MEN OF GOD: A FATHER AND SON JOURNEY TO MANHOOD

Sacred Heart Catholic Church will be hosting a "Men of God: A Father And Son Journey To Manhood" evening for fathers and their 12-14 year old sons on July 11, 2021 from 6 – 8 p.m. Its mission is to invite fathers and sons to grow together in God's special gift of human fertility and the wonder of growing up and becoming a man. Topics presented include the changes in a young man's body as it prepares for fatherhood; the functions of the male and female reproductive systems; the sacredness of human life; appreciation and reverence for our sexuality and the virtue of chastity; and a confidential question and answer segment. The program is based on the teachings of Pope John Paul II's "Theology of the Body".

The program provides an atmosphere of love and learning to discuss the important topic of growing up and establishes a foundation for continued communication between parent and child. Presenters include peers, health care professionals and fathers. Please pick up a registration form in the back of church. See the bulletin for more details.

NEW TEAM MEMBER!

Please welcome Sheree Prince to our Parish and School team. Sheree will serve as Director of Advancement and Marketing. She will help promote the mission of the Parish and School in our local community while assuring the financial support of our efforts.

Sheree was born in New Orleans and raised in Laurel, Mississippi. After graduating from the University of Southern Mississippi with a degree in Business Administration, emphasis in Marketing, Sheree worked in sales for Penske Truck Leasing and Media General in Hattiesburg, MS. She moved to Lafayette in 2004 and began a career in radio sales for Regent Communications (currently known as Townsquare Media) where she spent 14 years dedicated to building relationships within the Lafayette community. Sheree comes to St. Cecilia and Sacred Heart from Acadiana Symphony Orchestra as the Director of Development for the past two and a half years. Not only does Sheree bring a wealth of experience in sales and marketing, she is devoted to building and maintaining exceptional relationships with faculty, staff, students, parishioners and the Broussard community. She is excited about joining the parish and school family and sharing her faith with others. Sheree is married to Paul Prince, a native of New Iberia. They have two daughters, Isabella and Adelyn who attend St. Cecilia.

WE CAN PREPARE THE UPPER ROOM

We all know that person, don't we? Hey, maybe we've even been that person.

"I have a great relationship with God, but I don't go to church regularly. God and I are on good terms. I can talk to Him just fine on my own."

There isn't anything false in these statements. It's important to have an intimate, even conversational prayer relationship with God. But the problem with this attitude is that it implies that churches don't matter. Community worship doesn't matter. Today, we are reminded exactly why that is so untrue. Why we need our parishes, our priests, and each other.

The Body and Blood of Christ — that's what it's all about. If it's not about that, it's not about anything. If we don't have the Eucharist, we're just like the ancient priests, making sacrifices that don't have the power to redeem anybody.

Where do we receive the Body and Blood of Christ? For most of us, it's in our parishes. The altar of sacrifice is also the table we gather in front of, as a family, to become one with Christ in the truest and realest way possible, recreating the scene in the Upper Room over and over again every time Mass is celebrated.

The disciples were commissioned by Christ to prepare the Upper Room for the Last Supper. How can we take up that work ourselves? How can we strengthen the bonds in our spiritual family? How can we serve our parish, always remembering that the table is not meant to be set only for two?

—Tracy Earl Welliver, MTS

WHY ARE SOME SAINTS HONORED AS "PATRON SAINTS"?

Each person is unique and each of us has different gifts, interests, talents, and, yes, even struggles and areas where we need to grow. This is no less true of those holy women, men, and children who have been canonized or beatified.

Because we believe that the saints and blesseds are both models of faith and intercessors, Christians have looked to certain holy people as role models and heavenly protectors for occupations, spiritual charisms, and even places. Although the Church sometimes names a person as a patron saint (e.g. Saint Philip Neri as the patron of Rome, Saint Clare of Assisi as the patroness of television, or Saint Aloysius Gonzaga as the patron of youth and young adults), more often it is popular devotion that inspires lay Christians to turn to a particular saint or blessed for heavenly help and support. This is how, for example, Saint Cecilia came to be honored as the patroness of musicians, Saint Toribio Romo as patron of migrants coming into the United States, and Saint Gertrude of Nivelles as patroness of cat lovers. Although there are official and unofficial lists of patron saints, we should always feel free to ask any and all the saints to give us their patronage and protection in whatever it is that we need.
