It's rare that I ever run into parents of young children who aren't proud of their kids and eager to sing their praises. I guess the same thing goes for a parish that has a lot to be proud of. So, let me tell you about our excellent school!

Even if you don't have kids yourself, as a member of the Parish you should be aware of this very important program of the Parish—and you just might be the one to suggest the school to other people who could benefit. The Archbishop, in his important pastoral letter, *Unleash the Gospel*, has said that Catholic Schools are “an apostolate that is the responsibility of all parishes and all Christ's faithful.” Our schools are an important tool of evangelization, and the bishop wants to see the day when any Catholic family that wants a Catholic School Education for their child will be able to afford it. At St. William, we have made strides toward giving this vision life. Our enrollment has significantly increased, and yet, with the help of the Archdiocese, we still continue to offer scholarship money to those families who need it.

I want all our parishioners to appreciate the gem of a school that we have. If you know of a family in our area with children, make it a special point to reach out to them and invite them to our Open Houses, which are on January 30 and March 5. Our doors are open to any family, Catholic or not, that wants their children to have a premier education in a Christian environment. If you are a

## The "One-Hour Challenge!"

To have a *happy, peaceful life*, it is important that we have our lives in order, with our grateful response to God for his gifts being our top priority. That is how a disciple responds in the areas of *prayer, family, finance, and service*.

If you need help to put balance in your life, take the "one-hour challenge": Each week, spend at least...

- One hour in prayer and worship.
- One hour, special, focused on your family or other important relationship.
- One hour's wage (if you have a job) for the Lord. No job? Then give what seems right for you.
- One hour in service. (Helping another, or working for some cause.)

It's important to be *specific* in what steps to take in order to ensure that each "hour" actually happens!

May God bless you!

(Continued from page 1)

parent of a younger child, I urge you, especially, to take this opportunity to check out our school, since it is about this time of the year when you might seriously consider this choice for your child's education. The "Junior Kindergarten" that we started seven years ago has been a great success: the kids are excited to come to school! They're learning, and the parents couldn't be happier. We also have a wonderful program for 3-year-old and 4-year-old children!

And yes, the classes are "in-person, face-to-face". There have been a few times when we had to resort to our virtual learning platform, but hopefully all those days will soon be behind us. If you are a new family, there is a \$100 per student registration fee discount if you sign up before February 4.

Let me give a word of encouragement to **grandparents**: some of the kids in our school are here, directly or indirectly, because of their grandparents—and they're loving it! Our school is a wonderful resource for families who are trying to instill in their children *and grandchildren* a deep-rooted sense of being Catholic.

A lot of people don't know what a good Catholic School is like, today. Catholic Schools have certainly come a long way from what they were in yesteryear. Catholic Schools today have the reputation of being an excellent option to public education. We've retained the best elements, eliminated weaknesses, and improved in ways that were only dreamed of in times past. For instance, unlike bygone eras, all teachers must hold State education certificates. At our school in particular, reading has always been a strong point, and of course we are up-to-date in math, science and technology. I'm proud to say that of all the schools in the Archdiocese, we are far and away the leader in providing support for special learners. Back in 1994 our school first earned the prestigious accreditation by the MNSAA (the Michigan Non-public School Accrediting Association), and we remain accredited.

A high-quality elementary education **combined** with a Catholic environment has an great value, particularly when given the difficulties of our contemporary society. Come to our Open House and talk to some of our current school families.

## Eucharistic Adoration

Saturday, February 19<sup>th</sup>  
1 to 4 PM

Please come and spend some time with Jesus during our Saturday Adoration on Feb. 19<sup>th</sup>, 2022. The church is open 1-4pm with Jesus present to listen to your prayers or concerns. If you can spare a few minutes even if it is 15 minutes he will not let you down.

They will be happy to share their good experiences with you!

In Jesus,  
Fr. Michael

P.S. If you believe in Catholic Education and would like to help our school with a monetary donation, you can click the "FaithDirect" box on our Parish homepage and make a one-time gift or even enroll in recurring giving.

