ST. MARY MAGDALENE
FEAST DAY ~ JULY 22

With some other women, Mary traveled with Jesus and the apostles during his ministry. Her great love for Jesus was expressed when she faithfully stood near the cross after the other disciples fled. She brought spices to anoint Jesus’ body on Easter morning and became the first witness to the resurrection. She became the “Apostle to the Apostle” when she announced this mystery to them. May we imitate her faithfulness and deep love for Jesus and be as eager to witness as she was.

ST. STEPHEN ADORATION CHAPEL

Twelve Reasons from the teachings of the Church for wanting to spend one hour with Jesus in the Blessed Sacrament

12. If the Pope himself would give you a special invitation to visit him in the Vatican, this honor would be nothing in comparison to the honor and dignity that Jesus himself bestows upon you with the invitation of spending an hour with him in the Blessed Sacrament.

“The divine Eucharist bestows upon the Christian people the incomparable dignity.”

Pope Paul VI
Mysterium Fidei

Our St. Stephen Adoration Chapel is open 24/7 where Jesus is waiting, present in the tabernacle, to spend time with you.

Stop by the Welcome Table to receive instructions for the use of the Chapel and the access code for the outside door.
Dear Friends in Christ,

Two weeks ago, on Sunday (my second Sunday here), I asked from the pulpit for help to eradicate weeds around the property, especially in some areas of the rectory backyard, and behind the church where the statue of St. Joseph used to be before it was moved to the church. Given how new I am to the parish, I was a bit uncomfortable making this request, but I took the risk, and I am glad I did it. The response I got was unbelievably positive, and for that, I am very grateful.

The very same day the announcement was made, a family of five showed up in the afternoon and started the project. The next day (Monday), another group of people came and did their part. Then Tuesday, still other people came with their kids and cleaned the area along the walk between the church and the parking lot. By Wednesday previously neglected areas were completely transformed. One of those areas is the little backyard that the rectory has. After the transformation, it is now a fully usable place to sit down to pray, meditate, or have a morning or afternoon coffee. Also, the area behind the church - facing the rectory - has been cleared and cleaned, thus increasing the security of both properties (rectory and church).

Sure, there is more to be done, things like a full replacement of the rotten, falling fence that separates the rectory from the church, removal of few stumps here and there and few other little things. But these projects will require a significant investment of money, which we currently don’t have because of the renovation that had to be done to the rectory, on the inside.

By the way, a lot has been done inside the rectory, including re-painting, floor replacement upstairs, carpet replacement in specific areas downstairs, as well as kitchen updating, and the partial mold removal from the basement. I am using the word “partial” because the primary focus of the work done was on one specific area. However based on what I see and smell, the entire basement will require the same work - and that will be pretty expensive, as insurance pays only for some things; the rest is parish’s expense. As I said, earlier, those things will have to happen gradually, and the speed of what happens will depend mainly on our income – which comes predominantly from the weekly Sunday collection. If there is any new development, I will keep you updated.

I am very grateful to all who responded so far, and from the bottom of my heart, I say THANK YOU! You have done a fantastic job, and I am very touched by your response. The most heart-lifting thing is to see how people came together and by contributing their “part” were able to accomplish so much.

That said, there are still certain areas around our large property that could use extra hands to be cleaned and made beautiful. One of them is the front of the rectory - facing the office and the parking lot. Another one is the area is along the wooden fence on the west side of our property. There are also little areas here and there, along the sidewalk leading from the church to the rectory. If anybody is willing to take care of any of these areas – if any family wants to make this a family project - you are welcome to do so, just let me know when you are coming. If you need anything, including any supplies, to be able to do the work, please let me know and I will supply you with those things.

I hope and pray that this spirit of support and cooperation continues as we move forward, and that this spirit infuses all our ministries and undertakings. Once again – a big thank you!

Yours in Christ,
Fr. Andrew

MISSIONARY COOPERATIVE PLAN

The Catholic Church is worldwide, and much of it is served by missionaries in developing countries. To help us better understand the universality of the Church and to give us an opportunity to assist missionaries in their effort to proclaim the Good News of Jesus, Fr. Jaime Roa, MI will be here next weekend, July 27-28, to speak on behalf of the Camillian Disaster Service USA (CADIS USA). CADIS USA is the domestic office of the international disaster relief organization of the Ministers of the Infirm (Order of St. Camillus). CADIS USA serves the medical, pastoral and humanitarian needs of people affected by man-made and natural disasters. Our current projects take place in Haiti, the Philippines and Northern India. Fr. Jaime will be asking for our prayers and financial support for the mission of CADIS USA (www.cadisusa.org). Please be generous.

GOSPEL MEDITATION
ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Active and contemplative. At work and at rest. These are dynamics we all face in our lives, and if we're honest, we might not always balance perfectly! In this Sunday's Gospel, our daily tensions play out in two sisters. Mary "sat beside the Lord at his feet listening to him speak." Martha, on the other hand, is "burdened with much serving." This, as it turns out, is not necessarily "the better part."

