Welcome to Worship on this Holy Trinity Sunday, in the name of the Father, the Son and the Holy Spirit.

If you are visiting with us today, we are very glad you came. Interested in becoming a parishioner at St. Louise? Contact our office at 586.751.3340.

**REFLECT****FIRST READING**

(Dt 4:39)

In the closing remarks of the speech delivered to the Israelites in the desert, Moses reflects on God's fidelity and love for them. In return for God's favor, the Israelites are instructed to keep God's statutes and commandments. Why do you think so many people are resistant to this divine expectation?

**SECOND READING**

(Rom 8:14-15)

Paul sees the Holy Spirit as integral to our identity as "children of God" and "joint heirs with Christ." How do you sense our Triune God at work in your life?

**GOSPEL READING**

(Mt 28:16)

We hear today the closing words in the Gospel of Matthew - Jesus' final commissioning of the disciples to evangelize and baptize in the name of the Father, Son, and Holy Spirit. What insights to the nature of God does this divine relationship offer?

**MISSION STATEMENT:** St. Louise de Marillac Parish is a Christ-centered Community committed to worship, service and the development of our faith. Through the sacraments we are empowered to embrace the future, welcome people from diverse backgrounds and follow the example of our patroness, St. Louise de Marillac, serving the spiritual and temporal needs of others.

### PROTECT THE HYDE AMENDMENT Prevent Taxpayer Dollars from Supporting Elective Abortions

#### BACKGROUND:

Beginning in 1976, members of Congress and the White House have consistently supported the Hyde Amendment, a federal policy which has prevented taxpayer dollars from paying for elective abortions. This language has been approved every year since then, regardless of which political party has been in control of Congress or the presidency. In addition to wide legislative support, the general public is highly favorable of the Hyde Amendment and similar provisions. Many public opinion surveys demonstrate that a strong majority of individuals—including those of different income levels, races, and positions regarding abortion—in the country oppose using tax dollars to pay for abortion.<sup>1</sup>

Despite public opinion, pro-abortion groups and certain elected officials are campaigning to rescind the Hyde Amendment and to instead implement a policy that would require every federal health program to cover, and every federal health facility to provide, elective abortions. If adopted, the new policy would go as far as to nullify state and local policies against abortion coverage, rescinding the compromise policy agreed to by President Obama and Congressional Democrats in the Affordable Care Act of 2010.<sup>2</sup>

The stakes are high, as the Hyde Amendment saves the lives of mothers and children and respects the consciences of the American people. It is estimated that over 2.4 million children are alive now due to the Hyde Amendment.<sup>3</sup> If Hyde and similar measures are not approved in this year's appropriations process, *billions* of taxpayer dollars could start being used for elective abortions in this country.

***THE TIME FOR ACTION IS NOW.*** Congress is considering the annual budget legislation which have consistently included the Hyde Amendment and similar amendments. It is imperative that federal lawmakers hear from YOU **by the first week of June to stop tax dollars from paying for abortion.**

#### ACTION NEEDED:

Visit [www.NoTaxpayerAbortion.com](http://www.NoTaxpayerAbortion.com) by the first week of June and tell Congress to retain the Hyde Amendment and similar provisions in this year's budget bills. Then urge a friend to do the same.

### UPDATED COVID-19 GUIDELINES FOR PARISHES AND SCHOOLS

In a letter to the faithful, Archbishop Vigneron shares the new COVID liturgical protocols and invites pastors to determine how best to implement them for parishes considering the needs of all their people, especially the most vulnerable. **If pastors determine their parish needs to continue one or more of the previous protocols, they may do so.**

Please be advised that per Fr. Andrew's decision, changes here at SLDM will be implemented gradually over time. The steps will be communicated to the congregation as we go.

