LIVING THE FAITH

EASTER REFLECTION

BY FR. PAUL SCHREINER, PASTOR

Happy Easter!

After walking with our Lord through 40 days of fasting, praying and almsgiving, we now spend the next 40 celebrating His Resurrection! We realize that Jesus has given us the greatest gift – death no longer holds any power over us. We have a God who has defeated sin and death once and for all!

All the patriarchs and prophets of the Old Testament were looking forward to this one moment where God would send us His Son – one that would save us from our sins. Now, having been raised from the dead, there can be no greater event than the one we are celebrating – He is risen!

We now walk with the disciples in the Scriptures, as they discovered that their Lord had been risen. Some of them reacted with great joy, like Peter and John, as they ran to the empty tomb. Some, like Thomas, denied to believe in the Lord's Resurrection until he had seen him in the flesh. The two disciples who traveled on the way to Emmaeus had Jesus instruct them how His Resurrection fulfilled all the prophecies of the Old Testament.

How do we respond this year to Jesus' Resurrection?

- Are we inspired to evangelize and proclaim the Resurrected Jesus with hope to others?
- Do we continue to encounter/seek Him in the Eucharist and the other Sacraments?
- Do we bring the joy of the Resurrection with us to our families and workplaces?

May we all realize the impact of Jesus' suffering, death and Resurrection in our lives as we rejoice in the greatest miracle of all – the gift of new life and grace through Jesus and His immense love for us!

LITURGICAL QUESTION BOX: WHAT ARE THE “FRUITS” OF HOLY COMMUNION?

The Eucharist, like all sacraments, offers its own unique grace. We receive a special share in God's life that helps us in our faith journey. We are given all we need to sustain and nurture our relationship with God. The Eucharist is the source and summit of the Christian life. Everything we are and everything we hope to become is found in this sacrament. It is essential to the life of the church, to each member of the church. Without it, there is no church. The Eucharist is the center of our spiritual life and has enormous effects on our growth, our holiness, and our way of life.

The fruits of holy Communion are the benefits one receives from the sacrament. These fruits of holy Communion are discussed in the catechism in the article on the Eucharist. The primary benefit is union with Christ. We become one with him sacramentally, just as we hope to become one with him for eternity. The Eucharist also separates us from sin, both past and future. It forgives the venial sins of the past and, by the love we receive, protects us from mortal sin in the future. The church community is also unified and strengthened by the Eucharist. It unites us to the poor and offers the pledge of eternal life.
