DISASTER RELIEF

Most Rev. Mark Brennan, Bishop of the Diocese of Wheeling-Charleston, has approved a special collection to be held the **weekend of January 1st and 2nd, 2022**, in all parishes and missions throughout the diocese to support recovery efforts related to the recent natural disasters that have occurred in Kentucky, leaving severe damage and loss of life. Donations can also be made on the diocesan website at: www.dwc.org/disasterrelief. Proceeds from this collection will support the humanitarian and recovery efforts of Catholic Charities agencies on the ground, working in the communities affected by the tornadoes.

As we hold the victims and first responders in our prayers during these critical days, let us also spend time in prayer and discernment as we prepare for this upcoming collection. Let us come together now to support our brothers and sisters in Christ who are suffering this horrible loss.

Please remember in prayer all those who have lost their lives in the wake of these disasters, as well as all those who have been injured and lost their homes, cars, employment, and access to food and water, especially as we prepare for the Christmas Season.

MONTH THREE - Developing Baby
"I grabbed my hand!" The baby can now squint, swallow and move his tongue. He sleeps and awakens. Fingernails and toenails form and he now has his own unique set of fingerprints. Sensitive to touch, he will tightly grasp an object in the palm of his hand. He breathes amniotic fluid to help develop and strengthen the respiratory system, but he gets the oxygen he needs through the umbilical cord. The baby you are praying for weighs one ounce and is about 3 inches in length.

We welcome into faith,
Zarafa Isabelle Fakhouri
