SECOND SUNDAY OF LENT

**BIG NEWS...** BY FR. DOUGLAS BIGNALL  
[Adapted from [Connections](#)]

## Second Sunday of Lent

While Jesus was praying, his face changed in appearance and his clothing became dazzling white. Moses and Elijah appeared in glory and spoke of his exodus that he was going to accomplish in Jerusalem.

Luke 9: 28-36

### Gospel Connection

A story from CBS New (January 2020):

Sackets Harbor is a small-town of 1400 residents near Lake Ontario in New York State's north country. Like many small towns, its fire department and ambulance service are staffed by volunteers. But since COVID-19 hit, older and experienced EMS volunteers either couldn't — or wouldn't — do the job anymore. In the wake of staff shortages and increasing costs, many small towns across the country are straining to maintain their emergency services.

(Continued on page 2)

(Continued from page 1)

Until recently, the ambulance service for Sackets Harbor was being maintained by three veteran EMTs — all in their early 20s — and the demands of the job were taken their toll. That's when a group of high school students stepped up. Wanting to help, they learned that in New York State, one could become an EMT at 17 and ride along and assist at 16. So, they took the required training, got their licenses, and jump-started the town's emergency services.

The five teenagers are sacrificing much of their free time — and innocence. When the young EMTs went on their first calls, they realized the level of responsibility they had taken on. One novice EMT's first call was a suicide; another was a cardiac arrest. "We went from not even having our licenses to saving people's lives," one of the teen EMTs says. It "woke us up" to the responsibility that we had taken on — but got them hooked on helping people.

On the first day of school this fall, they responded to two ambulance calls and a fire, getting home at 5:30 a.m. School started at 7:30.

One of the 17-year-olds applied to join after she and both her parents came down with COVID in March 2020. The experience fired the interest she already had in health care.

The Sackets Harbor EMS averages a call a day for every type of emergency, from accidents to coronaries. Thanks to their dedication and training, many serious situations do not become tragedies.

The teenagers take their work — every minute of it unpaid — very seriously. But they know that without their service, their community would lose the ambulance. "Because we have a really small community," one member of the EMS team explains, "most of the time going to a call, there's a good chance you're gonna know who you're going to."

## Gospel Reflection

These extraordinary teenagers in Sackets Harbor have taken on the work of "transfiguration." They've found within themselves the compassion of God and the maturity of faith to step up and take on their community's emergency services. In the event we have come to call Jesus' "transfiguration," Peter, James and John actually realize the divinity — the very life and love of God — that exists within the person of Jesus.

A similar spark of divinity exists within each one of us, as well: God is present within us, animating us to do wonderful, holy things; guiding our steps as we try to walk justly and humbly in the ways of God; enlightening our vision with wisdom and selflessness to "transfigure" despair into hope, sadness into joy, anguish into healing, estrangement into community. May today's Gospel and the commitment of the Sackets Harbor EMS team inspire us to look within our own hearts and souls to discover the light of God's love and let that light shine forth in our own works of charity and mercy.

**Prayer for Ukraine**

*God of infinite mercy and goodness, with grateful hearts we pray to you today for Peace. You offer us your peace continually (Jn. 14:27) and constantly remind us that peacemakers are blessed, “for they shall be called children of God” (Mt. 5:9). May your voice resound in the hearts of all, as you call us to follow the path of reconciliation and peace, and to be merciful as you are merciful.*

*We pray to you for the people of the Ukraine who are experiencing conflicts and deaths. Bless the leaders with wisdom, vision and perseverance needed to build together a world of justice and solidarity, and to break down walls of hostility and division.*

*To you we entrust all families and pray that they may never yield to discouragement and despair, but become heralds of new hope to one another in this challenging time.*

*May you continue to inspire all of us to oneness of heart and mind, to work generously for the common good, to respect the dignity of every person and the fundamental rights which have their origin in the image and likeness of God impressed upon every human being.*

*Grant eternal rest to the dead and quick recovery to the wounded, we pray through Christ our Lord, Amen!*

From my family in Belarus to my aunt Maria:  
 Dear Maria! Thank you for your message and for your care! We are all very worried! Situation is difficult! We don't want this war! We don't want it in Ukraine and in our territory! Everybody is worried that our man can be sent there! We started to feel economic sanctions, lots of people are losing jobs because they worked for Europe and US, prices started to grow very fast, banks don't sell dollars and euro. Many people started to go out of our territory, but nobody wants now to take Belarusians to work in EU countries, because our nation is discriminated. Lots of people were protesting against war but were put in prison. We have nowhere to go, so we will be staying in Belarus and hope that war won't start here as well. We still have to go to work, but we are very worried for the lives and future of our children. Thank you for your support because we really need it!  
 Prayers are needed. Submitted by: Janet Regan

