Parenting is a Eucharistic activity because from the first moment of conception children receive life from us. If we don't sacrifice ourselves, our children would not have life. This is the paschal mystery of parenting. Christ is present in each self-sacrifice.

Married love is both physical and emotional. Attraction often starts with the physical and then grows as we develop emotional bonds. This week, however, why not reflect on the body of your beloved. Whether young or old, share one physical feature that is endearing to you.

We Knights would like to Congratulate CASH Seniors, Nathan White and Megan Kantz on being this years Council 6037's scholarship winners. These college bound Grads were selected through a number of criteria's such as grades, participation in both school activities and in improving the lives of others in our Lakeland area, as well as their life goals in four more years. We wish nothing but the best to all Grads of the Class of 2020.
