**GOSPEL MEDITATION**

December 26, 2021

Families can be very difficult things to negotiate. This is true not only of our families of origin, the current family of which we are a part, the family of our Church, our society, and our global family as well. Everything human can be found in family stories. Those stories speak of wonderful life-giving successes as well as painful spirit-robbing abuses. Our greatest joys and our greatest wounds are usually connected with the experience of family. Our needs, experiences, and unresolved baggage often color what we bring to our familiar relationships. They contribute to our level of defensiveness, how guarded and protected we become, and what prejudices we believe.

In order to break the cycle of dysfunction we have to remember that it is not only by human effort that we negotiate the difficult and challenging events of our lives. There is a Divine Effort at work as well. For sure, the human effort can create quite a mess and easily destroy lives. This is true of any family with which we are associated. Today's Feast of the Holy Family serves to help us understand that there is a Divine Story being told as well. It is a story of perseverance in the face of hardship, determination in the face of despair, healing when we see nothing but wounds, and light where there is darkness.

Do we believe that God is always working, guiding, restoring, and leading? Unless we do, we will never be free from the imperfections and wounds that bind us and never be able to understand what it really means to forgive. Pope Francis tells us that the "light which comes from the Holy Family encourages us to offer human warmth to other families." While this is most certainly true, we can only really begin to do this when we realize that we are still works in progress, not anchored to the wounds and sins of our past, and still a leading star in God's continually unfolding story of love. The Holy Family persevered and radiated warmth because they knew they were not alone. We can too.

**Calling ALL Dedicated Catholic Men**

Fraternus is an organization which is dedicated to mentoring boys into virtuous Catholic men. It is a Catholic brotherhood for all ages. For over a decade, Fraternus has been recovering the lost art of mentoring, harnessing the power of brotherly men and fathers, and teaching the virtues rooted in Christ as the path to authentic manliness. If you are a Catholic man - and especially a father - and this sounds like something that you would like to be a part of, come to an interest meeting Thursday, January 13th from 7:00 - 8:30pm at Holy Spirit in the parish hall as we consider starting a chapter here in the Montgomery area. For more information contact Fr. Den Irwin 334-567-0047 [frirwin@ologchurch.org](mailto:frirwin@ologchurch.org) or Doug Davis 334-354-1131 [gdougDavis@gmail.com](mailto:gdougDavis@gmail.com). **Respect Life**

"Like every other human family, the Holy Family had to confront real and concrete challenges. Yet, 'in every situation, Joseph declared his own 'fiat' (PC 3). His 'yes' to the Lord meant that regardless of the hardship and personal sacrifice to himself, he consistently chose to put the needs of Mary and Jesus before his own. Joseph's devotion helps reveal to us our own call to show special care for the lives of those whom God has entrusted to us."
