### LIVE THE LITURGY

#### Inspiration for the week

Who are the little ones? They are the many and varied faces of people who see hope in Jesus' message about the Kingdom of God. They have come to believe that there is a different world to be had: a place where everyone has a home, all have an equal opportunity to share in God's bountiful gifts and blessings, where justice reigns, truth presides, and peace fills hearts. The little ones are those who may have left their former views behind, perhaps even their former lives to follow Jesus and believe in the Beatitudes as God's world vision. They are the poor, the marginalized, the women and men at the well, the Zacchaeus' looking for Jesus from a tree, the blind who want to see, and the lame who want to walk. They are the lepers who have been told that they are unclean, and the ones who have learned that suffering and death are nothing to fear. These are all of the little ones. Jesus gathers and protects them as a shepherd guards his sheep. Whoever causes one of these little ones to sin deserves the greatest wrath. Be more concerned about what people are doing than where they came from.
