several concepts that are at the heart of a Catholic education - "Catholic Schools: Faith. Excellence. Service." Catholic schools have a specific purpose to form students to be good citizens of the world, love God and neighbor, and enrich society with the leaven of the Gospel and by example of faith.

As communities of faith, Catholic schools instill in students their destiny to become saints. Academic excellence is the hallmark of Catholic education intentionally directed to the growth of the whole person - mind, body and spirit. Finally, service is fundamental to Catholic education and the core of Catholic discipleship. Service is intended to help form people who are not only witnesses to Catholic social teaching, but also active participants through social learning.

The CSW logo emphasizes that the Catholic school, like the Catholic Church, is not a building or an institution, but it is the people. As the people of God, we work together to bring the Kingdom of God to earth and raise up the next generation to do the same. The image of teachers and students forming the foundation of the school shows that they are active people of faith who serve others and God.

May we all strive to live in active service of Jesus and His mission as we nationally join together during Catholic Schools Week and

always." (CSW)

You may also notice our own slogan or hear it being expressed from satisfied families: "St. Patrick School Is A School That You Can Believe In".

This annual occasion affords me the opportunity to publicly express a note of deep appreciation to all those dedicated people in our school who make it possible for parents to choose a full-time Catholic grade school education for their children. And so, I express a word of special gratitude to our principal, Mr. Jeremy Clark, the faculty, support staff, and the entire school family.

Please plan to be with us as we celebrate National Catholic Schools Week, for our "Open House". We are certainly blessed to have such a fine parish Catholic school... "One That You Can Truly Believe In and In Which You Can Take Pride"!

### Catholic Schools Week Daily Themes:

#### Sunday: Celebrating Your Parish

Catholic schools benefit all year long from the religious guidance, prayers and support parishes provide. Many parishes join in the National Catholic Schools Week celebration by devoting a Mass to Catholic education.

#### Monday: Celebrating Your Community

A central aspect of Catholic education is learning the importance of service to others. When students take part in service

### Pastoral Notes

Next Sunday, January 30th, our St. Patrick Grade School, principal, faculty and support staff, invite you to attend our Open House between 12:00 & 3:00pm.

As we celebrate this National Catholic Schools Week, January 30th - February 5th, the 2022 theme is well chosen: "Catholic Schools: Faith, Excellence, Service."

### Catholic Schools Week

"...This year's logo and theme, developed for NCSW, provides opportunities for Catholic schools to brand the week and ongoing marketing activities with repeated mentions and use of a consistent logo.

The theme this year encompasses

(Pastoral Notes cont'd)  
activities they demonstrate the values and faith gained through Catholic education.

### **Tuesday: Celebrating Your Students**

Schools celebrate students during National Catholic Schools Week by planning enjoyable and meaningful activities for them and recognizing their accomplishments.

### **Wednesday: Celebrating the Nation**

On National Appreciation Day for Catholic Schools, students, families, educators and other Catholic school supporters communicate the value of Catholic education to government leaders.

### **Thursday: Celebrating Vocations**

By focusing on faith, knowledge and service, Catholic schools prepare children to use their God-given talents to the fullest later in life.

### **Friday: Celebrating Faculty, Staff and Volunteers**

On this day, schools will honor teachers and principals as well as administrators and staff who support them in their work and thank those who provide volunteer service.

### **Saturday: Celebrating Families**

Parents, guardians, and other family members play a vital role in Catholic education. Not only do they volunteer at the school, they instill values and expectations for academic excellence in their children at home.

### **Winter Weather and Weekly Offertory Collection!**

If you have been following our weekly offertory collection as reported in our bulletin over the past few weeks, I'm sure that you are aware that we have not been maintaining the weekly level of financial support that we need. So, I am asking for your help!

Not many people would know that our combined utility bills for just the last month required a payment of \$9,617.72! Even with our new energy-saving plans in place, it does cost us. However, we do want to provide a comfortable inside temperature for our worship gathering as well as for our other parish facilities.

We have been careful in our spending, but no matter what we do in this

regard, our costs, particularly in our utilities, continue to increase.

