THE MOST HOLY BODY AND BLOOD OF CHRIST

Then he took a cup, gave thanks, and gave it to them, and they all drank from it. He said to them, "This is my blood of the covenant, which will be shed for many. Amen, I say to you, I shall not drink again the fruit of the vine until the day when I drink it new in the kingdom of God." - Mk 14:23-25

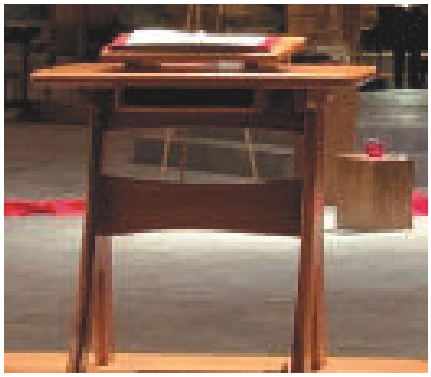
Letter from Father Tom Dragga

CHURCH OF THE 50 Resurrection
Building our Future
Celebrating our Past



Dear Parishioners,

As we approach the close of our 50th Anniversary on Sunday, June 20th with one combined outdoor mass at 10am, it is a time for us to celebrate the many blessings we have received as a parish community. Even though the pandemic has in some way hampered our ability to gather as completely as we would have planned or liked, it has in no way stopped us from recognizing that a lot has been accomplished over these past 50 years and so much is still in store for us as a parish community. Let me offer a few brief notes as we prepare to "celebrate our past and build our future."

1. Next Sunday, June 13th immediately after the 11am mass we will carpool to Calvary Cemetery and offer prayer for all those who have died and been buried from Resurrection over the past 50 years. We will gather at the grave of Fr. Lou Trivison, the founding pastor. It is fitting that as we celebrate 50 years as a parish, we remember all those who have gone before us marked with the sign of faith.
2. If you are a "Charter Member" and planning on attending either the Saturday Night, June 19th 5:30pm indoor mass or Sunday, June 20th big outdoor celebration at 10am, please call the office, send us an email, or let one of the pastoral staff members know as soon as possible. *(Definition of Charter member: you set up or took down chairs or sat in a chair at Lewis Elementary School in those first few years before the Parish Center was built--- you qualify.)*
3. Please pray for good weather for the weekend of Saturday and Sunday, June 19th, and 20th. Also, please invite friends and former parishioners to join us for the outdoor mass on Sunday, June 20th at 10am. *(Do not forget to bring your own lawn chair.)*
4. Following the **10am outdoor Mass on Sunday, June 20th**, we will process from the front lawn to the Healing Garden which is at the end of the west parking lot near the entrance to the prayer path. Bishop Malesic will dedicate the Healing Garden to remember all those who have been victimized by the Sex Abuse Crisis, those who have suffered or died because of pandemic and anyone who needs spiritual, physical or emotional healing of any sort.
5. At the dedication of the Healing Garden, **we invite everyone to bring a small stone, a pebble or a rock from your home** and toss it into the swale which runs along the edge of the Healing Garden. For we are living stones and each of us has a beautiful part to play in bringing healing and comfort to all our brothers and sisters. The symbol of our placing stones from our own homes along the end of the healing garden serves as a sign of our commitment to be a healing presence and balm for those in need.

I hope you will be able to join us on the 13th of June as we pray at the grave of Fr. Trivison and again on the weekend of our Anniversary, June 19th, 5:30pm indoor mass; June 20th, 10am outdoor mass. Together, let us "celebrate our past and build our future."

THE SPIRIT ON THE MOVE:

Where Are They Now? *Dusty Schroeder*:

I am now an Assistant Professor of Geophysics and (by courtesy) of Electrical Engineering at Stanford University. I use radar to study glaciers and ice sheets (like Greenland and Antarctica), their response to a changing climate, and their contribution to sea level rise as well as the potential habitability of Europa (the icy moon of Jupiter).

As a first-generation college student, the church in general - and Resurrection in particular - had a tremendous impact on me. It was one of the first spaces where I was a member of a community of educated adults. The discussions of homilies that I participated in after church or theology and social justice in confirmation class continue to shape the way I think about learning and teaching within a community and tradition to this day.

Food for the Fourth of July

The parish invites you to join in the summer food basket project "Food for the Fourth." We'll offer boxes of non-perishables, cleaning and paper products to about 50 households on Wednesday June 30. Also included are summer picnic items like hot dogs, watermelon and other fresh produce.

Look for a link next week to sign up to help, and to purchase specific items needed. Thank you!
