ST. STEPHEN ADORATION CHAPEL
Twelve Reasons from the teachings of the Church for wanting to spend one hour with Jesus in the Blessed Sacrament

8. The best time you spend on earth is with Jesus, your Best Friend, in the Blessed Sacrament!

“How great is the value of conversation with Christ in the Blessed Sacrament, for there is nothing more consoling on earth, nothing more efficacious for advancing along the road of holiness!”

Pope Paul VI
Mysterium Fidei

Our St. Stephen Adoration Chapel is open 24/7 where Jesus is waiting, present in the tabernacle, to spend time with you.

Stop by the Welcome Table to receive instructions for the use of the Chapel and the access code for the outside door.
Fr. Peter’s Post

We have celebrated the solemn feast of Corpus Christi. It is three feasts in one: the feast of the Eucharistic sacrifice, the feast of the Sacrament of the Eucharist and the feast of the Real Presence of Jesus in this Sacrament.

Corpus Christi is a doctrinal feast established for three purposes: 1) To give God collective thanks for Christ’s abiding presence with us in the Eucharist. 2) To instruct us in the Mystery, Faith and devotion surrounding the Eucharist. 3) To teach us to appreciate and make use of the great gift of the Holy Eucharist, both as a Sacrament and as a sacrifice.

In the Old Testament, from time to time, we get glimpses and hints of Jesus who is to come and in events or people who are pointing the way to Jesus. In Gen 14:18-20, the priest Melchizedek is one of those people in the Old Testament giving us a glimpse and hint of Jesus to come. Melchizedek was a priest and Jesus is the High Priest of the New Testament which the response to our Psalm today prophesied, “You are a priest forever according to the order of Melchizedek.” Melchizedek brought bread and wine which is a foreshadowing of the Eucharist that Jesus would give.

1Cor 11:23-26 is a description of the Last Supper that is very precious to us because it is the oldest account of the Last Supper in the Scriptures, written even before the Gospels. Jesus said, “This is my body...” He did not say, “This is a symbol of my body” or “This represents my body” but Jesus said, “This is my body.” Transubstantiation is the name we give to the bread and wine changing into the body and blood of Jesus while maintaining the appearance of bread and wine. Trans-substance, the substance is transformed while maintaining its external appearance of bread and wine, thus transubstantiation.

In the Gospel of Luke 9:11-17, Jesus performed a miracle by feeding thousands from only five loaves and two fish. This miracle is preparing for the greatest New Testament miracle, the Eucharist. Jesus performed the same four actions over the bread and fish when he multiplied them as he would do later over the bread and wine during the Last Supper; He took the bread and fish, said the blessing over them, broke them, and gave them to his disciples.

Finally, the solemnity of Corpus Christi, is what Christ offers us, His Real Body and Blood, real food and real drink which is the core of our faith. In the Holy Eucharist, Christ draws us closer to himself. Christ is present with us in the Holy Eucharist as the head of the Church.

As we continue with the celebration of the Holy Mass, let us be thankful to the Lord Jesus for His Body and Blood that assures us of our salvation, and let us remember throughout the week that as new creations, we are called to feed on the Sacrament of the Holy Eucharist so the Body and Blood of Christ may transform us into His likeness. Let us adore Christ saying, “O Sacrament Most Holy, all praise and all thanksgiving be unto you.”

As you all have heard I am going to be moving to St. Michael Holy Angeles Church in Livonia, (11441 Hubbard St., Livonia, MI 48150) this July, to be the associate pastor. I will have a new place to live, new people to see every day and a new family to pray with. It is a part of the life that I live, but it is hard. St. Louise has been such a wonderful place to have been my first assignment as a priest in the USA. I see the parishioners more than I see my family. This has been one of my greatest blessings. I loved helping people and bringing the presence of Christ’s love and mercy to them in their time of need.

Most of all, I will miss the generous heart of this parish. Anytime I have needed anything for ministry or help in a ministry I have always been overwhelmed by the generosity of this parish. Your giving nature shows that Christ is at work in you and it is a breath of fresh air.

