## Belonging and Taking Ownership.

by  
Fr. Mark

Summer is a time for regrouping, spending time with family and friends and getting some projects done. In the church we celebrate many things, including many of the martyrs in June and many other things including the Goodell's Fair, Armada Fair, the St. Augustine Festival, and two of our parish patronal feast days—St. Mary Mystical Rose on July 13 and St. Augustine on August 28. I want to encourage you to participate in these events and get involved. This is my theme for our new fiscal year: Belonging and Taking Ownership. I want to make the appeal to each of you to get involved in parish life, whether in a ministry or team, or even praying from home and giving to support the parish. I encourage all of you to look into your hearts and pray, to see what you want to try or what you want to do.

Often, it's the same 10% of families doing most of the volunteering. In other words, please take ownership in your parish home; have skin in the game! I am encouraging all ministry leaders to be open to new members and ideas. St. Augustine once famously said of God, "Oh beauty ever ancient, ever new." It's good to hold to tradition with our feet firmly rooted in the Lord and his Church, and we need to reach out to others, evangelize and grow, which will challenge us to change our ways of doing things possibly, though without compromising on the tenets of our Faith. Consider joining a ministry! Expand ministry. Know that you belong and taken ownership. One of the ways I would like to encourage everyone to take ownership more deeply is by giving.

We will have a capital campaign starting soon at two of our three parishes for much-needed campus improvements. Also, the Catholic Services Appeal (CSA) has begun for our parishes.

Hopefully, you have received a mailing on this by now. As you know, CSA is the Archdiocesan fundraiser to continue providing helpful services to us on the parish level, including marriage and family resources, annulment assistance, forming new priests through the seminary, and running the operations of the Archdiocese. If we do not hit the goal amount that is set by the Archdio-

cese, they will take the balance from our savings. Additionally, the Archdiocese assesses our collections at 7%. Anything given to the parish is subject to this assessment, except the amount we exceed our CSA target. My friends, as Fr. Mallia and others have encouraged you in the past, so I am going to restate and make a strong appeal to you to please give to CSA. Once we hit our goal, 100% of all overage comes back to the parish without being assessed the 7%. Please give, give, give to CSA. Maybe consider a plan to give to CSA a little more than you did in the past. Once you do that, please give your normal donation amount once or twice per month to CSA. If you have not given to the parish or CSA in the past, please prayerfully consider giving. It helps us run our buildings (take care of water damage, complete preventative maintenance, etc) and provide staffing to keep the lights on and our programs running to spread the Good News of Jesus Christ and spread the Kingdom of God!

According to Archdiocesan reports, last year, Holy Family missed their goal by roughly \$2,800 with 19% of families giving; the balance was taken out of savings. St. Augustine exceeded their goal by roughly \$800 with 21% of families giving. St. Mary Mystical Rose exceeded their CSA goal by roughly \$15,000 with 18% of registered families giving. Thank you to everyone who gave!

**Here are our CSA targets for the 2024 fiscal year:**

- Holy Family** \$47,254 (a reduction of 3% from 2023)
- St. Augustine** \$78,226 (a reduction of 2% from 2023)
- St. Mary Mystical Rose** \$20,017 (an increase of 1% from 2023)

We need you. You belong. Please take ownership in your/our parish. Please give to CSA.

It's best thing for our parish financial health. Most importantly, pray for our parishes, parishioners, neighbors, staff, deacons and priests. We need divine help to motivate hearts to make this family work well.

You belong, so please take ownership. God bless you all! My prayers (and Fr. Anthony's and our beloved deacons') continue for you.

Please pray for us and each other.  
Fr. Mark

**Q.** It's such a challenge to watch a movie with my family these days. We will get started watching the movie and then a same-sex relationship becomes the center point or main character. For example, the main character has two dads that are affectionate towards each other throughout the movie. I've been in the habit of just stopping the movie and looking for something else. But now the kids are older they need a Catholic response to this open sin on full display. How can I respond to this appropriately to a middle school age and older child? Thank you for any tips.

**A.** I can't find a specific scripture, catechism reference, or textbook answer to fall back on. I could not find any official or unofficial Catholic direct response to your question. So, be forewarned, the following is coming from my personal thoughts, not Catholic teaching per se. However, I believe I am in keeping with Catholic principals with the following:

Keep doing what you have been doing. Turn the filth off immediately. Do not pollute your screen, your home, your own eyes, or the eyes of these impressionable pre-teens and teens. However, when they have seen or heard something, this age group needs a direct and immediate response. An age-appropriate conversation is in order. A seventeen-year-old will require a different approach than will a twelve-year-old. Address the issue head on. But what do you say? How do you say it? I don't know..... But God does.

Matthew 10:19-20: "... do not worry about how you are to speak or what you are to say. You will be given at that moment what you are to say. 20 For it will not be you who speak but the Spirit of your Father speaking through you." WOW! Jesus promised supernatural guidance.

Children today are bombarded by evil from all sides. Satan is trying to entice them into a world of sin and self-destruction. Social media, the public school system, their peers, the medical field, elected officials and news outlets all openly conspire to destroy the family. I believe the single most important thing you can do is to keep your child off social media. If it's too late for that, monitor their activity as best you can. Our public school system with its woke teachings and erosion of parental rights is an equal danger. Keeping them from these most evil environments will help them to be more open to your guidance. You cannot and should not try to shield them from the sickness that prevails. Rather, allow them to learn through the lens of your Christian perspective, not societies distorted perspective.

