The Mission Statement of St. Anne Parish

"We, the people of St. Anne, are a growing Catholic Community with various gifts and talents, and we are open to the Spirit among us. Rooting ourselves in The Word of God, we reach out to all in loving service, witnessing, and celebrating the life of Jesus Christ in our midst."

Fr. Craig's Contemplations

Dear Friends,

For this 33rd Week in Ordinary Time, our Lord Jesus draws from the book of the Prophet Daniel, describing the final tribulation. Yet even during the "final tribulation" we can "hold on" to the assurances of God's mercy. So, most importantly, we are called to **live in HOPE not fear**. Yes, during the times of the "final tribulation" there will be "false messianic claims." Jesus plainly states to His disciples from 2,000 years ago, and us today, to *not* believe such claims. Our faith teaches us, Jesus' true coming will be absolutely unmistakable. And, it is only from our faith, that we can have the grace to **be watchful**. Jesus has given us Sacred Scripture, the Sacraments, our Church, and our prayer(s) which is what we will need *most* to endure.

Some scholars believe that the "final tribulation" happened in 70 AD with the destruction of the great Jewish temple. However, St. Mark hints at other levels of meaning. Jesus' words were also fulfilled in part at His crucifixion when the sun was darkened in the middle of the day. Always remember, when reading St. Mark's Gospel, these different levels (of meaning) are closely related. That is why we must **live in HOPE not fear**, as our church has always taught, Jesus (*the Son of Man*) will come at the end of time, and evil will be defeated once and for all.

In the tenth chapter from the Letter to the Hebrews, we hear the conclusion of the central teaching in the letter to the Hebrews, which provides all of us the essential teachings on Jesus' priesthood and sacrifice. First and foremost, the writer of the letter stresses the differences between the *old covenant Priesthood* and Jesus as Priest. Remember, the *old covenant Priesthood*, would have been the repeated Levitical sacrifices; the Priesthood of our Lord Jesus is the **once-for-all-sacrifice of Christ**. Jesus in the sacrifice of bread and wine, **gives us** the memorial sacrifice which as the Most Holy Eucharist takes away sins. The ancient Levitical sacrifice (known as the *tamid*) which was offered twice daily, did *not* take away sins. Jesus to this VERY day transmits to many the grace and power of His victory: He "lives forever to make intercession" and so is able to "help those who are being tested" – again this should evoke our inner response **to live in HOPE not fear**.

As we prepare for the great Solemnity of Jesus Christ the King, let us live in **Hope!**

May God bless you!

Fr. Craig

Quilting & Craft Group

The Quilters and Craft Group meet twice a month to come and do quilting, crafting, knitting, crocheting, or even scrapbooking. They meet in Solanus Hall on Saturday mornings from 10:00 a.m. to 2:00 p.m. Their next meeting is scheduled for November 20th. Come join us and get your craft on!

Be Mindful of Common Email and Text Message Scams

As the holiday season approaches, we may see an increase in email and text message scams targeting parishes and parishioners. By far the most common scam targeting parishioners is an email or text message, pretending to be from the pastor, asking recipients to send gift cards that the pastor will make available to the less fortunate. Pastors will never solicit donations in the manner.

LITURGICAL LIFE

RESPONDING *to the Call*

EVERYDAY STEWARDSHIP

Recognize God In Your Ordinary Moments

Giving Until it Hurts

In the time of Christ, sacrifice was nothing new to the Jewish people. The Israelites were experts at sacrifice. So, after centuries of every kind of offering imaginable, what was so special about Christ's? What made it so different from the sacrifices offered by the Levitical priests for centuries before his death?

Well, to adequately answer that question would consume whole volumes. And, of course, the first and most important reason is that Christ was the son of God and the savior of the world, not a random (if "unblemished") lamb offering. It was only by the blood of Christ that we could be redeemed.

But another answer is this: Christ's sacrifice cost him. In fact, it cost him everything. The offerings made by the Israelites through their priests cost them too, of course. They gave of their flocks, of their household stores, of their wealth. But Christ gave differently. He gave of himself. He gave until it was all gone.

Such is the highest form of stewardship: the gift of self to the point of discomfort. It can take a multitude of forms and I am not saying we are all called to be nailed to the cross. In fact, for most of us, our gifts will not involve physical discomfort at all. But certainly, stewardship demands discomfort. It demands that we go against our human nature of putting ourselves first, of thinking primarily of our own needs and desires. And most of all, it demands love. For that, above all else, distinguished the gift Christ gave us.

— Tracy Earl Welliver, MTS

WHY DO WE DO THAT? Catholic Life Explained:

Question:

Why do some sacraments leave a character or mark on the soul? Don't all sacraments affect the soul?

Answer:

All sacraments mediate grace and connect us to Christ and to the Church. Some sustain us in our faith journey, while others help us heal from the effects of sin. Each one offers a share in God's life, giving us what we need to be faithful followers of Jesus. But some sacraments change us in ways that are irreversible. The three sacraments that leave a character are Baptism, Confirmation, and Holy Orders. We are literally different people because of the effect of the grace of those sacraments. We are changed at the core of our being in such a fundamental way that we can not go back to what we once were.

In Baptism, we are freed from original sin, initiated into the Body of Christ as adopted sons and daughters. In Confirmation, we are given the fullness of God's Spirit, sealed in his grace and gifted with what we need to live a Christian life. In Holy Orders, a priest is marked as an 'alter Christus,' another Christ, and is once and forever a priest who offers sacrifice, forgives sin, and acts in the person of Christ. In these three sacraments, we are conformed more closely to Christ, reflecting his love and truth.

Worship

All of us are journeying through time together, even though we may live in different parts of the world. Most people experience the change of seasons. We know that eventually winter will arrive, followed by a slow transformation into spring. In the same way, each of us knows that we eventually pass from this worldly life to the next and that the aging process has seasons to discover and endure. Our faith in the life, death, and Resurrection of Jesus can be hopeful because we have his Word and God's promise of new life.
