Our Roman Catholic Faith Community is centered on Jesus Christ as our Lord and Savior.

We come together in the love of Christ around the table of the Lord trying to be his family.

We welcome all to join us. Our belief in the Scripture, the Sacraments, the teaching of the Catholic Church, and our compassion for others enables us to live the Gospel message.

Not finding [Jesus], they returned to Jerusalem to look for him. After three days they found him in the temple, sitting in the midst of the teachers, listening to them and asking them questions, and all who heard him were astounded at his understanding and his answers.

**IF IT FITZ...**

Oh golly gosh, that went fast! It is already the day after Christmas. On this day of throwing out the wrapping paper, and eating the leftovers, we Catholics are once again in Church for it is Sunday. Today's second reading tells us that now has Christ come to us, let us be kind and get along. Isn't that good advice for many of us who still have visitors in our houses this weekend?

And now...

How does a rabbi make his coffee?

Hebrews it.

The Knights of Columbus Free Throw Championship is sponsored annually with the winners progressing through local, district, and state competition. # Commemorative Brick Pavers - Update

## PAVER SALES UPDATE

After additional discussions with our local engraver and the real possibility that lead times could stretch out well into the next year or longer, I pulled all the paver orders and materials from the vendor.

**However, GOOD NEWS!!**

I was able to find an engraver in Mt. Clemens who seemed eager to work with us. That being said, I brought the previously listed back orders to them for processing. I am happy to report that I have already picked up the completed pavers. So for those who have been awaiting completion of your order, they are here.

**We are back in business!**

I would like to pass on some information that would helpful for those of you who still want to order commemorative pavers. First and foremost.....**We are still selling pavers!** If you look at the number of blank pavers in the walkway, you can see that we will be able to sell them well into the future. So, those of you who were concerned that we will not be can now breathe easier.

I did pursue the idea of normal lead times for future reference. They responded by saying that this is their slower time of the year and that lead times are typically about 4 weeks or maybe sooner. That from my experience is very good. However, lead times lengthen as April and May come around as their other core business orders increases significantly. So, if you have been thinking of ordering 1 or more pavers, now may be the more preferable time to do it.

If you have any questions, please contact me at 810-434-5582. Thank you for you continued interest in purchasing the pavers and helping to pay for this beautiful addition to our parish grounds.
