangelization. These are all ministries we could not hope to address as individual parishes, but in solidarity we can benefit from each. Please ponder the message of Archbishop Schnurr given to all this weekend, and join me in making a strong and unwavering commitment to doing together that which none of us could do alone.

DO NOT FALL FOR SCAMS!!!!

(You may be wondering why I keep running this same warning week after week? The reason is that I continue to get calls from parishioners concerned that I may have been arrested in a foreign country without money, or need you to buy cash cards for someone who is dying, or some other deception or fabrication. The scammers have even found a way to harvest my voice from the YOUTUBE Masses, and mimic me over the telephone. The "scammers" are indeed immoral and destined for the fires of Hell; but they always seem to exhibit sinister creativity. Please remember the following:)

Remember I **NEVER** solicit funds, donations, favors, or any request of any kind over the telephone, text, email, carrier pigeon, drone, etc. **NEVER!** Do not allow yourself to be taken in by scammers. Even if they have my recorded voice, it is computer generated! It is not me!!!

Considering a "Men's Retreat Program?"

Over the next month, we will be posting information about a rather challenging ascetic retreat option for adult men from St. Ann and Sacred Heart Pastoral Region, soon to be a Family of Parishes. The program is called Exodus 90. Here are the personal comments of one of our parishioners who has some experience with the program:

The goal of Exodus 90 is spiritual freedom. We are all attached and/or addicted to sins or material things that are holding us back from being the men God created us to be. Going back to the roots of the Christian Faith through the ancient traditions of the Church of prayer, penance, and community helps us to free ourselves so that we can be the husbands, fathers, brothers, sons, and leaders that we are meant to be.

The outline of the program is simple and built on 3 pillars: prayer, fraternity, and asceticism. In short it requires commitment to one hour of prayer a day. Weekly meetings with a small group and fasting from foods on certain days, and giving up certain luxuries like sweets, a sedentary life, warm showers and a commitment to exercise. It's difficult. But today in our culture maybe we need something a little difficult.

Please keep an eye out for more information and feel free to email any questions in anticipation of an informative meeting which we plan on having a few weeks before Lent. You know how the TV stations post a teaser announcement to gauge interest. Well, that is what this is!

Synod 2021-2023

Although the meeting at Queen of Peace in Millville took place yesterday, you are invited to attend any of the meetings held in other deaneries throughout the Archdiocese. Information about these meetings is available on

Reminder for volunteers who work with or around children

If you are a volunteer classroom parent in the school, a coach, drama club volunteer, scout volunteer, etc. please note that you should have been moved to the Safe Parish program. Fulfillment of this requirement is mandatory for anyone working with children. Please contact your parish safe environment coordination if you are uncertain whether you are registered or approved.

Please be aware that failure to register with and complete the requirements of Safe Parish will result in your inability to continue to work with or around children in any parish and/or school setting. We have been informed by the Archdiocese that there can be NO EXCEPTIONS.

Live Streaming a precept Mass from St. Ann and Sacred Heart each week

Since I live stream both the 4:00 p.m. at Sacred Heart and the 5:15 p.m. at St. Ann; I usually manage to live stream both, but on rare occasions the internet is out at one or the other location. If this happens, be assured that I will make every effort to correct the malfunction before the next weekend.

Please remember to access the Sacred Heart / St. Ann Pastoral Region You Tube site by clicking on the following link:

Reflection on Scripture:

In the first reading from Nehemiah, Ezra the scribe reads from the Torah (the Mosaic Law) and reinstates the Festival of Sukkot (or Booths) a thanksgiving feast in the Jewish Calendar. In the Gospel, Jesus in his local synagogue and reading from the Book of the prophet Isaiah tells the listeners that the fulfillment of Isaiah's prophesy is standing right there in front of

Continued on next page...