## K of C Sunday Breakfast – February 6<sup>th</sup>

The Knights of Columbus appreciate everyone who has supported our Breakfasts since we brought them back in September. Your donations have really helped St. Vincent de Paul in their work. Last year we were able to donate **\$1,253.00** to them, money they will put to good use!

Our next breakfast will be on February 6<sup>th</sup>, once again after the 10:00 Mass. Our usual fare will be offered, hopefully with Nino's doughnuts this time! We're going to keep the 'Free Will' donation again for this Breakfast with net proceeds once again going to St. Vincent de Paul! We hope you'll join us!

## College Scholarship

The Knights of Columbus are pleased to announce the "The Knights of Columbus/Ushers Memorial Scholarship raffle tickets are on sale now. They can be purchased from any knight or usher. Tickets cost \$20. Drawings will be held once a month during the year. January—November the prizes will be \$100, \$75 and \$50. The grand price drawing will be held in December and the prizes will be \$1,000, \$500 and \$250. Tickets that are drawn are placed back in the bucket for next month's drawing so one ticket gives you a chance to win three times each month—that's 36 chances!!! Proceeds from the ticket sales will fund college scholarships for St. William high school seniors. Your past and future support of this program is truly appreciated. Thank you and God bless you.

## St. Vincent de Paul Society Third Sunday in Ordinary Time

In this Sunday's Gospel, Jesus reads the words of scripture: "The Spirit of the Lord is upon me, because he has anointed me to bring glad tidings to the poor."

Your gift to the Society of St. Vincent de Paul becomes a sign of God's love to those who are suffering, and you give them reason to believe and to trust.

## A Family Perspective

by Bud Ozar

### Third Sunday in Ordinary Time

In today's gospel Jesus was "praised by all" except at home in Nazareth where the "eyes of all were intently on him." Acceptance can be hard to find at home due to unreal EXPECTATIONS. Jesus challenges us to "proclaim liberty" to anyone "oppressed" or "captive" by our EXPECTATIONS.

*"Many people know someone personally who is suffering because of an abortion. If a friend confided in you tomorrow that she had an abortion, would you be able to respond in a way that brings her closer to healing? ... Even a woman who doesn't go to church or think of herself as religious can be afraid that God will never forgive her for having an abortion. She should know that God loves and forgives those who are sorrowful. He wants to comfort them and give them his peace.*

## Home Study Week for Religious Education

We are very fortunate to have a comprehensive and well-organized home study package that is part of our religious education program. Our parents send their children to in-person classes here on Sunday or Monday with friendly and dedicated catechists leading our classes. While the children are in class, parents are invited to attend a study for instruction on the Mass to strengthen their knowledge and live out their role as primary educators for their children.

Approximately every month we offer a home study package that includes scripture study, teaching directly from the Catechism of the Catholic Church and projects that are geared toward the age of the child. The entire family is invited to participate at home with these materials.

This month we have two weeks of home study (and not meeting in-person) These dates include:

January 23<sup>rd</sup> and 24<sup>th</sup>  
January 30<sup>th</sup> and 31<sup>st</sup>.

This time in home study will allow the entire family a chance to worship at Mass, enjoy some home activities and prepare to re-join us again for classes on February 6<sup>th</sup> or 7<sup>th</sup> as we begin our in-person classes again.

If you are new to the area and would like to tour the program, please call me directly at 248-956-8236.

### Are you someone, or do you know someone who . . .

- Has expressed an interest in becoming Catholic?
- Has a child over the age of seven who has not been baptized?
- Was baptized Catholic as a child, but has not celebrated the Sacraments of Confirmation and Eucharist?