## The Seven Last Words of Jesus given during the Lent Season By Deacon Dennis

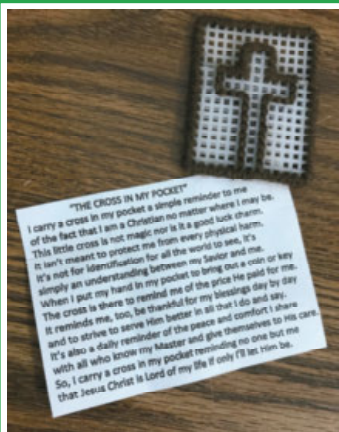

Lent is a time when we prayerfully focus upon Christ's Passion and Death. Jesus spoke seven short expressions, after being nailed to the cross. These statements are now commonly referred to "The Seven Last Words" This Lenten season let us prepare our hearts by reflecting upon the words Christ spoken over 2,000 years ago.

### SECOND LAST WORD OF CHRIST

"Amen I say to thee, this day thou shalt be with me in paradise." (Luke 23: 43)

Christ says these words to a man who is being crucified next to him. Just like the first word, His second is that of forgiveness. God generously opens the door to heaven for those who will to repent of their sins. The sinner recognized Christ for who he was. The mercy of God is always ready to reach out to and save a soul, even at the last minute.

It is also Lent and as we honor the Sacred Heart, let us also accompany Jesus on His last journey, as He makes His way to His crucifixion. The Stations of the Cross is one of the traditional ways we can pray and remember Christ's suffering during Lent. We encourage you to make the Stations of the Cross as often as possible during this Lenten season. St. Hubert's will offer *Stations of the Cross* every Wednesday during Lent at 7:00 P.M.

### The Cross In My Pocket

If you are looking for a small Lenten aid that you could carry in your pocket or purse, we have the perfect item for you. "The Cross In My Pocket" is a poem that reminds us that Jesus is the Lord of our Lives, and gave his life for our salvation. It is inviting

God to reign over our hearts and minds, and can be used as a daily Lenten poem along with other prayers.

We would like to thank Kay Brown-Askar, one of our parishioners, for making these little Lenten keepsakes. They will be available in a basket on the table in the Gathering Space while supplies last. Please stop by and pick one up.

**Parish Registration**

**Question:**

Why is it so important that we register in a parish? Isn't it good enough that we go to Mass?

**Answer:**

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.

## LIVE THE LITURGY Inspiration for the week

While we have to be cognizant of our societal and personal responsibilities in this world, we can never lose sight of where our true citizenship lies — heaven. When we become too immersed in earthly things and too preoccupied with our temporal responsibilities, we can actually become numb to our faith. Becoming ambivalent about our faith, our belief in Jesus Christ and the promises of heaven become more a source of agitation rather than a source of promise and hope. It is easy to become an enemy of Christ without even knowing it is happening. God has given us a very clear destiny. We are definitely not meant to conform ourselves to this world but to the transfiguration and glorification of our bodies to come. It is here where we can see clearly not only who God is but who we are. The way many conduct the daily business of their lives suggests that such a promise or hope is of little importance. What does the way you live your daily life say about you?

## SAINT OF THE WEEK

Whether you know him as the man who brought Christianity to Ireland or simply as a reason you eat corned beef and cabbage in March, St. Patrick (415 – 493) is a well-known saint around the world.

St. Patrick was born in Britain of a Romanized family. At the age of 16, he was kidnapped by Irish raiders from the villa of his father, a deacon and local official, and brought into slavery in Ireland. He spent six long years there as a herdsman, during which he turned to his faith for strength. He later escaped back to Britain on a ship, where he was eventually reunited with his family.

His years of captivity changed him and brought out a zeal for God and a yearning to spread the message of Jesus Christ. Despite the constant danger of martyrdom, he continued to travel throughout Ireland where he baptized and confirmed in the name of Christ.

Let Us Pray ...

Please pray for the safety of those who are serving in the Military. May St. Michael the Archangel defend them and protect them. Pray also in thanksgiving for their dedication and service to our Nation.