Effective this weekend (May 29/ 30) - **ALL pews in the main island of the church as well as in the EAST section will be open for public use and without social distancing limitations.**

**The WEST wing of the church - from the music section to the back of the church will be designated as MANDATORY MASKS AND SOCIAL DISTANCING SECTION.**

**Also, as of the weekend of May 29/30 we will re-institute the distribution of the Holy Communion by the Eucharistic Ministers - in the EAST and WEST wings of the church. All EMs will have to wear masks while distributing Holy Communion even if they have been fully vaccinated.**

ARCHBISHOP OF DETROIT

May 19, 2021

Dear Brothers and Sisters in Christ,

When we took up the work of embracing the call of the new evangelization to become a missionary archdiocese, we looked at some key good habits which would be essential to the success of our work. Among those good habits highlighted in *Unleash the Gospel* were “a spirit of cooperation” and “a spirit of innovation.” While it was not in my mind at that time how these virtues would need to be lived out during a pandemic, I am exceedingly proud of the way our priests, parish staffs, and parishioners have exhibited and exemplified these good habits over the past 14 challenging months.

As we transition away from a heightened state of emergency around the COVID-19 pandemic and take steps toward normality, I ask you to remember these good habits and for each of us to renew our commitment to living them out together. As we have done throughout the pandemic, we must continue to live with a “spirit of cooperation” to adapt to the circumstances we face and, importantly, to care for and protect those who are most vulnerable. We will need a “spirit of innovation” to aid us in determining which changes to keep in place and which ones can and should be relaxed.

While Archdiocesan-wide COVID liturgical protocols are relaxed – in alignment with guidance

from national and state public health officials – we realize there are diverse situations and a variety of needs across the six counties of southeast Michigan. Therefore, I have asked pastors to determine how best to adjust parish protocols for the particular needs of their parishes. Each of us is called to keep in mind our need to care for the common good – including a deliberate consideration to receive the COVID vaccine for the good of oneself and one’s neighbor. This care for the common good entails a particular care and love for those who are most vulnerable among us, in this situation the elderly and the immunocompromised.

Additionally, these considerations are meant to permit and encourage the reverent offering of and active participation in the Sacred Liturgy. The updated COVID liturgical protocols are as follows:

#### New COVID Liturgical Protocols

1. Those who are fully vaccinated may wear a face-covering and social distance but are no longer required to do so in churches.
2. Those who have not been fully vaccinated are to continue wearing face-coverings and to practice social distancing to protect themselves and others in churches. Because a parish community – and our society – requires mutual trust and a commitment to the common good, each individual is asked to make the best decisions for himself as

*Continued on page 5*

## St. Louise Happenings

Continued from page 5

well as for others. Parishes do not have the responsibility to verify who is and who is not vaccinated.

3. Each parish is to provide a portion of the church – with a size to be determined by the pastor – where social distancing and face-coverings are consistently maintained.
4. All unvaccinated Catholics are encouraged to consult with their doctor about the vaccines. Resources to assist Catholics in understanding the moral use of COVID vaccines can be found at [www.aod.org/vaccines](http://www.aod.org/vaccines).
5. The Sign of Peace may resume with the normal wording, “Offerte vobis pacem / Let us offer each other the sign of peace,” allowing parishioners and families to make their own determinations about how widely to share some sign of peace.

### COVID Liturgical Protocols which remain in place

1. Parishes should continue to provide signage about current COVID protocols.
2. Parishes should keep doors open to ventilate churches as they are able.

### COVID Liturgical Protocols which remain in place (continued)

3. Parishes are encouraged to continue the COVID arrangement of vessels for bread/wine on the altar.
4. Clergy and Extraordinary Ministers of Holy Communion should continue to wear masks while distributing Holy Communion.
5. Parishes are encouraged to maintain sanitization stations at the locations of the distribution of Holy Communion.
6. Parishes are to continue to refrain from the distribution of the Chalice to the faithful (except for a Bride and Groom on their wedding day).

These revised liturgical protocols should be a sign that we have made great progress from March 2020. But we still need to be vigilant in the weeks and months ahead. As we continue to adapt to a new reality, it will be crucial that each of us exercises heroic patience with one another. For some these changes are a welcome adjustment. For others, it will take more time to feel comfortable with the adjustments. For all, this is an opportunity for Christian charity and a renewed commitment to exercise another *Unleash the Gospel* virtue: unusually gracious hospitality.

