## 11<sup>th</sup> SUNDAY IN ORDINARY TIME

"To what shall we compare the kingdom of God, or what parable can we use for it? It is like a mustard seed that, when it is sown in the ground, is the smallest of all the seeds on the earth. But once it is sown, it springs up and becomes the largest of plants."- Mk 4:30-32b

## PASTOR'S NOTE

On this 11th Sunday in Ordinary Time we encounter images of the growth of plants—a shoot from the crest of the cedar (Ezekiel); the Lebanon cedar, the palm tree (Psalm); grain and mustard seeds (Mark).

What we must realize is that while we may work to plant (whether seeds or thoughts or faith) it is God who gives the growth. We may have gained all sorts of knowledge concerning botany, horticulture and agriculture through our studies, creation itself comes down to the creator. It is God who gives life. It is God who gives growth.

Paul reminds the Corinthians that “we walk by faith, not by sight.” While we may come to a better understanding of the world around us we cannot begin to comprehend God who is ancient, invisible and God only wise!

*Fr. Jeff*