All of us reading this have some sort of labor we engage in. We have different trades or careers. We have responsibilities as family members, some of which may take up most of our time. In the time of Scripture, showing hospitality to guests was one of the most important values in society. Our work is important. Jesus himself spent decades as a carpenter. So what's the problem with Martha? Martha is burdened, anxious, and worried. Not only that, but she resents her sister's choice. "Tell her to help me," she demands of Jesus.

How easy it is to get very busy doing good things. We need to provide for our families and plan for retirement. However, the benefits of volunteering are far reaching to you, your family and your community. There are several areas that need help. Contact Shirley Braschayko, 586.751.3340 ext. 307, to sign up or for more information.

MICHIGAN RESIDENTS SAY NO TO DISMEMBERMENT ABORTION

An opportunity is before Michigan citizens. By working together, we can ban the inhumane abortion procedure known as the D&E or dilation and evacuation method. This method of abortion uses surgical instruments to forcibly remove arms and legs from a living human being in the womb.

Michigan’s Constitution allows the people to initiate legislation through a petition. The petition seeks legislation that would amend our partial-birth abortion ban by adding the equally horrific dismemberment abortion procedure to that ban. The advantage of this approach is that the bill’s language cannot be charged by the legislature, but more importantly, it cannot be vetoed by Governor Whitmer! We need to collect 400,000 signatures, and we have 180 days to do it, starting on June 26, 2019.

Watch future bulletins for more information.

HOLY MASS SCHEDULES, RECONCILIATION, FIRST FRIDAY & SATURDAY HEALING MASS

My Dear Friends in Christ,

As we begin this journey with our new Shepherd, I would like to share and reiterate a few important items.

• Through the months of July & August our daily Holy Mass and Reconciliation schedule will remain the same.
• All first Friday Holy Masses will now be celebrated at Noon.
• As in the past all first Saturday Healing services take a summer hiatus.

Fr. Andrew will be returning home to Poland in September to spend time with his mother and family. During the month of September our daily Holy Masses will be held on Tuesday evenings (time to be determined) and Fridays at Noon. Reconciliation schedules will remain the same. We will continue with this daily Holy Mass & reconciliation schedule for the time being. Weekend Holy Masses will remain the same.

Additionally, I would like to give you a peek under the tent relative to how we look to approach programming beginning this September.

• Monday nights we will offer a series of new and exciting Bible Studies
• Tuesday night’s select meeting(s) may take place
• Wednesday nights will be reserved specifically for Faith Formation classes
• Thursday nights will be MEGA meeting night. This night the Parish Vision Team and all required parish Committees and Commissions will gather.

In closing, I am asking all of you, my fellow parishioners, for three things: First, and foremost, for your prayers. Please pray for Fr. Andrew and the entire Parish Team. Second, be patient. By being more patient and understanding we will grow closer to HIM. Third, be merciful while bearing others wrongs with self-restraint and not complaining.

As we continue our spiritual journey together, let’s keep our focus on what is really important. Jesus, in the Eucharist and working hard each day to get ourselves and those who we encounter to Heaven.

Many Blessings,
Mike Ashby
I have heard the voices of our fellow parishioners saying that our landscaping could use some TLC. I really think our needs go well beyond our landscaping. Thinking that the need we currently have should encompass all of our building and grounds.

To that end we look to move forward in establishing a Facilities & Grounds Committee. This committee will have a dotted line reporting responsibility into our Parish Finance Council. I will begin searching for a Chair and Vice-Chair to head up this team. I welcome any of your recommendations as to help me in filling these two key volunteer positions. Please email me at mikeashby@saintlouisedm.org.

So, what are the responsibilities of this committee:

- Assess and determine the physical needs of the parish facilities and landscape, this will be accomplished during an annual walk-through of the buildings and grounds
- Consult with the PFC, Pastor & Director of Parish Operations regarding suggested renovation and improvements
- Long-range planning, preventative maintenance, efficiency, safety, and security will be factored into the realm of responsibility
- Will serve a three-year term
- Will arrange for a Spring & Fall planting and clean-up of our entire grounds in which all parishioners will be invited to participate.

There are three main goals that we hope to accomplish:

- That this committee help to create an environment that invites people to be active members of our parish
- To become better stewards of our parish campus and resources
- To make our campus much more inviting and welcoming by improving our overall curb appeal.

Please keep this wonderful opportunity in your prayers.

Blessings,
Mike Ashby

CROSS CATHOLIC OUTREACH

Thank you to all those who gave to the Cross Catholic Outreach last weekend. Your generosity is greatly appreciated and will help the poor in developing countries. If you are still prayerfully considering your donation, feel free to mail it in the envelope provided at Holy Mass.

Cross Catholic Outreach was founded to create a meaningful link between parishes in America and the priest and nuns working in the Church overseas in the Caribbean, Africa, Asia, Central and South America.

THANK YOU STAMP SAVERS

I've taken the cancelled stamps you have so diligently delivered to the Ushers Room, to the Felician Sisters Mother house in Plymouth, and they will soon be on their way to the Holy Cross Sisters in South Bend Indiana. There they will be separated and sold with proceeds going to deserving needy projects.