Sincerely yours in Christ,

The Most Reverend Allen H. Vigneron  
Archbishop of Detroit

### A PRAYER FOR OUR TROOPS

Dear Lord, We thank you for the lives and service of our men and women in the Armed Forces. Strengthen them and give them guidance as they stand in harm's way to protect our nation and the way of life. May they face each day of their service the same way Your Son Jesus did; with courage, dignity and faith. And if it be Your will, when their work is through, bring them safely home. Lord, please also bless the families of our troops. Reward them generously, for their sacrifices are known only to You, while their loved ones are so far from home. And may we never forget those who have paid the ultimate price for our freedom and safety; those who have died in the service of our country. May they rest in peace forever with You in Your kingdom. Amen

### REMEMBER TO REMEMBER

One Memorial Day, some children were asked what the holiday meant to them.

“That’s the day the swimming pool opens!” answered one eager boy. What he didn’t realize or appreciate was that he can freely go to the pool because more than one million people have put their lives on the line to preserve

America’s democracy. Many of them have died so citizens of other countries might also enjoy the privilege of political, social and economic freedom.

Memorial Day is our opportunity to pause and remember the sacrifices of many America’s best citizens. They made the supreme sacrifice on our behalf, so please remember to honor these heroes on May 31.

### THREE IN ONE

Trinity Sunday, celebrated all over the world on the first Sunday after Pentecost, honors the Father, Son and Holy Spirit.

“The 11 disciples went to Galilee to the mountain to which Jesus had ordered them. When they saw him, they worshiped him, but they doubted. Then Jesus approached and said to them, ‘All power in Heaven and on earth has been given to me. Go therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always until the end of the age.’” Mt 28:16-20

### GOSPEL MEDITATION ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Let God be who God is. This is often one of the hardest things to do. Rather than allowing the mystery of being created in the image and likeness of God unfold and take root in our lives, we change the dynamic. We want to be the creators who want to make God into the image and likeness we need God to be. We have a hard-enough time letting the people in our lives be who they are. We struggle even more so with God. It is almost as if we want God to be our imaginary friend who is not only with us whenever we need but becomes the

Being we need God to be. Who is it that we want God to be today? A protector, disciplinarian, champion for justice, healer, advocate for our cause, grantor of prayers, guardian of my life, or the avenger? Our prayers tell an interesting story. When you pray, what does God look like?

Recently, a young woman who was feeling invisible, overlooked, ignored, and misunderstood by her husband struggled to make her feelings known and get his attention. Finally, she screamed, “Listen to me!” Thus, birth was given to a renewed and healthier relationship. We spend so much time storming heaven with our agenda and trying to make God into a “god” of our desires that we do not hear God saying, “Listen to me!” God is desperately trying to get our attention. God is saying, I am here among you as not one but three, Father, Son, and Holy Spirit. Many people seldom notice God’s presence because they are so caught up with other spiritual cares and concerns. And, when the “god” they fashion and create doesn’t produce as they desire, they shake the dust from their feet and move on. “I tried,” they exclaim, “but God didn’t listen.”

Healthy relationships aren’t built on making someone be who we need them to be. Healthy relationships are built on encounters of persons and the development of an appreciation of someone solely for who they are. Deeper relationships can even be found with two people marveling at each other and almost experiencing a childlike joy and giddiness when they see the other coming. Do you ever have these feelings about God? Believe it or not, God does for you! There is a joyful laughter that gives rise to and connects all three members of the Holy Trinity. It is this laughter, flowing from the very depths of the Godhead that not only keeps the Trinity in joyful unity but spills over into the creation of all beings and things. It is an expression of Divine Delight! Have you ever taken time away from your agenda to experience the Divine Joyfulness of God?

We can reach a connection of Presence wherein even the smallest of creatures suddenly radiate the fullness of God: the wonderful creation of their being, the innocence and playfulness of their movements, and the sustaining life breath that flows through their veins. The same God who created the heavens and the earth is the same God who wants you to call him ‘Dad’ and the same God who preserves your life and has all things in His care.