Back to your question, take advantage of **FORMED**. It is referred to as the Catholic Netflix. FORMED has a wealth of valuable material, a great alternative Hollywood's corruption. They have bible studies and movies for all age groups. Toy will find cartoons with a message for younger kids. It is paid for by The Merciful Love of Jesus Family of Parishes and free to individuals and families.

# Class of 2024 Final Thoughts...

by: Moira Walker

As the year comes to a close, I was told to look back and write about my time at St. Augustine. Although I have only been here for two years, I can proudly say that it has been the best time. I don't think there is any other school in this world that feels more like a family than it does here. I know this because I came from a school where the academics were not high. Nor was I challenged to be the best version of myself. So, to say it was overwhelming and a struggle to adapt is an understatement. But on my first day here, I knew I was in good hands. Thanks to the great staff at St. Augustine, I quickly started to understand and feel like I was part of this wonderful family. Now I am learning new things and being tested to my full potential every day. Also, with role models like Mrs. Lenn to look up to, we all strive to be the best version of ourselves.

Some of the greatest memories I have made at St. Augustine were during lunch and recess. I don't think I have ever laughed as much as I did during my time here because everyone at this school works day and night to make it feel like a safe and healthy environment. I know this because when I shadowed at St. Augustine in 6th grade, I felt terrified. This was not because it had only been 2 weeks since the St. Mary v.s St. Augustine showdown but also because I was worried that I was going to be judged. I am happy to say that couldn't be further from the truth. Every teacher welcomed me with a warm smile, and during morning prayer, Mrs. Lenn introduced me in front of the whole school and everyone clapped! After that experience, I knew I was going to love it here. Now, I am thriving and enjoying every little moment I have left at St. Augustine.

Lastly, I would like to give credit where credit is due and thank our wonderful teachers who have helped guide and shape us into amazing young adults.

### **What is the Best Part of Being Catholic?**

By: Anastasia Kapa  
 7th grade student— St. Augustine Catholic School

The best part of being Catholic is the Sacrament of Confession. We sin, even though it's bad, we can be forgiven. Jesus accepted us into the Catholic faith and he died on the cross for us just so our sins were forgiven. Even after Jesus died we continued sinning so humans still needed to go to confession and be forgiven. Some people say that and probably think "Your sins can't just be forgiven!" But that's not true. Jesus gave us a way to be forgiven and if our sins aren't forgiven we are prevented from spending eternal life with him.

Another one of my favorite parts of being Catholic is being able to pray whenever you want to and no one can stop us/hurt us. When we pray we connect with God, and through confession, we can ask God to forgive us. We can pray to Mary, not like we do with God but we can pray to her thanking her and asking her for guidance. During prayer we find happiness and peace with him, sometimes we can even sit in silence. I can also meditate if I want to just like we do in Mr. Austin's class. We can listen to calming music, reflecting on many things. You can even pray the rosary while meditating.

I love reading the Bible as well and I'm glad I have this in my life. I am so happy that my family and I are religious and that we are involved in the [Catholic] faith. Reading the Bible gives me great joy, brings me closer to God, and helps me understand more about our faith. The Eucharist is also another very important part of our faith where we receive the body of Jesus. We have the privileges of receiving this and the blood of Jesus Christ. I pray that people convert to [Catholicism] and this gives them a reason why.

**DO YOU BELIEVE?  
WOULD YOU LIKE TO  
BELONG?**

The OCIA or Order of Christian Initiation of Adults is the process by which Catholics invite those who are interested in becoming Catholic to join the community in a journey of faith.

**IF YOU OR SOMEONE YOU  
KNOW IS...**

- Baptized in another faith and now desires to be Catholic
- Has never been baptized and is seeking information about becoming Catholic
- Is engaged or married to a Catholic, and would like to understand more about the Catholic faith
- A baptized Catholic but has not received religious formation or celebrated the Sacraments of Eucharist and Confirmation

God calls each of us in His own time and His own way. OCIA is a process to help people with questions determine their path to grow in faith.

There is **NEVER** pressure to make a commitment.

All are welcome.  
Call any of our parish offices for more information.

# ULTREYA

The Faith sharing group, Ultreya, will continue to meet through the summer on the third Monday of the month at 7 pm. Holy Family will continue to share this experience with St. Francis-St. Maximilian-Kolbe every other month.

In previous articles I have explained that this faith sharing experience is called Ultreya. Ultreya being the means of perseverance for anyone who experienced a Cursillo weekend. That being said, an Ultreya is open for anyone to come. If they have participated in a Cursillo weekend, if they never have, or if they never intend to, they are welcome. It is basically a faith sharing group of like-minded Catholic Christians.

Everyone is encouraged and welcome to join us. It is a beautiful night of prayer, sharing, insight and growth in our faith. Nothing will be expected of you but to attend and enjoy some prayerful time with fellow Christians. It is Holy Ground, a place where you can be yourself, share your story, and not worry about your words leaving the room, priceless.
