THE ASCENSION OF THE LORD

Words from

Father Norm

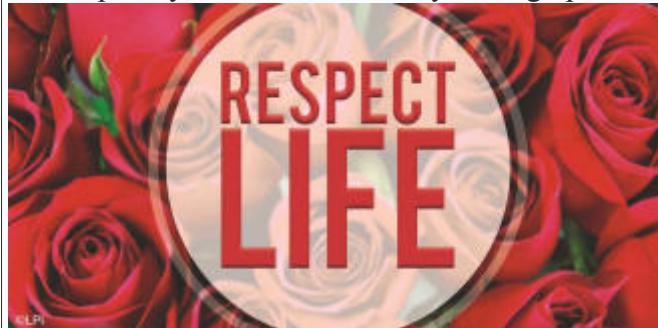

As Jesus is taken up from the sight of his apostles, the angels question them; "Men of Galilee why are you standing there looking at the sky?" We, like these first apostles, are filled with longing; they want Jesus to remain with them; don't leave us alone. Watching him slowly fade from their sight and now fearful because Jesus has left them with a command to spread the faith, but how? They have only a simple theology, no formal education regarding the life of faith and a very loose plan for the structure of believers in Jesus. They were gradually coming to the realization that the Jewish faith was only the basis for a new and radical way of relating to God. Indeed, Jesus was the new way to understand who God is and was. Their peers hated them, were appalled at their theology, persecuted them, put them in prison—basically a death penalty—they stoned them for their radical belief that the Man Jesus was more than human, he was the Son of God.

THE ASCENSION OF OUR LORD

Brothers and sisters, in our modern world why are we still looking up to the sky when we should be looking in the mirror to find the living God in us. The world still challenges us. We still do not have the respect for life as God's gift to us. The politics of many nations support a women's right to terminate the life of her child, but following something as basic as the Ten Commandments, Catholics can't uphold any such right. Taking a life breaks our relationship with the author of all life "You shall not kill" and this applies from womb to tomb.

Consequently, we cannot stand by staring up into the sky, we must take a firm stand for human life, all human

life. We must actively support those who are opposed to abortion, opposed to euthanasia, opposed to the death penalty. God makes all life sacred whether it is the life of a child in the womb or one who has violated and taken the life of another. We stand, not looking up at the sky, but looking squarely into the eyes of opposition, we support life and will never support the culture of death. Please give your support to all the organizations who legally support human life. Let's not just look up at the sky.

Fr. Norm

What instructions does Jesus give his disciples?

By what signs will belief in Jesus be recognized?

THE ASCENSION OF THE LORD AND THE SEVENTH SUNDAY OF EASTER

Family Conversation Starters

- What does Jesus command us to do in today's Gospel? How can we "go and proclaim the Gospel to every creature"?
- Jesus said that great signs will accompany those who proclaim the Gospel. Where does that power come from?

Family Fun

Make a Kite

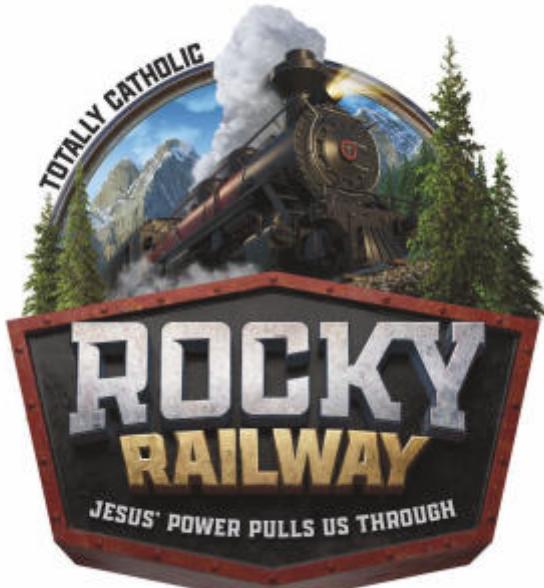

Kites remind us of Jesus' ascension into heaven. Here is one way to make a simple kite using common household supplies. Supplies: Paper lunch bag, Yarn or strong string, Scissors, Popsicle stick for each kite, Streamers, tape, crayons, stickers, construction paper to decorate the kite.

First, decorate your kite using the supplies you have. Then, using the scissors, cut a small hole at the bottom base of the bag. Cut a piece of yarn or string that is about 2 feet long. Secure one end to the middle of the popsicle stick; this will help keep the string inside the bag when the kite is flying. Feed the other end of the string through the hole in the bag. If you desire, use tape to hang streamers from the open part of the bag to wave when you fly your kite. Your kite is ready to fly!