It’s not easy to be a Priest in these days, because when the power of good is ruled in our heart, Satan is not quiet, always acting against the good. Pray for the priests, pray for me. God’s work is done in the church in a beautiful way through the power of the Holy Eucharist. Without the Eucharist there is no priesthood in the church. So you have to love the Holy Eucharist until your death. My brothers and sisters, when you attend a Mass, let it be as the first Mass of your life time. When you attend a Mass, let it be the best Mass of your life time, because you do not know if it will be the last Mass in your life time.

God’s blessings,
Fr. Peter
GOSPEL MEDITATION
ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Have you ever heard that the Gospel is radical? In our times, we hear that word and think of fundamentalists, radical activists, or extremists - people who go beyond limits to achieve their goals and may not consider themselves bound by normal propriety or morality. Their ethos might not be so different from James and John in today's Gospel. "Lord, do you want us to call down fire from heaven to consume them?" This isn't so foreign to some of the stories of the Old Testament. Yet Jesus rebukes them. He won't be exacting in the way his contemporaries expected. There will be no radical rain down of fire and brimstone. Jesus is radical in another way: the call to discipleship. "The Son of Man has nowhere to rest his head." "Let the dead bury their dead. But you, go and proclaim the kingdom of God." "No one who sets a hand to the plow and looks back to what was left behind is fit for the kingdom of God." These can be difficult passages to read. These are not normal things to hear! It can be easy for many of us to avoid the exacting nature of the Gospel, which might not be what we think it is. James and John wanted to set the bar high for others on the outside and to punish those who didn't meet that standard. Jesus sets the bar high for his disciples, those who say they want to follow him. He may be using some hyperbole, but it's only to send a clear message. This is a radical call, one that has a cost. To truly put God and others first, before ourselves, will involve sacrifice. How is Jesus asking you to be radical today?
**PRAYER for the NEXT PHASE of UNLEASH THE GOSPEL**

HEAVENLY FATHER,
Thank you for the abundant graces of Synod 16: for awakening in us the vision and resolve to become again your Church on mission, eagerly working together to “make disciples of all nations,” according to our commission from the Lord Jesus.

Pour out upon us your Holy Spirit, as a new Pentecost, to guide us in our next phase in our movement to Unleash the Gospel. By his power at work in us, transform our parishes into bands of joyful missionary disciples.

COME HOLY SPIRIT:
Set our hearts on fire to share the Good News of Jesus with all those who stumble in darkness, who hunger for hope, who thirst for eternal life. Above all, grant us the boldness and courage of the apostles to put the mission above all else, so that our community becomes the spark to ignite the fire of divine love that transforms this time and this place into the Kingdom of Heaven.

We pray through the intercession of Our Lady, Star of the New Evangelization, and her mother, our Patron, St. Anne; and in the spirit of Blessed Solanus we thank you ahead of time for “accomplishing in us far more than all we ask or imagine.”

We ask all of this in the all powerful name of the Lord Jesus Christ, who lives and reigns forever.

AMEN

**INDEPENDENCE DAY**

Today throughout the United States, we celebrate our freedom. Our rights are protected and opportunities abound. We recognize that freedom has a cost, one we celebrate and honor on days such as this. It’s good to honor those who fight for our country, who may well pay the ultimate price for the liberties we’re afforded. As faithful Catholics, we recognize that there is more to freedom than simply being at liberty to make our lives what we want them to be. St. John Paul II reminds us: "Freedom is not just doing what we can, it is doing what we ought." We become freer within ourselves and within our relationships when we choose what is right and good. When we choose sin, we become trapped in egoism - less free, not more. This Independence Day, let’s continue to pursue virtue and good character and encourage others to do this same.
Born on October 16, 1890 in Corinaldo, in the Ancona Province in Italy. When her father died of malaria, Maria's mother had to struggle to feed her children.

Maria's mother, brothers, and sisters worked in the fields while she cooked, sewed, kept the house clean, and watched her youngest sister Teresa. Though the family's circumstances were extremely difficult, they were very close and loved God.

On July 5, 1902, her 18-year-old brother or neighbor - it is unclear which - tried to rape her, she fought him and screamed, "No! It is a sin! God does not want it!" At her words, Alessandro began to choke her and she said she would rather die than submit. Upon hearing her words, Alexander pulled out a knife and stabbed her eleven times. When she attempted to reach the door, he stabbed her three more times then fled.

