From the Director's Desk:

Hello wonderful people and Happy June to each of you!! I am reminded every day of how awesome people can be. I had so much fun at the Spring Fling and loved getting to touch base with you!!! Thank you for coming. You made my month!! (see our web page for pictures)

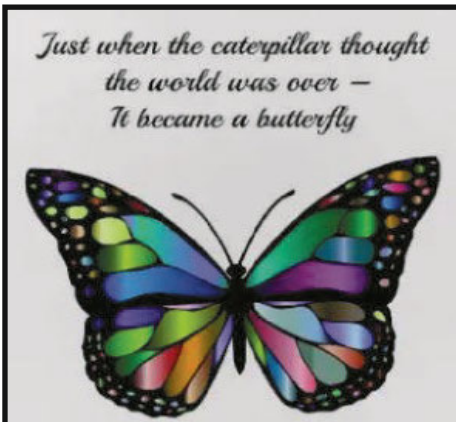

Yesterday I was working on a project and it seemed that with every step I bumped into another CHANGE... it was not fun. Typically I embrace new challenges and often quote, "The only constant in life is, change." But when facing one after another, it sure gets tiring quickly. Do you agree? We are going through many adjustments here at the center. Many of them are wonderful, but we are feeling the strain. As I look at the world, I see that all of us are dealing with this issue. Granted, each person has a different set of changes (living arrangements, finances, losing loved ones, making new friends, you fill in the blank \_\_\_\_\_).

You may be wondering if I will ever get to my point or just stay on my soap box ranting. My point is this: You are not alone. We are here for you and we are doing everything we can to meet your needs. Please come and spend time with us. There are many chapters in each of our lives. Let us show up on the pages of your story. Give us the chance to shower you with the love you deserve. Check out the calendar on page 7 to see what interests you. June is going to be another wonderful month. Please note: due to staff training, our office will be closed in the afternoon Monday, June 13. Thank you for understanding.

Yours truly,  
Dawn

Change is the law of life. And those who look only to the past and the present are certain to miss the future.

She plans to continue joining us for cards on Fridays, so if you see her around, wish her the best on her retirement!!
