Arrangements are made with the Parish Office through the funeral director before publication in the newspaper.

Today is the Fourth, and last, **Sunday of Advent**, which means that in a few short days we will celebrate the Birth of Christ. As we celebrate this wonderful feast of the Birth of Christ, we may want to reflect on exactly what God has done for us in His great love for us. He has become one of us. He has humbled Himself to become a human being so that He can save us from our sins. It is we who have sinned and it is He who humbles Himself for us. Somehow that does not seem quite fair or just, yet this is what God has done for us because He loves us so much.

No one made God become a human being. He chose it freely and lovingly. Maybe the next time we are confronted with something that seems unfair we might think of what God has done for us. Christmas is a celebration of the love of God, and there is no better way for us to envision this love than seeing a mother lovingly holding her child. Almost everyone can relate to images of Mary holding the newborn Jesus close to her heart. What is there in us that makes it so easy for most people to be moved by such an image? The answer is very simple: it is the love of God Himself in each of us that enables us to respond to love when it is right in front of us.

Christmastime is always a good and wonderful time for us and that is what God intends it to be. However, there are many people who dread the Christmas Season because of the memories they have of loved ones no longer with us, or memories of Christmases past that were far from loving or joyful. We must pray for these people and for the small part in all of us that has the same tendency. No matter what past Christmases were like, each Christmas is an opportunity for all of us to, again, realize the great and powerful love of God; the love He shows us by coming to us.

He continues to come to us in so many ways, but most of all, through the Holy Sacrifice of the Mass. God continues to take flesh in each Mass and then gives Himself to us so that we may use our bodies and our very lives to give His love to everyone we meet in our daily lives.

Invite someone back to Mass. We all know that Christmas is a time when many people choose to come to Mass even though they may not come every Sunday. We need to be welcoming to these brothers and sisters of ours, and by our kindness encourage them to come to Mass every Sunday. If you have friends or relatives who don't regularly go to Mass, please encourage them to start going each Sunday by sharing with them how important the Mass is in your own life. Let them know that coming together to worship God and give Him thanks for all He does for us really helps us through the week in ways that we do not even realize. Going to Mass every Sunday is still the most important thing we do in our lives because nothing can bring us closer to God in this life than participating in Mass and receiving our Lord in Holy Communion.

Christmas is a time for giving and sharing because this is what God has done for us and so we seek to imitate Him. This year we may not be able to give our loved ones all the material things that we were able to give in the past, but we can give them the gift of God's love through our kindness, patience, and compassion. Please do not forget to give some of your blessings back to God as you make a gift to your parish community so that the work of spreading God's love may continue through all that we do in His Name to carry on the work of salvation. Your Christmas gift to your parish community will be greatly appreciated by many people and God will surely bless you and your loved ones for your generosity and your sacrifice.

There are still more opportunities to go to confession before Christmas. See the bulletin for times.

Mary set out and traveled to the hill country in haste to a town of Judah, where she entered the house of Zechariah and greeted Elizabeth. When Elizabeth heard Mary's greeting, the infant leaped in her womb, and Elizabeth, filled with the Holy Spirit, cried out in a loud voice and said, "Blessed are you among women, and blessed is the fruit of your womb. And how does this happen to me, that the mother of my Lord should come to me? For at the moment the sound of your greeting reached my ears, the infant in my womb leaped for joy. Blessed are you who believed that what was spoken to you by the Lord would be fulfilled."

Altar & Rosary is continuing the Oplatki tradition here at Sacred Heart!

WHAT IS OPLATKI?

Polish, Slovak, and Lithuanian background families originally observed this Christmas tradition, but it has become a tender, touching family celebration of love and forgiveness for all families. Oplatki wafers [a thin Communion-like wafer stamped with a Christmas scene] are shared right before the Christmas Eve meal. The entire family gathers around the table and the eldest family member begins the ritual. The Oplatki is passed from person to person along with a wish and a kiss, symbolizing the giving and sharing in our lives. *OPLATKI [Angel Bread] will be available at the East and Broad St entrances to the church December 11/12 and 18/19. If so inclined, you may leave an extra donation in the offertory basket.*