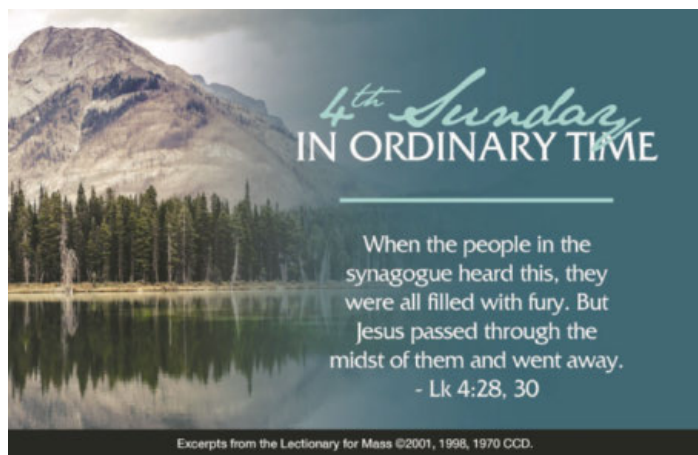

them. Jesus Christ, the Son of God, is the "Word" (Greek word: "LOGOS") of God. A person's "word" communicates his (or her) very self. Thus we hear the phrase, "You have my word on it." God's word communicates God himself. Thus the divinity of Jesus is revealed.

Hearing from God directly changes human hearts. Ezra sees the audience weeping and tells them not to be sad but to rejoice and celebrate God's gift to them of the Law. Jesus takes the ultimate step when he forgives those killing him and everyone in time and eternity for their sins. The Word of God, Jesus Christ, seeks to change the hearts of all humanity through the Sacraments of the Church. John so eloquently says, "and the Word was made flesh, and dwelt among us." Have we fully opened our hearts to the Word?

In math, several students are getting ready to take the Badin math exam and in religion, students are nearing the end of their church history curriculum.

PRAYER FOR THE UNBORN CHILD IN THE WOMB

Lord Jesus, you are the source and lover of life. Reawaken in us respect for every human life. Help us to see in each child the marvelous work of our Creator. Open our hearts to welcome every child as a unique and wonderful

gift. Guide the work of doctors, nurses and midwives. May the life of a mother and her baby in the womb be equally cherished and respected. Help those who make our laws to uphold the uniqueness and sacredness of every human life, from the first moment of conception to natural death. Give us wisdom and generosity to build a society that cares for all. Together with Mary, your Mother, in whose womb you took on our human nature, Help us to choose life in every decision we take. We ask this in the joyful hope of eternal life with you, and in the communion of the Blessed Trinity. Amen. Our Lady of Guadalupe, pray for us.

CONNECTING CORNER

“Rolling up the scroll, he handed it back to the attendant and sat down, and the eyes of all in the synagogue looked intently at him. He said to them, “Today this Scripture passage is fulfilled in your hearing.” Lk. 4: 20-21 Yes, in today’s Gospel reading Jesus reveals the salvation of the world is at hand. Jesus’ life shows us the all inclusive healing love that builds His Father’s Kingdom . “Now you are Christ’s body, and individually parts of it.” He calls us to join Him in His life’s work.

January 22 is a Day of Prayer for the Legal Protection of Unborn Children in the US. A prayer to Our Lady of Guadalupe is here: www.usccb.org/prayers/prayer-our-lady-guadalupe Jesus took on human life and so we respect all aspects of human life.

Reminder: Please view the video called **Sister Joan Krimm’s Mission to End Human Trafficking** conveniently located on the Home page of our website under “Catholic Resources and Links”. Her bold example shows us how today we “proclaim liberty to captives”. January is not only Anti Human Trafficking month, the USCCB calls us to grow in U.S.poverty awareness. A reliable USCCB website: https://www.povertyusa.org/facts_Act for the poor! Dorothy’s Cupboard January focus is soup & hand soap. Thank you for donating your gently used clothes to the St. Vincent de Paul bin on our parking lot in 2021. We have 5 Sundays in January, mark your calendar for the SVdP collection.

“If one contends, as we do, that the right of every fetus to be born should be protected by civil law and supported by civil consensus, then our moral, political and economic responsibilities do not stop at the moment of birth. Those who defend the right to life of the weakest among us must be equally visible in support of the quality of life of the powerless among us: the old and the young, the hungry and the homeless, the undocumented immigrant and the unemployed worker.” Cardinal Joseph Bernadin 1983.
