JUNE 14, 2024 FLAG DAY

The flag should never touch anything beneath it, such as the floor, water or merchandise. The flag should never be carried flat or horizontally, but aloft and free. The flag should never be used as wearing apparel, bedding, or drapery.

Here are 4 flag trivia questions:

1. Is it ever appropriate to fly the flag upside down?
2. How many versions of the American flag have been designed?
3. Can the flag touch the ground?
4. How many US flags made it to the moon?

Chicken Dinner in May

WHAT IS JUNETEENTH?

The day's name is a blending of the words June and nineteenth. It commemorates **June 19, 1865**: the day that Union Army Maj. Gen. Gordon Granger rode into Galveston, Texas, and told slaves of their emancipation. That day came more than two years after President Abraham Lincoln issued the [Emancipation Proclamation](#) on January 1, 1863. Even after Lincoln declared all enslaved people free on paper, that hadn't necessarily been the case in practice. Juneteenth became a US federal holiday in 2021.

Custom one-of-a-kind new stained glass window made by Dusty Staudt. We will raffle it off at our Chinese Auction on Nov. 1 at 3:00pm. This window is available for viewing at the Center's office. Raffle tickets are available at the Center for \$5.00 each.

The **Fairport Historical Society/Lighthouse** is looking for volunteers and members who would like to keep the history of the Lighthouse alive. Season opens May 25. If interested, please call Marty at 330-853-1827.

ATTENTION “ALL” VETERANS!! You are invited to Leroy Thompson VFW 7939 (12827 Painesville Warren Rd, Leroy Twp. 44077) | 440-254-0609) for a “Veterans Get Together” on the last Tuesday of every month. **The next meeting is June 24 at 6:30pm .**

If you need to say farewell to your faded flag, you should never just throw it away. After all, it's a sacred symbol. Actually, according to the **U.S. Flag Code**, the preferred method of disposal is burning. Many organizations will hold flag burning ceremonies on **Flag Day** and are happy to include your flag in their observance. You can find disposal boxes outside of **Veterans of Foreign Wars** and **American Legion** posts, as well as some state and county governments, who may also collect flags.

You can also do this job at home! Just be sure to burn cotton flags, since setting synthetic or nylon materials on fire let off nasty gasses and vapors. It's simple enough to do, and you could even make a little family ceremony of it. Here's the “how to” from the **U.S. Department of Defense**: First, lower the flag and fold it into a traditional triangle shape. Light the fire pit and as the flag burns, say the **Pledge of Allegiance**. Once there are only ashes left, you should also have a moment of silence before burying them. *(Be sure to check local fire and state codes before you get going.)*