Maria's family found her bleeding on the floor. They quickly took her to the nearest hospital in Nettuno, where she underwent surgery without anesthesia.

Unfortunately, her wounds were beyond the surgeon's ability to help. Halfway through the surgery, the surgeon asked her, "Maria, think of me in Paradise."

The next day, Maria forgave Alessandro and said she wanted to see him in Heaven with her. She died that day while looking upon an image of the Virgin Mary and holding a cross to her chest.

Alessandro was captured and questioned. He admitted Maria was a physical virgin as he was unable to assault her and he was sentenced to thirty years.

Alessandro remained unrepentant for his actions until he had a dream that he was in a garden. Maria was there and gave him lilies, which immediately burned in his hands. When he woke, he was a changed man. He repented his crime and lived a reformed life. When he was released 27 years later, he went directly to Maria's mother and begged her forgiveness, which she gave, saying, "If my daughter can forgive him, who am I to withhold forgiveness?"

Maria Goretti was beatified by Pope Pius XII in a ceremony at Saint Peter's Basilica on April 27, 1947. Three years later, on June 24, 1950, Maria was declared a saint and Alessandro was present in the St. Peter's crowd to celebrate her canonization.

Saint Maria is called a martyr because she fought against Alessandro's attempts at sexual sin; however, the most important aspects of her story are how she forgave her attacker - her concern for her enemy extending even beyond death - and the miracle her forgiveness produced in his life.

Images of Saint Maria often represent her with wavy hair dressed in either white or farm clothes and is often depicted holding lilies.

VENERATING A SAINT'S RELIC

Veneration of a relic is giving thanks to God for the saints holy life and praying for the grace to imitate them. We can also ask saints to pray to God for us, for others, and for our own special intentions. This is a beautiful practice that brings us close to those who walked before us in the sign of faith.

When venerating a relic it is appropriate to honor and respect the saint by performing a simple exterior gesture: you can kiss or touch the glass case that houses the relic, or simply stand near the relic in a prayerful attitude. Other acceptable gestures include signing oneself or kneeling in prayer. Whatever gesture you use to venerate the relic, it must not be done out of superstition, but out of love for the saint and for God.

Please keep in mind you should NOT genuflect before the relic as you would genuflect before the Blessed Sacrament, as that type of veneration is reserved for Christ alone.

A GUIDE FOR GIVING

I do not believe one can settle how much we ought to give. I am afraid the only safe rule is to give more than we can spare. In other words, if our expenditure on comforts, luxuries, amusements, etc. is up to the standard common among those with the same income as our own, we are probably giving away too little. If our charities do not at all pinch or hamper us, I should say they are too small. There ought to be things we should like to do and cannot do because our charitable expenditures exclude them.

--C.S. Lewis

St. Louise has now raised $55,860 in pledged amount toward our 2019 CSA target of $77,000. Thank you to the 203 parishioners who have already pledged their support. The ministries, programs, and services that the Catholic Services Appeal funds help us unleash the Gospel in our own parish and throughout southeast Michigan and beyond. Truly, we are Opening Doors to Witness Christ!

Any gifts we receive over our target will be returned to our parish in full. We plan to use our CSA refund towards operating and capital expenditures. If, however, we do not meet this target, we will have to make up the shortfall from our general fund.

If you are still prayerfully considering your CSA pledge, you may bring your completed pledge card to Mass next weekend or drop it by the parish office. You may also pledge your gift to our parish’s campaign online at give.aodcsa.org.

LPI PUBLICATIONS

During the week of July 8, Tim Griffith, a representative from our bulletin publisher, LPI Publications, will be seeking new and renewing present parish bulletin ads. If you are interested in advertising, see the adjacent article for contact information. This is an excellent opportunity for local businesses to increase their visibility in the community. Advertising in the bulletin allows this publication to be printed each week at no cost to the parish. If you know of someone or a business that would like to place an ad, pass this information on to them. Thanks, and don’t forget to support the bulletin advertisers.