**God Doesn't Take a Break**

An acquaintance who works in church ministry once told me a story about one of the students she had in Faith Formation. This student informed my friend that his family doesn't come to Mass in summer. "God takes a break in summer, and so do we," he said.

There's a lot to unpack here. First, it's tragic to think of anyone voluntarily missing out on the Eucharist for so long. It's also a real problem in the church today that a lot of our folks don't understand the beauty of the Sunday obligation. But if I had to dissect this situation and pinpoint the thing I find most troubling, it's the idea of God taking a break.

I hope it's starting to look like summer where you are. We've still got a few weeks left before it's official, but the school year should be winding up for most kids, the birds should be chirping a little louder, and hopefully your lawn is starting to green up nicely. You're probably daydreaming about the annual cabin getaway weekend or waterskiing on the Fourth of July.

All in all, summer is going to be a nice break, even if — like typical Americans — our break is full of productive work.

Thank God — literally — that He doesn't take a break, even if we do. Can we try to remember that, even in the midst of our many wonderful distractions? Let's enjoy this summer. Let's live it to the full. But let's see it for the gift that it is — and remember the thanks we owe the Giver.

Father Andrew is asking all parishioners to join him in contributing to this year's Catholic Service Appeal. If we all give, we will easily meet St. Louise de Marillac's 2021 CSA target of \$65,690, which is our parish share of the support of more than 170 CSA-funded ministries, programs, and services.

Any gifts we receive over our target will be returned to our parish in full. We plan to use our CSA refund to make much needed repairs and upgrades to our Parish Campus. If, however, we do not meet this target, we will have to make up the shortfall from our general fund.

If you are still prayerfully considering your CSA pledge, you may mail your completed pledge card in the pre-addressed envelope that was provide you. You may also pledge your gift to our parish's campaign online at [givecsa.org](http://givecsa.org).

### Registration Link Fixed

Dear Current, Future, and Former Religious Education Families,

I am very excited to begin planning for our IN-PERSON Religious Education Classes for the Fall. Did your child miss a year or two or more and needs to get caught up? **No problem!** Just register and I will take care of all the details to help you put a plan together.

We have a lot of wonderful things planned for next year and hope you will be part of it. In an effort to evangelize friends and neighbors, please feel free to share this information and invite them as well. **If you have a child entering grades 1 – 8 this fall, you can register online.**

I promise you that our program will be one of the best in the area. You can go anywhere for your child to receive their Sacraments or you can keep your children here where they will not only learn their faith, but grow to love their faith and their Savior, Jesus Christ. At Baptism, you made a promise to raise your children in the faith. Let us help you keep that promise by walking alongside your family toward the Kingdom of Heaven.

If this was sports, music, or dance, you would look around for the best program to help your child master the art not just the easiest one, right? I am confident that the E.A.G.L.E. leveled learning program that I developed and authored accomplishes that goal and truly develops life-long disciples of Jesus Christ.

I am happy to let you know that many parishes across the country have also begun to implement this program. Getting kids out from behind the desk and giving them the opportunity to encounter Jesus is the goal. Let's put this on your calendar before anything else this fall and make it your priority.

If you have any questions, please contact me. You are welcome with open arms.

Again, I am looking forward to a "normal" year and hope you will be part of it.

May God be with you and your family.

Jesus commands us to be his witnesses. This craft is a reminder to reach out to all our "circles."

### What you need:

- 5 bowls or cups (assorted sizes)
- Construction paper
- Pencil
- Scissors
- Brad fastener
- Crayons or markers

### What you do:

1. Place the bowls and cups upside down, each on a different color of paper. Trace around the circles and cut them out.
2. With a pencil, pierce a small hole atop each circle. Layer circles on each other from largest to smallest, aligning the holes. Insert the brad through all layers.
3. Starting in the center, label the circles *my house, my city, my state, my country, the world*. Draw a picture on each one.
4. Pray, asking Jesus how you can spread his message.