Even if you could offer just a little more each week, or if more parishioners would join with us, that could make a significant difference, especially in the sub-zero time of winter, in helping us to keep our budget on target.

Our parish does depend on your regular and generous pattern of weekly, responsible financial stewardship. You can make a difference!

I especially want to express a word of gratitude to all of you who assist our parish financially through your gift with our "on-line giving" program.

We are doing what we can to control our costs. However, we do need the help of all of our parishioners! Would you please help us by closing outside doors after you have used them and turn out lights when they are not needed?

I want to thank you in advance for your assistance in my "double prong" requests. We do depend completely on your personal, generous, and regular pattern of weekly offertory support.

May the Lord richly bless you for your generous response so that we can all be beneficiaries and be able to provide for our budgeted parish needs throughout the year.

### **Scriptural Reflections!**

In my scriptural reading last week I found this reflection that I thought might be helpful to you this week. (Neh 8:2-4a, 5-6, 8-10; 1 Cor 12:12-30 or 12:12-14, 27; Lk 1:1-4; 4:14-21)

As people are made in the image and likeness of God, we have an innate dignity that derives not from what we do or from our outward appearance but from our relationship with God. Knowing this truth, it is no surprise that Paul chooses the image of the *body* to flesh out his theology of the baptized. For just as the body is made up of many parts, so, too, is the body of Christ, the Church.

We know that when the human body is working well, without aches and pains, we feel fine. But even the smallest ache or discomfort can undermine that feeling of well-being. So also, for the body of Christ, the seemingly smallest thing can cause much distress. In our reading from Corinthians, Paul reminds us: *If one part suffers, all the parts suffer with it; if one part is hon-*

*ored, all the parts share its joy.* In other words, the struggle of one is the struggle of all.

Therefore, as believers, we can never be unmoved by the struggle of another. At its very heart, the Gospel witnesses to God's deep and intimate identification with humanity through the mystery of the Incarnation. So, to be Christian is to be a witness to this intimacy. Just as Christ identifies with humanity in all its struggles, we are called to reach out to all in need just as we would rejoice and give thanks with all who are happy.

As Christians, we share in Christ's mystery so beautifully summarized for us in the words of Isaiah found in our Gospel today. Just as Jesus knew himself to be the one anointed by God to bring glad tidings to the poor and recovery of sight to the blind, proclaim liberty to captives, let the oppressed go free, and proclaim a year acceptable to the Lord, we are anointed to do the same.

Peace and Joy in the Lord Whom  
We Serve,

Fr. Tom

**EVERYDAY STEWARDSHIP -  
RECOGNIZE GOD IN YOUR  
ORDINARY MOMENTS**

**Plant Your Works in the Word**

One of the things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message. When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then.

But we often fail to act as the Israelites

in the Book of Nehemiah, standing before the Water Gate "listening attentively." Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be. Our ears accept the sounds of the words and our eyes glance over the shape of the letters.

But are we mindful — truly?

The best answer is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God. We lose ourselves in these things instead of in Scripture. We "clock in" with Bible reading instead of "diving in."

We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life.

**Conversion of  
St. Paul the Apostle**  
Feast Day: January 25

Saint Paul's conversion on the road to Damascus was to be the turning point in his spiritual life. There he met Jesus and nothing was the same after that. Thereafter, all his zeal and energy were focused on the spread of the gospel message. We know him from his wonderful letters to the early Christian communities.

**St. Angela Merici**  
Feast Day: January 27

St. Angela Merici was an Italian religious educator and founder of the Ursulines whose deep prayer life and relationship with the Lord bore the fruit of mystical encounters with God.

Saint Angela Merici was a courageous woman who saw a need and answered it even though society may not have been ready for her solution. Women teaching outside the convent, and what we call today a secular institute, were new forms of living and ministering which proved very beneficial to the Church.

Patron of the sick, disabled and physically challenged people and those grieving the loss of parents.

**GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE****January 23, 2022**  
**3<sup>rd</sup> Sunday in Ordinary Time**

Human history reveals many periods where people lost a sense of God's transcendence. It may even be argued that human beings have been wandering and lost more than they have been at home and focused. Human nature being what it is, we struggle with who God really is — the God of our salvation history or the "gods" of human constructs. Relying on our own designs and pursuits, we forget that we really are meant to listen to One upon whom the Spirit of the Lord rests, Jesus Christ, and not to ourselves. That same history that reveals our fickleness and infidelity also reveals God's constancy and faithfulness. God always finds us.

As people wander and fumble to find their way, God is there bringing them back to holiness and giving them the assurance of His presence. We have to allow God's Word, God's life, to touch us and change us. It can make us more flexible and attentive to the sacred in all facets of life so that every day is one that is holy. Every day is a time when fulfillment is possible for one's soul. Jesus stood before those gathered in the synagogue as the fulfillment of words of promise that were echoed long ago. God doesn't forget. He always comes for us.

Now it is time to remember to go to God. Sometimes our lives are so confused and tangled that it is difficult to see the Word and hand of God. But when we realize, deep within, the depth of friendship God offers to us it really has the power to turn sadness to joy. The promise is fulfilled. Going frequently to God's Word, allowing ourselves to be enriched and rejuvenated, and pondering the certainty of God's fidelity and promise permanently transforms us. We will be more aware of the sacred and the holy and less invested in things that pull us away.

# KNIGHTS OF COLUMBUS KNIGHT LINE

Dear Friends in Christ,

It's cold outside and it's time again for us to distribute Brian's Bags to the needy and to the homeless. We come together each year to help those less fortunate in our communities by providing them with what they really want in their time of need. We strive to improve the world for everyone and we want to make life easier for those who are homeless by helping provide them with much needed food and services.

We have been hard at work making **Brian Bags** for people in need. These bags contain a structured set of items, including first aid supplies, food, and other items to help with their well-being. This is where we need your help.

We come to you today, asking as brothers and sisters in the Lord, to please visit your local McDonald's and obtain \$5 gift cards; either purchased or donated by the restaurant. One gift card is great but two or more would be marvelous! Please place them in an envelope for the collection baskets during weekend Mass. Make sure to indicate "Brian's Bags" on the envelope. We thank you in advance for the charity that you show others. People like you truly make a difference in the world, and we're incredibly grateful!

May God bless you!

In 1990, **Souper Bowl of Caring** began with a simple prayer from a single youth group:

**“Lord, even as we enjoy the Super Bowl football game, help us be mindful of those without a bowl of soup to eat.”**

Since then, more than \$170 million has been generated for local charities across the country through **Souper Bowl of Caring**. It has become a powerful movement of God's Grace that transforms the time around the Big Game into the nation's largest celebration of giving and caring for those in need.

Through this mission, people learn they can make a positive difference in the world as they collect food, raise money, and serve at hunger-relief charities and show caring and compassion in local communities across the country.

Share in God's love for our neighbors in need and give generously on Souper Bowl Sunday. All of the donations collected will go directly to our Souper Bowl of Caring Charity of Choice:

## St. Thomas Aquinas January 28

One of the most famous members of the Dominican Order, St. Thomas Aquinas (1225 – 1274) is well-known by many for his theological work, *“The Summa Theologiae.”*

Born in Italy, his mother wanted him to become a Benedictine and had high hopes that he would eventually become abbot of Monte Cassino, where he spent much of his youth. To change his vocation, she had him kidnapped by his brothers on his way to Paris at the age of 19. He spent two years in their captivity. Despite this, nothing could shake him from his vocation to become a Dominican priest and he was eventually released. Once free, he went to Paris and then to Cologne, where he finished his studies with Albert the Great.

His greatest contribution to the Catholic Church is his writings. The unity, harmony, and continuity of faith and reason, of revealed and natural human knowledge, encompasses his writings. The *Summa Theologiae*, his last and, unfortunately, uncompleted work, deals with the whole of Catholic theology.

The patron saint of teachers, theologians and students, St. Thomas Aquinas died in 1274. His life and the impact he had on the whole Church, however, remains alive today.