Family Prayer

Prayer Over Family Members

Jesus, our Lord, we worship you. You are our brother and our Savior. We look forward to the glory of Heaven, but until that time, you have commissioned us to proclaim the Gospel. Bless us, Lord, and help us be a blessing to others. [Pray the following prayer individually over each family member. Invite everyone else to place their hand on the person's shoulder.] Bless [name of family member] and give [name] the grace and wisdom he/she needs for this day and strength for carrying out your will. Help [name] proclaim the Good News of Jesus in word and deed today and always. Help us to always seek you, Lord. We look to you for guidance, strength, and all that we need. Amen.

CONNECT! SUNDAY REFLECTION: THE GOOD NEWS OF TRANSFORMATION

A woman in her mid-eighties recently remarked about her feelings of heightened anxiety when she ponders how much time she may have left on this earth. In her mind her earthly time clock is rapidly winding down and the end seems very near. Is this a worry due to a lack of hope, a sadness and angst because enough has not been accomplished, or a normal response to the inevitable change that is soon to come? We often see ourselves solely in human terms with life being lived only within the parameters of our birth and our physical death. Decisions we make, priorities we establish, how purposeful and relevant faith is to us and our sense of accomplishment and well-being play out within this limited realm of time and space. When God became one with us in Jesus Christ, a clear message was sent to the world and to humans in particular. God, who is revealed so perfectly in Jesus Christ, showed us that we have value and are made in God's image and likeness. Mortal human beings radiate with the presence of God and are worthy enough to reveal the intimacy of the Divine Mystery. The human story can now be understood as a partnership, a true and new covenant, celebrating a love relationship between all of creation and their Creator. It is a story that does not solely play out within the confines of this world, nor is it a story that ends with the Cross or even the Resurrection. The human story finds its happy ending in the Ascension. Our human narrative is still evolving and moving ever more closely toward that day when all will be one in Christ and we will be transfigured. Today reminds us that Jesus now sits at the right hand of the Father as the Christ of God. In this ascended state, we are able to see what we are all meant to become. We have before us this transformed life to anticipate. The disciples got a glimpse of what this transfiguration would be when they ascended the holy mountain. This inheritance that awaits us is an essential part of the Good News we are called to proclaim! Christ, now ascended to the Father, sets our paths straight and gives us a look at what awaits us. But we often journey through our lives as though we are walking through a barely lit windowless room. We think about ourselves only in terms of what we know and have a difficulty seeing and believing what we can be and can't yet understand. After all, faith has much less to do with what we can see than with what cannot be seen. The day-to-day challenges of life find us struggling with our incompleteness. This is especially true when we begin to ponder our happiness, accomplishments, goals, desires, and feelings about how well we have done with life. Our unenlightened and dimly lit eyes fail to see the beauty of what is yet to be. We are most certainly, with the passing of each year, not winding down to life. In every real and splendid way, we are very much winding up to life and the surprises that are yet to come on our journey. Imagine how differently we would feel and how creative we would become if we gave more attention to who we are becoming! Focusing on what we stand to gain and not on what we will one day lose is a game changer for sure. Time is no longer the enemy of limitations but the eternal blessing of endless possibilities. This is why our participation in the mission of the church is so essential. First, we are asked to go and proclaim that Jesus is the Christ. This includes, along with all of the other Gospel prescripts, the truth about who God is and who God made us to be. Second, it involves continuing Christ's work of teaching and healing so that all of God's children can jubilantly prepare for the eternal transformation to come! The message of the Gospel is not limited to the matters of this world only. It is directed toward helping human beings understand who they are and healing them from all those things that can make them a lesser version of that. It is no wonder then, why the poor hold such an honored place in Jesus' ministry. They speak of God's love and they cry out for the compassion that is due them as children of God. Justice is about putting all of our relationships in proper order because we are all filled with the beauty of God's love and have dignity. Of primary importance is our relationship with this world and fighting the tendency to see it only as an end to something that began years ago. The human story, when understood through the Ascended presence of Christ, is truly a love story. It is a Divine romance that is always creative and new, exciting and uplifting, healing and restoring. We are held in a perpetual bond of tenderness and mercy. What does it matter, then, how old we are or how much time we have left in this world? Today's celebration gives us the strength to persevere, knowing that whether we are as we know ourselves today or who we will be in eternity, all is well. May our hearts be enlightened and the rooms of our lives brightened so that we can know this hope and the surpassing greatness of Christ's power! Go now in peace and tell others about this Good News! *Fr. Mark Suslenko*

2021 CATHOLIC SERVICES APPEAL

We started CSA during Lent because the spiritual heart of Lent is '**prayer, fasting, and almsgiving**'. Let's make our monetary contributions a spiritual gift, true almsgiving, a gift dedicated to the love and mercy of God. What better way to share our abundance than to support the growth of faith in our Roman Catholic Church through our giving of alms for the benefit of the faithful of our Archdiocese and our outreach to those who are unchurched or whose faith lies dormant. Let's show our love of God, by showing our love of neighbor in Southeast Michigan.

