A NOTE FROM FATHER NORM'S DESK

4 | St. Vincent de Paul Catholic Parish

Do you consider yourself a missionary? We often speak of being missionary disciples. This basically means that our core identity ideally, is to be followers of Jesus Christ on a lifelong mission to share with others his Real Loving Presence in our daily lives. The Latin word Mission literally means to be sent forth – which is our call into everyday life at the end of every Eucharist, we pray and celebrate.

Beginning today (Sunday) we are presenting our Parish Mission. Please come each night if at all possible to be inspired to Live the Gospel in every circumstance of our lives – especially in family, work, and community involvement. I encourage you to invite others to the mission, especially those who may value a deeper understanding and experience of their faith. Many people have told me in previous missions that they came to a deeper awareness of how much the Lord wants to touch their mind, heart, and soul – giving them a deeper sense of meaning and purpose to their lives

Here Is the Mission Prayer:

Loving God –

You are the source of all that is good and loving and just in our world and in ourselves. We thank you for showing us through Jesus Christ your real and active presence in our Celebration of Eucharist. You nourish our deepest hunger for a Love that is Ever-Present and Ever-Loving.

We pray that as we are fed and transformed by your Body and Blood, we will become Eucharist, your Loving and Just Presence, making your difference in our world.

Continue to inspire us to be more grateful, joyful, and compassionate – to partner with you in making our world more the way you have created it to be.

There is a Jewish point of wisdom which states – “If you touch even one person, you touch the world.”

There is a song in our hymnal which states – “Go make a difference.” May we every day of our lives make a difference by showing people how much following Jesus Christ gives us the hope, joy, peace, and purpose that is not found elsewhere.

The third quarter of school ended this past Friday. Our students have been working hard throughout this school year. Their recent MAP Assessment scores have improved from our fall MAP test scores. I am proud of how hard our faculty, staff and students have worked this year.

Thank you for your continued generous support of our parish school! The boilers in the gymnasium area have been replaced and funds are being raised to replace the boilers in the cafeteria. We thank you for your continued spiritual and financial support.

Instant **Church Directory**[™]

Have you had a chance to fill out a "Membership Directory Information Consent Form" yet? It is the easiest first step you can take to join our parish's new church directory. This form can be found at the church doors or on the parish website. Once you have completed this step, either dropped off the form at the rectory, place it in the offertory basket, or send it to stewardship@st.vincentchurch.com. You will receive a welcome note. Once this has happened, our church directory will be available to view on your computer!

You can then go to <https://members.instantchurchdirectory.com/>. You will be asked to enter your email address as it's listed in our directory. If your email address isn't listed in the directory, let stewardship@stvincentchurch.com know so it can be added or corrected. Once you have entered your email address, follow the directions on-screen to complete the create log-in process. After you sign in, you'll see the most up-to-date directory for our church. Any time updates are made, they will show on the Online Members' Website, too.

Down the road you may want to even add this program to your mobile device by going to the app store and simply searching for "Instant Church Directory" to get the download.

Please note the correct email address to enter your information:
