## Welcome to Worship!

As our nation celebrates Independence Day, let us remember and proclaim that God so loved the whole world that he sent Jesus to share in this life. Let us join in praise!

Are you visiting with us today? We are glad you came. Interested in becoming a parishioner at St. Louise de Marillac?

## REFLECT

### FIRST READING

(Ez 2:4-5)

Today's reading is an excerpt from the prophetic call Ezekiel received while in exile in Babylon (Ez 1:1-3:27). The Lord commissioned Ezekiel to go and confront the "rebellious house" of Israel. How do you imagine the Israelites received Ezekiel's message?

### SECOND READING

(2 Cor 12:9)

Paul learned that the "thorn in his flesh" taught him to be humble and dependent upon God's grace alone. Where do you see God's grace most present in your life?

### GOSPEL READING

(Mk 6:4)

Jesus was "amazed" at the lack of faith his fellow Nazareans had in him, suggesting Jesus expected a different response. Why do you think the villagers of Nazareth "took offense" at Jesus?

**MISSION STATEMENT:** St. Louise de Marillac Parish is a Christ-centered Community committed to worship, service and the development of our faith. Through the sacraments we are empowered to embrace the future, welcome people from diverse backgrounds and follow the example of our patroness, St. Louise de Marillac, serving the spiritual and temporal needs of others.

Dear Parishioners,

On Friday, August 27, we will have our 2nd Annual Golf Outing-Fundraiser at Hickory Hollow Golf Club. See the insert for more information and to register.

We would like to ask for your support in a few different ways:

1. **BECOME A TEE SPONSOR** - For a \$100 donation, you, your business or a memorial name of a deceased loved one will be acknowledged with a sign at one of the starting tees.
2. **DONATIONS** of gift cards, lottery tickets or monetary donations.
3. **CREATE A "THEME BASKET"** just like we had for festival.
4. **NEW, UNOPENED GIFTS** you may have tucked away.

And of course, if you are a golfer, grab some golfing buddies and register to play!

Our parish family has always been very generous for many, many years supporting the various fundraisers we have had, and hopefully, you will be able to do so again.

You may bring your donations to the parish office (see office hours), send by mail, or bring to church and deposit in the donation basket. Make checks payable to **St. Louise Golf Outing**. Please print **GOLF OUTING** on the envelope.

Thank you in advance for your donation. Pray for good weather on August 27. If you'd like more information, contact Shirley at 586.703.7205 or email [stlouis50@gmail.com](mailto:stlouis50@gmail.com)

### GOSPEL MEDITATION ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

It's all so ordinary that we can easily miss it. The seagulls hunting and diving for mollusks at the beach offer a display of determination and precision as they gather their food for the day. It's simply what these creatures do. Yet, there's a magical artfulness and skill to their work that speaks volumes about the One who breathed life into their being. This is pretty much the way it is with God's presence. God comes in common ways through common things and ordinary people. Sadly, we are so engulfed in our little worlds of order and ideas to notice the beauty and wonder of it all. Many have numbed themselves to the Divine spark at the essence of all life because that's just the way it is. What's so special about it? A sunset is a sunset and a seagull is a seagull. That's precisely what they thought about Jesus too. After all, isn't he just the carpenter's son? What merit can his words possibly have?

If we're looking for God to come in an event that is so dramatic and intense that it knocks our socks off, then think again. When pondering God's relationship with His people and God's action in our lives, we have to go back to the stable and the recurring, creative, unending power of God's presence. It was a quiet, run of the mill kind of night. There was nothing spectacular or extraordinary. To the naked eye, a woman gave birth to a child and there wasn't anything extraordinary to see. We have a hard time understanding God's ordinary-ness. Jesus grew up in an ordinary town, had neighbors and did normal human things. Perhaps that's why we don't always like the Gospel. It doesn't dazzle us with extraordinary things but simply challenges us to take a different look at our ordinary stuff. That makes us uncomfortable. We prefer things as they are. Our lack of faith can even cause us to take offense at what Jesus says and does, dismissing it as folly.

God's life-giving presence continues to sustain that seagull in flight and keep all things in being regardless of whether we have the faith to see and understand this. Our personal agendas, preconceived ideas, misconceptions, and expectations can often cause us to be hardened and blinded to what God is doing or desiring to do. While God continues to do what he has done for all eternity, faith is needed for God's presence to bear fruit. The blinders we wear and the expectations we bring to life can often prevent us from seeing graced moments that radiate with God's graceful presence. They also prevent God's transforming, healing, and hope filled vision for our world from being realized. Without faith, God won't be able to do much for us either.

## St. Louise Happenings

First, a heartfelt **THANK YOU**, on behalf of our entire parish, to the **FRANCO FAMILY** (Carlos, Ima, Carlito, and Esu), and to their company **GEMINI HARDSCAPE** for sponsoring the material needed, and for physically building, in front of the church, such a beautiful brick patio for the statue of the Blessed Mother (Our Lady of Fatima). Your gift to the parish is greatly appreciated, especially since it was completely unexpected, and it came at the time when I have given up on the project, due to unexpected, technical difficulties.

The pictures below and on page 5, show the work in progress, and how the family, including the children: Carlito (grade 6) and Esu (grade 5) - were involved, hands-on – making this project come through. To my absolute amazement, the entire work was done in one day, and way ahead of the projected time. God surely works in mysterious ways – and to me, this is yet another evidence of it.

On a personal level, I was deeply moved by many things that happened that day - but in a particular way by one of the conversations I had that day with Esu, the younger of the two boys. At one point, and after many hours of hands-on work, I asked him jokingly: “so, how much money will you make today for such hard work?” Esu looked at me with a big smile on his face, and very spontaneously and without any hesitation replied: “**nothing.... WE ARE DOING THIS FOR THE CHURCH...**” That spontaneous statement coming from a kid so young left me completely speechless. What a beautiful example for all of us, and what a powerful testimony to what it means to raise children in the faith.... **Carlos and Ima – congratulation! You are doing a great job as Catholic parents.**

Also, a big, heartfelt “**THANK YOU**” to Julia Czarnecki, for sponsoring and planting the beautiful flowers around the statue. I am especially grateful for your involvement, because everything was happening rather fast and on very short notice, as I wanted the entire project to be completed before this past weekend so that those who came to Masses could see it.

Once again, thank you - to all who were involved in this project, and to those of you who had approached me in private - and offered financial help to offset the cost of this project – should such help be needed.

### HELP NEEDED

Secondly, as I have been announcing from the pulpit for the past several weeks - **WE ARE IN DIRE NEED** of new **lectors, Eucharistic ministers, and ushers. We also need volunteers who would spare an hour or two a week during the summer – to keep our property “weeds free”.** As you know from personal experience, this is one of those never-ending “jobs” – that can only be accomplished effectively, if many hands are involved simultaneously. Otherwise, the weeds “win the war”! We are trying hard to be ahead of the “game” but we have rather limited human resources – given the size of our property.

Last year, during the Covid lock down – few families “adopted” specific areas around the church building and the area along the sidewalk between the church and the office, and they made sure that the weeds were being extracted on regular basis. Perhaps, something similar could be done this year. This is not a heavy job – and a perfect opportunity to get the kids and the youth involved – along with the parent or parents. And since there is no specific time during the day or evening when this job can be done, there is great flexibility as well. We have the necessary tools – but we do need more human power. If you can help – please talk to me directly.

Have a blessed week and Happy 4<sup>th</sup> of July!  
Fr. Andrew

I have created and authored the E.A.G.L.E. method of religious education that focuses on the development of the student by successfully completing levels before moving to the next level. Specific skills and knowledge are required before moving up. Up until now, the focus has been on the Sacraments and that's great. But, how does one receive the graces when they don't necessarily understand what they are receiving. Think of it as buying your child their favorite book series for Christmas (in Japanese). What good is it to them?

The AoD has also accepted the E.A.G.L.E. program as an authorized catechetical tool in the Diocese and several other parishes across the country have also adopted it. E.A.G.L.E. is an acronym for each of the five levels. Encounter, Adore, Grow, Love, Evangelize to learn more, google search **Eagle Program Archdiocese of Detroit**.

Things have changed. Teaching Methods, learning styles, technology, etc. Catechists are expected to have knowledge in both pedagogy and delivery of the faith from their own experiences and not just do what the textbook instructs.

With the E.A.G.L.E. program, the director of religious education lays out a framework for each level. Then with the catechist team, selects lessons from many resources that may help deliver the message or create their own ideas to share the faith. Will this take time and energy? Absolutely! But do the souls of our young people not deserve the best? Ongoing catechist development and certification within 2 years is required. In addition, only catechists who have their advanced certification from 2008 or later may teach a Sacrament year prep year (2, 7 and 8). Remember, all of our school teachers are highly certified to teach their subjects, why should the most important subject be any different?

So, are you ready to make a real impact on the lives of our kids and families and be on the team to build disciples for Jesus Christ? Now is the time to Contact Greg Crachiolo, DRE to learn more.

**The Prophecy of You and Me**

Prophet. There’s a heaviness to this word. It’s weighted down with meaning. We think of prophets and we think of Charlton Heston with wild hair and a booming voice, reaching out his hand to work wonders of nature by the grace of God. We think of prophets and we think of ancient Biblical history — someone far away, someone so removed from our everyday life. A prophet is someone who knows something we don’t.

When I let you in on this secret, it might scare you at first: in a way, God is calling you to be a prophet. He is calling me. He is calling anyone who hears the truth of the Gospel. However, there is no need for the megaphone and the wild locusts. This prophet gig might not be what you’re thinking.

What does a prophet do? He hears and testifies to the truth, even when it’s uncomfortable, even when it’s unpopular, even when it results in, as Paul says, “weaknesses, insults, hardships, persecutions and constraints.” A prophet doesn’t have to be smart or rich or ordained; heck, he doesn’t even have to be particularly willing.

All a prophet has to do is listen to the truth. The truth we receive from Christ, through the Gospel and the sacraments, is a mighty gift. But it is a gift that we are not meant to simply keep for ourselves. In possessing it, we are compelled to also pass it on, to share it, to let the Spirit set us on our feet.

**HOLY ROSARY PARTICIPATION**

Please join us in the recitation of the Holy Rosary after Mass during the week. What a beautiful way to honor our Blessed Mother.

In addition to reciting the rosary in church, consider offering up a spiritual gift for our country by reciting the rosary, or at least a decade, at 7 pm everyday. Pray for the end to unrest, anger and mutual disrespect in our country, and for the return of civility, harmony, and peace in our society. Every prayer will help.

## St. Maria Goretti ~ Feast Day, July 6

Born on October 16 1890 in Corinaldo, in the Ancona Province in Italy. When her father died of malaria, Maria's mother had to struggle to feed her children.

Maria's mother, brothers, and sisters worked in the fields while she cooked, sewed, kept the house clean, and watched her youngest sister Teresa. Though the family's circumstances were extremely difficult, they were very close and loved God.

On July 5, 1902, her 18-year-old brother or neighbor - it is unclear which - tried to rape her, she fought him and screamed, "No! It is a sin! God does not want it!" At her words, Alessandro began to choke her and she said she would rather die than submit. Upon hearing her words, Alexander pulled out a knife and stabbed her eleven times. When she attempted to reach the door, he stabbed her three more times then fled.

Maria's family found her bleeding on the floor. They quickly took her to the nearest hospital in Nettuno, where she underwent surgery without anesthesia.

Unfortunately, her wounds were beyond the surgeon's ability to help. Halfway through the surgery, the surgeon asked her, "Maria, think of me in Paradise."

The next day, Maria forgave Alessandro and said she wanted to see him in Heaven with her. She died that day while looking upon an image of the Virgin Mary and holding a cross to her chest.

Alessandro was captured and questioned. He admitted Maria was a physical virgin as he was unable to assault her and he was sentenced to thirty years.

Alessandro remained unrepentant for his actions until he had a dream that he was in a garden. Maria was there and gave him lilies, which immediately burned in his hands. When he woke, he was a changed man. He repented his crime and lived a reformed life. When he was released 27-years-later, he went directly to Maria's mother and begged her forgiveness, which she gave, saying, "If my daughter can forgive him, who am I to withhold forgiveness?"

Maria Goretti was beatified by Pope Pius XII in a ceremony at Saint Peter's Basilica on April 27, 1947. Three years later, on June 24, 1950, Maria was declared a saint and Alessandro was present in the St. Peter's crowd to celebrate her canonization.

Saint Maria is called a martyr because she fought against Alessandro's attempts at sexual sin; however, the most important aspects of her story are how she forgave her attacker - her concern for her enemy extending even beyond death - and the miracle her forgiveness produced in his life.

Images of Saint Maria often represent her with wavy hair, dressed in either white or farm clothes and is often depicted holding lilies.

### VENERATING A SAINT'S RELIC

Veneration of a relic is giving thanks to God for the saints holy life and praying for the grace to imitate them. We can also ask saints to pray to God for us, for others, and for our own special intentions. This is a beautiful practice that brings us close to those who walked before us in the sign of faith.

When venerating a relic it is appropriate to honor and respect the saint by performing a simple exterior gesture: you can kiss or touch the glass case that houses the relic, or simply stand near the relic in a prayerful attitude. Other acceptable gestures include signing oneself or kneeling in prayer. Whatever gesture you use to venerate the relic, it must not be done out of superstition, but out of love for the saint and for God.

Please keep in mind you should NOT genuflect before the relic as you would genuflect before the Blessed Sacrament, as that type of veneration is reserved for Christ alone.

### A PRAYER FOR THE FOURTH

Loving God, we thank you, the true Father of our country, for the blessings of this land and the gifts of cultures around the world. Prompt us to strive for justice for all, at home and abroad. Remind us, in the words of the hymn, that "this is our Father's world" and that your goodness prevails. Amid tragedies and conflicts guard us against despair. Help us focus on the kindness evident daily: from generous neighbors to conscientious public servants (because most are). On Independence Day and everyday, "O let (us) ne'er forget that though the wrong seems oft so strong, God is the Ruler yet." Amen.