As of 4/26/2021, we have 215 pledge cards returned totaling \$81,230.00. The amount of paid pledges is \$58,380.00. Thank you to our parishioners who have already participated in spreading their love of neighbor.

Our goal is \$94,554. Our number of parish households is 615. Please prayerfully consider your almsgiving to assist with the [Catholic Services Appeal](#). Come together and make a difference through the CSA annual collection...Give online at <http://saintliz.aodcsa.org/>

2ND ANNUAL CLAWSON KNIGHTS OF COLUMBUS VIRTUAL FOOD DRIVE

The Knights of Columbus Council 4188 – Clawson MI, invites you to help raise money to enable Gleaners Community Food Bank to stock their shelves!

The drive runs through May 24th. Our goal is \$10,000 donated from members of Council 4188, parishioners at our three churches, friends and family, and the community.

Why \$10,000? Last year we raised \$5,707. Let's do our best to double it! All donations are matched 1:1. \$10,000 turns into \$20,000. \$1(yes one dollar) provides 3 meals. That's 60,000 meals when we hit the goal!

Council 4188 got the ball rolling with a \$250 donation. Please click in the link below to donate.

SILENCE BEFORE MASS: A GENTLE REMINDER

A few years ago, Pope Francis called out the common habit of chatting with people before Mass, stressing that this is a time for silent prayer, when we prepare our hearts for an encounter with the Lord.

“When we go to Mass, maybe we arrive five minutes before, and we start to chitchat with those in front of us,” the Pope said. However, “it is not a moment for chitchat.”

“It is a moment of silence for preparing ourselves for dialogue, a time for the heart to collect itself in order to prepare for the encounter with Jesus,” he said, adding that “silence is so important.”

A PRAYER FOR SPIRITUAL COMMUNION

My Jesus, I believe that you are present in the Most Holy Sacrament.

I love you above all things and desire to receive you in my soul.

Since I cannot at this moment receive you sacramentally,

Come at least spiritually into my heart.

I embrace you as if you were already there And unite myself wholly to you.

Amen.

The general dispensation from the obligation to attend Mass on Sundays and Holy Days of Obligation expired on March 13.

While the general dispensation is removed, there are specific instances where the dispensation will continue, as well as those circumstances where there is no obligation in the first place. One does not have an obligation to attend Mass on Sunday in the following circumstances:

1. You are ill or your health condition would be significantly compromised if you were to contract a communicable illness (i.e., you have underlying conditions or are in a high-risk category). Please use the dispensation and do not attend Mass.
2. You exhibit flu-like symptoms. Please use the dispensation and do not attend Mass.
3. You have good reason to think you might be asymptomatic of a contagious illness (e.g., you were in recent contact with someone who tested positive for a contagious illness such as COVID or influenza). Please use the dispensation and do not attend Mass.
4. You care for the sick, homebound, or infirmed.
5. You are pregnant.
6. Those 65 years of age or older (per the CDC's recommendation of high-risk individuals).
7. You cannot attend Mass *through no fault of your own* (e.g., no Mass is offered, you are infirmed, or, while wanting to go, you are prevented for some reason you cannot control (e.g., your ride did not show up, the church was at capacity).
8. If you have *significant* fear or anxiety of becoming ill by being at Mass.

Now that the general dispensation from attending Mass has been lifted we will no longer be offering the Communion Service on Sundays.

- Daily Mass on Mondays, Tuesdays, and Wednesdays in the main church. On Monday evenings, the Rosary will be prayed at 5:30 pm and Mass will be celebrated at 6:00 pm. On Tuesday and Wednesday mornings, the Rosary will be prayed at 8:00 am and Mass will be celebrated at 8:30 am. Weekend Masses are on Saturday at 5 pm and Sunday at 9 am (livestream) and 11 am.

St. Joseph: spouse of the Virgin Mary, foster father of Jesus, and patron saint of the universal Church. In celebration of the 150th anniversary of Blessed Pope Pius IX's declaration of St. Joseph as Patron of the Universal Church, Pope Francis has proclaimed a special "Year of St. Joseph." It is a wonderful opportunity to increase our love for St. Joseph and knowledge, "*to encourage us to implore his intercession and to imitate his virtues and his zeal*" (*Patris Corde*).
