Family Perspective: After meeting Jesus, the Magi returned home by “another way.” What in your family needs to be done “another way?” Do you need “another way to resolve differences, to communicate or show affection? This is a new year, time to change what isn’t working. Take a tip from some wise men, there’s always “another way.”

Marriage Moments: The Epiphany is a feast of kings, camels, and stars. (Mt. 2:1-12) But what does it mean for a married couple today? Take a moment this week to look at a star together. Remember that God’s love for you and your love for each other is bigger than this world and the sky.

Child Protection & Creating Safe Environments:

Online Gaming: 72% of teens, both male and female (ages 13-17) play video games. More than half of those teens said they have made new friends online. The National Center for Missing & Exploited Children analysis of Cyber Tipline reports has found that gaming platforms are more often used in the online enticement of young boys than any other group of children. It is important for parents to talk to their child about safety in online gaming. Some important questions to ask are: Have you ever been cyberbullied while gaming? Do you know what information is OK to share about yourself while gaming? Has anyone talked about sex while you were gaming or asked you to send pictures of yourself? If your child answers yes, report the matter to law enforcement. Visit www.eriecd.org/childprotection/

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

The Light of the Moon

If you own a television that has been turned on at any point in the last month or so, chances are you’ve caught at least a scene or two of the 1946 classic film “It’s a Wonderful Life.”

If you’re not familiar with the movie, it follows the life of George Bailey from childhood through adulthood. A dreamer by nature, George has big plans for himself that involve world exploration and adventure — but family and community obligations keep him tethered to the same spot on the map, leading an altogether ordinary life.

One of the most memorable scenes from that movie is of George dancing with his sweetheart Mary while they sing “Buffalo Gals — Won’t you come out tonight/And dance by the light of the moon?”

That lyric always catches my ear. Of course, the moon doesn’t have any light of its own. All the moon has is the ability to reflect the light that shines upon it.

The same holds for us, doesn’t it? Our stewardship is purely a reflection of the grace granted to us by another. “Upon you the LORD shines,” writes Isaiah, “and over you appears his glory.” Every good action we will ever take begins in the mind of God. The fact that we have the honor of carrying it out on His behalf is a beautiful gift. It is God that makes our ordinary lives extraordinary.

In the end of the movie, George Bailey realizes that he had a far greater life because, instead of being the hero of his own story, he allowed himself to reflect goodness onto others.

Remember — the magi didn’t chart their own course. They merely followed the star.
