"But God said to him, 'You fool, this night your life will be demanded of you; and the things you have prepared, to whom will they belong?' Thus will it be for all who store up treasure for themselves but are not rich in what matters to God."

- Lk 12:20-21

## OUR MISSION

We are people of God, celebrating our faith as a parish. With diverse roots and unique talents, we strive to love and serve God and neighbor. As we gather in prayer and worship to praise our Lord, we share a communion of faith, grace, and service. We endeavor to live as Christians by reaching out to our brothers and sisters, proclaiming the Word, demonstrating compassion, and by sharing our faith through evangelization in order to make our parish a community of love and service.

## LIVE THE LITURGY

Greed is more present and powerful in our lives than we care to admit. We like our “stuff” and are hesitant to part with it. What we convince ourselves that we really need, we really do not. If everything we own is taken away from us tomorrow, life will continue. We will find happiness again. How many relationships are ruined because of inheritance issues? Our possessions cannot come with us when we die. Why do we foolishly think that we cannot live without them here? Wealth and

happiness do not have physical origins. True wealth and happiness are gifts of God’s kingdom and matters of heart and soul. We are much more than what we possess, and greed is more real and operative than we think. Let us begin our journey to detachment with an honest admission. We often place more importance on things than on people and God. Ask God to accept our conflicted hearts and give us the courage to do things differently. ©LPi

## STEWARDSHIP THOUGHTS

*"Take care to guard against all greed, for though one may be rich, one's life does not consist of possessions." Luke 12:15*

The Gospel message is contrary to modern culture that continually tries to convince us that our joy comes from the material things we possess. That the more we acquire, the happier we will be. Jesus shows us that our true joy comes from our "invisible" gifts like love, mercy and forgiveness. True joy comes from "emptying" ourselves, giving of ourselves rather than always taking. We are called not to hoard but to share. True joy comes from living a grateful and generous lifestyle; become more "God-centered" and less "self-centered."
