GOSPEL MEDITATION

"Spiraling out of control," is a phrase that can easily describe the current display of human existence. In addition to the violence, unrest, uneasiness and turmoil that are common elements of our daily news, other essential pieces are misplaced or missing. Many lack an objective center around which to order and structure their lives or a clear set of definable goals or mores to act as guideposts and life directives. It appears that "feelings" have become a "new god" and traditional structures and ideals set aside. It is almost as if history only shows that we got this whole thing wrong and many are determined to finally set things right. The real truth, however, is that while wrongs and errors are certainly a part of our often-checkered past, it is hardly the case that all was wrong. It is not our task to rewrite the history of our lives, but to learn from mistakes that were made, and preserve the perennial wisdom at the root of our successes. Learning is an essential part of being human.

The question becomes, however, from whom do we learn? Some have such a hard time placing God in that position, but that is precisely where God needs to be. God is the Master Teacher from whom all of humanity learns and gets its cues. It is in and through this relationship with the Gardener of Life that we are fashioned and pruned into the people we are intended to be and can be. It is only in God that we are able to find our best selves. Sadly, many think that religion too, as well as history in general, has also gotten all this wrong. Yet, our resurrection faith tells us differently. We are reminded, today especially, that we are meant to remain in Christ as Christ remains in us. We are also reminded that Jesus, the Incarnate God, is the vine upon which we grow, the branches that flow from the source of God's life.

Giving up our will to God's can be a painful endeavor. It is not easy to set our own desires and wants aside and allow God to step in and direct and guide our growth. But this is the only way to prevent deadly weeds from overtaking us and bringing us to a place of self-destruction. God's commandments are the very guideposts and benchmarks we need, yet many seek to remove them from all public view because they appear to limit self-expression and suppress what is considered by many to be "human freedom." They are the only way we can find freedom, however. And, until we learn this fundamental lesson, we will continue to spiral out of control, never really knowing who we are, what our potential can be or how life really can be lived. We will not know peace.

Church Cleaning

If you are interested in helping clean the Church after certain Masses, please contact the parish office. Thank you!

To help maintain our beautiful new wood sanctuary floor we ask that people do the following before stepping onto the wood floor.

Every time you need to walk on the wood floor, wipe your feet on the carpet runners placed just prior to the wood floor to remove dirt, dust and moisture prior to stepping on the wood floor.

Thank you, your cooperation is greatly appreciated.

Our old dilapidated former credit union building has been demolished which has added greatly to the beautification of our wonderful parish. But in order to complete this project, we need your help to pay for this demolition. For those who can give a check of \$500 or \$1,000, your gift would help greatly. For the remainder of parishioners who cannot give this amount, a lesser amount will be appreciated. Please give generously as the Lord has given to you. Checks should be made payable to AOD-CSA with the word DEMO in the memo section of your check. Unless the word DEMO is indicated, your donation will go to our regular CSA collection. Just return your check in an envelope marked DEMO and put it in the offertory collection basket or mail it to our parish. There are envelopes for your convenience at the Church entrances.

Ordination 5-1-2006**

Congratulations on the 15th Anniversary of your Ordination to the Priesthood. Thank you for your dedication, support, and love of your life choice to shepherd the people of God.

May the Lord continue to bless and keep you in his loving arms as you continue your spiritual journey as our pastoral leader of St. Anne & St. Charles.

SAVE THE DATE!

St Charles will be having a clothing drive before and after all Masses on Sunday, May 16. This clothing collection will benefit Catholic Charities of Southeast Michigan. A trailer will be in the parking lot by the school.

Pope Francis has encouraged all Dioceses to focus on the Corporal Works of Mercy. We feed the hungry, give drink to the thirsty, clothe the naked, visit the imprisoned, help young mothers, provide medical and dental care for patients without access to insurance, and provide case management when needed. We are asking for new or gently used Spring/Summer clothing for men, women and children. Most needed items are underwear, socks, bras and white undershirts. Please no toys or appliances!

Thank you!

Please call Sue Miller 734-586-3960 with any questions.

St. Charles Academy

The third graders have been very busy this last marking period.

In religion, we are finishing *Saint Francis of Assisi; Gentle Revolutionary* and discussing his life and the miracles he performed. He is an inspiration in how to live according to the Gospels.

In English, we have been reviewing the parts of speech as well as writing five paragraph fictional narrative essays. The third graders are very creative! With all this practice, their penmanship has improved as well.

In Math, we just completed our study of fractions and decimals. Next, we will be working on enrichment activities in making change to the quarter dollar and elapsed time.

In Science, we are learning about the forms of energy and how energy travels. The students were excited to be a part of a closed circuit while holding light-up energy sticks.

In reading, we are learning about figurative language and we are also meeting our Accelerated Reader comprehension and points goals by reading each night.

In Social Studies, we are completing our capstone project- a public policy issue/opinion/ research paper. Students have researched the pros and cons of wind turbines, and have drafted an eight paragraph essay stating their opinion. They have started typing their reports, and we will soon be recording our commercials to state our opinions.

The students are doing an amazing job getting ready for fourth grade!

SAINTS' CORNER:**St. Rose Venerini
Feast Day: May 7**

Rose was born at Viterbo in Italy, the daughter of a doctor. Following the death of her fiancé she entered a convent, but soon returned home to care for her newly widowed mother. Meanwhile, Rose invited the women of the neighborhood to recite the rosary in her home, forming a sort of sodality with them.

As she looked to her future under the spiritual guidance of a Jesuit priest, Rose became convinced that she was called to become a teacher in the world rather than a contemplative nun in a convent. Clearly, she made the right choice: She was a born teacher, and the free school for girls she opened in 1685 was well received.

Soon the cardinal invited her to oversee the training of teachers and the administration of schools in his diocese of Montefiascone. As Rose's reputation grew, she was called upon to organize schools in many parts of Italy, including Rome. Her disposition was right for the task as well, for Rose often met considerable opposition but was never deterred.

She died in Rome in 1728, where several miracles were attributed to her. She was beatified in 1952 and canonized in 2006. The sodality, or group of women she had invited to prayer, was ultimately given the rank of a religious congregation. Today, the so-called Venerini Sisters can be found in the United States and elsewhere, working among Italian immigrants.

Whatever state of life God calls us to, we bring with us an assortment of experiences, interests, and gifts—however small they seem to us. Rose's life stands as a reminder that all we are is meant to be put to service wherever we find ourselves.
