Via Laura

We begin the final stretch of our Lenten Journey with great expectation and hope. Holy Week is the holiest of all the weeks in the liturgical year. The days between Palm Sunday and Easter are opportunities to journey with Jesus from sorrow to joy, despair to hope and death to life. These are days to allow the energy and presence of the Spirit to touch us in prayer, symbolism and ritual. The journey of mind and heart will allow us to stand before the miracle of the empty tomb with wonder, awe and joy.

Monday, Tuesday and Wednesday are days of prayer and reflection. We will celebrate the Sacrament of Reconciliation here at St. Louis on Tuesday, March 30 at 7:00pm. I know the thought of "confession" makes some people nervous, but I urge you to come and experience the personal healing and peace-of-mind this evening can bring. Let us allow the Spirit to fill our very being with calm and peace as we prepare for Holy Thursday, Good Friday and Holy Saturday/Easter Sunday.

In the early days of the Church, these final three days were perceived as one prayerful and prayer-filled experience that marked the Passion, Death and Resurrection of Jesus. What begins on Holy Thursday with the remembrance of the washing of the feet and the Last Supper, leads us to the death of Jesus, which is painfully remembered on Good Friday and joyfully culminates with lighting of the new fire at the Easter Vigil celebrating New Life. Death leads to Life; Darkness leads to Light; and Sorrow leads to Joy. This is the story of our Faith. This is the story of our lives. This is the story of being a people of mercy and healing. This is the story of a people willing to attempt to mend our brokenness just for a chance to take part in the feast!

REMEMBER YOUR BELLS for the Gloria on Holy Thursday & Easter Vigil Liturgies.
Anything that melodiously rings or dings is welcome to chime-in to this celebratory song!

LARRY Land
St. Louis Catholic Community

A new planting season is upon us and the Larry Land Committee is preparing the next step… Arborvitaes *(pssst those are tall shrubs)*. Plans call for approximately twenty, 5-foot Arborvitaes at $120 a piece, which are best planted in May. If you'd like to donate towards our shrubbery fund, please contact the parish office. Any amount of funds will be accepted — half a bush, a whole bush, a branch, etc.

(Plaques are not available for shrub donations.)

Our next project will be the construction and planting of a charity garden to benefit our neighbors in need who obtain assistance from our food pantry.

Donations and requests for Memorial tees are on hold for the time being, as we need to do more planning on how the rest of the space will be used.

Everyday Stewardship

Recognize God In Your Ordinary Moments

Walk Every Step With Christ

Holy Week is a week for being mindful. We must set loose the baggage of Lent, and not be deterred by the dazzling sunrise of Easter morning beckoning in the distance.

It's okay for us to be excited for Easter. We've waited so long, after all. In my opinion it's one of the best feelings there is: the yearning we have in our hearts for the Resurrection as we embark on Palm Sunday. And in a purely logical sense, many of us have Easter celebrations for which we are preparing, and practical considerations to contend with. It's going to be a busy week, one likely full of happy distractions.

But my friends, we simply must keep our feet on the ground. Let's not "skip" Holy Week. Resist the urge to flip to the last page of the book, to fast-forward to the final scene of the movie. Don't rob yourself of the journey. This week is a blessed opportunity. It is this week that teaches us who we are. In the span of the Triduum, we have the birthday of the priesthood, the institution of the Eucharist, the sacrifice on Calvary and so many other vivid and meaningful scenes.

It may sound strange, to advise someone to savor the moments of Holy Week. There are so many violent and heartrending moments, after all. But this is the valley of tears, remember — we are not in Heaven yet. And here, in our fallen, sin-filled world, it is the heartrending moments that seem to matter the most.

These are the moments that define us as Catholics. Live them. Cherish them. Be present for each one.

Make sure everyone in your group is aware that social distancing and masks are mandatory.

Receiving EUCHARIST

Distribution of Communion during the pandemic will be as follows:

- If wearing gloves, remove them at your seat before processing up.
- Maintain a 6 ft. distance between people at all times. When you arrive at the front of the line, safely move your mask down or remove the elastic from one ear to expose your mouth.
- The reverence and the verbal exchange should take place 6' away from the Eucharistic minister. The minister will offer you the Eucharist with "The Body of Christ", you will reply "Amen", THEN step forward to receive.
- While you have the option of receiving the host on your tongue, we are requesting you forgo this and receive by hand. When you do receive by hand, you must do so without gloves on and without touching the minister or the minister touching you.
- After receiving, carefully put your mask back on and return to your seat. If you have personal hand-sanitizer, we suggest using it as soon as you sit down.
- Those requiring gluten-free hosts, please see the Sacristan prior to liturgy.
- The distribution of the Precious Blood will be suspended at this time.

BACK TO BASICS with Fr. Bill

The Seventh Day Adventist begin with a Baptist born in 1782. In 1812, he got caught up with all the Armageddon predictions in scripture. *(The end was supposed to happen on March 21, 1844 so much for that one.)* The various number of Adventist groups came together in 1845 and the denomination was formed. They are called Seventh Day Adventist because they believe the Hebrew scripture Sabbath, Saturday, is the proper day of worship and rest — it is the proper way to await the soon advent of the Lord. it is interesting that they consider foot-washing to be a sacrament, which takes place in preparation for the Lord's Supper. The Lord Supper is celebrated as an expression of faith in Jesus and Jesus himself is present in the ceremony to strengthen His people. It is notable that women cannot be ordained . In 1925, a reformed Church was created where baptism must be by immersion. After Jesus returns, the new earth will become the eternal home of the redeemed, and God will dwell with his people. People are unconsciously following the moment of death and remain so with the resurrection. Wretched people will not suffer in hell but they believe they will simply be annihilated. Again, this is a Christian religion that reads into the signs and symbols of the scriptures in a more literal sense. More next week. *Bill*

Returning to Church? Protective Covid-19 Measures in Place:

•Masks/face-coverings are to be worn from the moment you enter the building until you walk out the doors.

•Windows in the Sanctuary will be open — even on cold days.

•Try with all your might to refrain from hugging and shaking hands. Elbow and hip bumps are a delightful alternative.

•Households or quarantine-teams will be seated together with 3 to 4 seats (This equals the 6 ft Social Distance) separating you from other households.

We thank you all for helping us keep our community safe.
