# LIVING THE FAITH

## WEEKLY REFLECTION

BY SANDY SMITH, RELIGIOUS EDUCATION & LIFE TEEN COORDINATOR

This weekend, we will complete our Family Faith Formation Sunday morning sessions. It has been a very good year, blending grade-appropriate children's sessions with monthly *family* sessions. We have worked to build a small community within the larger community of St. Mary Parish.

In many ways, we have succeeded; however, as always with our Faith in Jesus Christ, there is never a graduation or completion. We should always be growing, learning and deepening our understanding of our Catholic Faith, and always building relationships within our faith community. As Christ taught us: *"I give you a new commandment: love one another. As I have loved you, so you also should love one another. This is how all will know that you are my disciples if you have love for one another."*

We were made to live in relationship with others; our families, yes of course, but also with others in our local community and especially within our parish community. So I want to thank the parents and guardians of these families who made the commitment to bring their children and participate with their children in deepening their own faith, knowledge and understanding. We shared much and I pray we will continue to build much more.

I also want to thank our volunteer catechists. They are here week after week, no matter how many children show up; they prepare and teach lessons; they give from their own personal resources of time, talent and treasure (and may I add creativity) They are committed proclaimers of the Gospel message both by *word* and *deed*.

Our wonderful catechists are: Teresa Krause and Susan Shultz (PreK-Kindergarten), Mrs. Stacie Sokolowski (Level 1 - Sacrament Readiness), Mr. Tim Rini (Level 2 - Sacrament Prep), Mr. Brian Jones (Level 3), Mrs. Kathy Dobos (Level 4), Mr. Jay Krause (Level 5), Mrs. Barb Trinter (Level 6).

They are people just like you and me but are using the gifts God gave them to help raise the next generation of Catholics. By the grace of our Baptism (and the empowerment of our Confirmation), we all have been given gifts to build up the Kingdom of God on earth.

Be still and listen. How is the Lord calling **YOU** to serve?

---

## LITURGICAL QUESTION BOX: WHY ARE BIBS PLACED ON BABIES BEING BAPTIZED

When an adult is baptized, there is a part in the ceremony when the newly baptized is vested in a white garment. It is symbolic of the changes that baptism brings in the life of the baptized as they are freed from the bonds of sin and brought into the saving grace of Christ. Realities that are so profound are symbolically presented so that we might better grasp and understand them.

Infants are often dressed in a baptismal dress, which is the baptismal garment. In some places, the bib is used as a kind of baptismal garment. At the place in the ceremony where the investiture takes place, the bib is used. Some are poncho-like and fit over the baby's head. Others are simply placed on the baby's chest. If the baby is dressed in a white garment, nothing else is needed. The prayer says it all: "See in your white garment the outward sign of your Christian dignity ... bring that dignity unstained into the everlasting life of heaven." In baptism, we are given our purpose and goal in life as believers and this is symbolized by the white garment.

## LIVE THE LITURGY

### Inspiration for the week

The resurrected Christ gives us the strength to do things we can never have imagined. Life will often give us mountains to climb, and we wonder how we will find the energy, ability, and determination to forge ahead. But, with a good dosage of faith and a fervent life of prayer we find ourselves succeeding and ascending to heights that once frightened us. What we realize after we have reached the other side is that this hardship we once saw as an obstacle has become a vehicle for something better and greater. We are stronger. The same is true with the Gospel. The prospect of loving one another may seem idealistic or unobtainable. Yet, when we risk moving beyond just looking out for or helping each other to actually **LOVING** each other, miracles happen. There is something wonderful that occurs with love. We see people in ways we never saw before, understanding and appreciating each other's journey. Love leads to reverence. Faith is strengthened and we move on to try again.

## SAINT OF THE WEEK

Though St. Margaret of Cortona (1247 – 1297) is today known as being an incredibly pious Catholic, she didn't start out that way. Born into a farming family in Laviano, Tuscany, her mother died when St. Margaret was seven. Her father remarried, but life with her stepmother was so difficult that St. Margaret moved out of the home and instead chose to live with a man named Arsenio, though they weren't married. They had been living together for nine years when she gave birth to a son. Knowing in her heart that this wasn't the life that God intended for her to have, she prayed for purity.

One day while waiting for Arsenio, his dog led her into the forest where she found Arsenio murdered. So shocked was St. Margaret that she fell into a life of penance. She and her son returned to Laviano, but still found her stepmother to be as unwelcoming as ever. They then went to Cortona, and eventually her son became a friar.

Three years after her conversion, St. Margaret followed in her son's footsteps and became a Franciscan tertiary. During her life, St. Margaret established a hospital and founded a congregation of tertiary sisters. She was canonized in 1728.