Our efforts are appreciated and so we are asked to continue collecting them and, as in the past, bring them to the Ushers Room in the Church.

Thanks from them and from me,
Jerry Schmidt, Ushers Secretary

Saint Anne ~ Feast Day, July 26

Saint Anne played an extremely important role in the histories of major world religions, particularly Christianity. She produced Mary; a child born of Immaculate Conception. Mary later became the mother of Jesus.

Who Was Saint Anne?

Saint Anne was the grandmother of Jesus Christ. She was born from the House of David, the line which was prophesied to give birth to Christ. In Hebrew, her name was quite possibly Hannah, as Anne is the Greek derivative of the name Hannah.

Saint Anne is the mother of Mary, the woman who gave birth to Jesus by Virgin Birth. The Angel Gabriel came to Mary and told her that she would give birth to the Son of God.

Saint Anne As a Mother

In the Gospel of James, which is part of the Apocrypha, you will find the story of Saint Anne. She and her husband Joachim were unable to conceive a child, even though they tried to do so and really wanted a baby. However, one day an angel came to them and told them that they would have a child. Since she was so overjoyed, Saint Anne promised that she would dedicate this baby's life to the service of God. Their daughter Mary was born.

Saint Anne produced an extraordinary child, as she was born free from original sin. Being born free from original sin is known as an Immaculate Conception. Therefore, part of the reason why Saint Anne is so famous is because she produced a child born of Immaculate Conception.

Saint Anne read the scriptures to Mary when she was a very small child. Saint Anne had promised that she would give her daughter to the service of God, and she kept her holy vow. When Mary was three years old, her parents brought her to the Temple and gave her to the service of the Temple. They did not see her again.

Although she had wanted a child so badly, Saint Anne knew that she had to honor her promise to the Lord. Saint Anne and Joachim would not be able to raise the child since Mary needed to be raised in order to become the mother of Jesus Christ.

Saint Anne Becoming a Saint

Although in recent years, as compared to the history of the Church, a more formal process has come about for becoming a saint, Saint Anne is still considered a Saint because of her role as the mother of Mary, grandmother of Jesus Christ, and as a devout and pious servant to the Lord God.

You might say that she did not perform any miracles in her lifetime, which is technically a requirement for a Saint. However, that all depends upon how you define the word miracle. One could look at her life and the way that she brought up her daughter, and how she promised to give her daughter to the works of God, and say that she truly acted in a miraculous way.

VENERATING A SAINT’S RELIC

Veneration of a relic is giving thanks to God for the saints holy life and praying for the grace to imitate them. We can also ask saints to pray to God for us, for others, and for our own special intentions. This is a beautiful practice that brings us close to those who walked before us in the sign of faith.

When venerating a relic it is appropriate to honor and respect the saint by performing a simple exterior gesture: you can kiss or touch the glass case that houses the relic, or simply stand near the relic in a prayerful attitude. Other acceptable gestures include signing oneself or kneeling in prayer. Whatever gesture you use to venerate the relic, it must not be done out of superstition, but out of love for the saint and for God.

Please keep in mind you should NOT genuflect before the relic as you would genuflect before the Blessed Sacrament, as that type of veneration is reserved for Christ alone.

PRAYER for the NEXT PHASE of UNLEASH THE GOSPEL

HEAVENLY FATHER,

Thank you for the abundant graces of Synod 16: for awakening in us the vision and resolve to become again your Church on mission, eagerly working together to “make disciples of all nations,” according to our commission from the Lord Jesus.

Pour out upon us your Holy Spirit, as a new Pentecost, to guide us in our next phase in our movement to Unleash the Gospel. By his power at work in us, transform our parishes into bands of joyful missionary disciples.

COME HOLY SPIRIT:

Set our hearts on fire to share the Good News of Jesus with all those who stumble in darkness, who hunger for hope, who thirst for eternal life. Above all, grant us the boldness and courage of the apostles to put the mission above all else, so that our community becomes the spark to ignite the fire of divine love that transforms this time and this place into the Kingdom of Heaven.

We pray through the intercession of Our Lady, Star of the New Evangelization, and her mother, our Patron, St. Anne; and in the spirit of Blessed Solanus we thank you ahead of time for “accomplishing in us far more than all we ask or imagine.”

We ask all of this in the all powerful name of the Lord Jesus Christ, who lives and reigns forever.

AMEN

St. Louise Happenings

St. Louise has now raised $60,135 in pledged amount toward our 2019 CSA target of $77,000. Thank you to the 223 parishioners who have already pledged their support. The ministries, programs, and services that the Catholic Services Appeal funds help us unleash the Gospel in our own parish and throughout southeast Michigan and beyond. Truly, we are Opening Doors to Witness Christ!

Any gifts we receive over our target will be returned to our parish in full. We plan to use our CSA refund towards operating and capital expenditures. If, however, we do not meet this target, we will have to make up the shortfall from our general fund.

If you are still prayerfully considering your CSA pledge, you may bring your completed pledge card to Mass next weekend or drop it by the parish office. You may also pledge your gift to our parish’s campaign online at give.aodcsa.org.
