Have you recently refreshed your kitchen and wondering what to do with all those old towels?

The Angelus Center and School is in need of your **gently used kitchen tea towels, dish towels and dish cloths.**

You may drop off at the Parish office at your convenience.

Thank You!!!

Exciting possibilities as we prepare to RING in the new music ministry year...but we need your help!!

St. Michael Parish is currently one of only a few churches in the Wheeling area to have a handbell choir (and we are very proud of our ringers – in fact, we think they are rather inspire-RING!!). We are looking to expand our current handbell choir's options as well as begin some additional ensembles. The initial phase of this expansion is purchasing additional Malmark handbells in the upper octaves – these smaller bells are very versatile and will allow us to do some interesting things! However, we need your help and want to offer you the opportunity to donate a handbell(s) in honor or in memory of an individual. The memorial inscription goes inside the handle of each handbell (see the picture). For the bells in these upper octaves, the cost is \$400 to cover the expense of the bell, the memorialization and the cases to protect the bells. If you are interested in donating a bell at the \$400 per bell level, please reach out to the parish office and then I will contact you to collect the necessary information for the memorialization.

An additional phase of our expansion will require a higher level of support in order to acquire a very special set of handbells – these handbells (known as Whitechapel) were forged in the same foundry in England as the famed Liberty Bell. While these sets are more rare, some are becoming available and we would be interested in trying to acquire one of these sets. If you are interested in helping us at this level, please see me after Mass and I can explain in more detail.

Thank you in advance for offer-RING to help with this endeavor; your kindness and generosity are greatly appreciated.

From the Jim and Cindy Gilligan Family:

To those who prayed for Jim's health and our safe return, we can never thank you enough. Your prayers were answered. Jim is much improved and we made it safely home.

To those who donated, we are so humbled by your generosity and so appreciative. With the air ambulance paid for, we have no further need of donations. The remaining funds will go towards Jim's continued medical care.

We are so blessed to be part of this parish family and to have felt your support overseas, and enveloping our children here during this difficult time. We have prayed many prayers of thanksgiving for this community over the years, and especially over the last month.

Thank you so much!