We offer an opportunity to come together in a small group to learn more about our faith. Sessions focus on the teachings and experience of Church and prepare individuals to celebrate the Sacraments of Baptism, Confirmation, and Eucharist during the Easter season. There are separate sessions for children or youth. You are welcome to participate in the process with your questions, your insights and your faith story in a warm accepting setting. For information please contact Kim Kaye at 248-956-8236 or via email at [kkaye@stwilliam.com](mailto:kkaye@stwilliam.com).

## Right to Life — Lifespan Motor City Caravan

Once again, we mark the anniversary of the 1973 Roe v Wade decision that provides for abortion on demand in our country and in some states right up to the moment before birth. Yes, the moment before birth! It is our hope and prayer that the United States Supreme Court will see that this decision was wrongly rendered and offer protection and dignity to God's most beautiful gift.

### Plant Your Works in the Word

One of the things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message. When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then.

But we often fail to act as the Israelites in the Book of Nehemiah, standing before the Water Gate "listening attentively." Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be. Our ears accept the sounds of the words and our eyes glance over the shape of the letters.

But are we mindful — truly?

The best answer is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God. We lose ourselves in these things instead of in Scripture. We "clock in" with Bible reading instead of "diving in."

We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life.

— Tracy Earl Welliver, MTS, ©LPi

## Pray for the Sick of Our Parish

All-powerful and ever-lasting God, your Son accepted our sufferings to teach us the virtue of patience in human illness. Hear the prayers we offer for our sick brothers and sisters. May all who suffer pain, illness, or disease realize that they have been chosen to be saints and know that they are joined to Christ in his suffering for the salvation of the world. We ask this through Christ our Lord, Amen.

## Gospel Meditation

Human history reveals many periods where people lost a sense of God's transcendence. It may even be argued that human beings have been wandering and lost more than they have been at home and focused. Human nature being what it is, we struggle with who God really is — the God of our salvation history or the “gods” of human constructs. Relying on our own designs and pursuits, we forget that we really are meant to listen to One upon whom the Spirit of the Lord rests, Jesus Christ, and not to ourselves. That same history that reveals our fickleness and infidelity also reveals God's constancy and faithfulness. God always finds us.

As people wander and fumble to find their way, God is there bringing them back to holiness and giving them the assurance of His presence. We have to allow God's Word, God's life, to touch us and change us. It can make us more flexible and attentive to the sacred in all facets of life so that every day is one that is holy. Every day is a time when fulfillment is possible for one's soul. Jesus stood before those gathered in the synagogue as the fulfillment of words of promise that were

echoed long ago. God doesn't forget. He always comes for us.

Now it is time to remember to go to God. Sometimes our lives are so confused and tangled that it is difficult to see the Word and hand of God. But when we realize, deep within, the depth of friendship God offers to us it really has the power to turn sadness to joy. The promise is fulfilled. Going frequently to God's Word, allowing ourselves to be enriched and rejuvenated, and pondering the certainty of God's fidelity and promise permanently transforms us. We will be more aware of the sacred and the holy and less invested in things that pull us away.

©LPi

## Live the Liturgy

People can easily lose a sense of the sacred and transcendent. When we lose a sense of God's special presence, we need to be brought back. Ezra brought people back to the word of God and they realized what they were missing. Jesus proclaims God's word in the synagogue with true conviction and tells those gathered that he is the fulfillment of all that Isaiah taught. Even though people get lost, distracted, discouraged, and often journey down the wrong path, God's timeless law remains. When we allow ourselves to truly hear God's word and act on it, that living word slowly, over time, changes us. It has the power to soften and mold us, creating within us a joyful spirit. We realize the truth in what God speaks and become open to God's love. Gradually and gently God leads us back where we belong. We discover again the sacred character of life and the wonder of God's power. It is no wonder that Luke addresses his remarks to Theophilus. It is a name that means “beloved of God,” a name that can be used by anyone who desires friendship with God.

### Sharing the Gospel

The prophet Isaiah wrote about Jesus a long time before he was even born. When Jesus read Isaiah's words, they described Jesus perfectly. Jesus did come to free people from sin, to help those in pain, and even to help blind people see.

### Prayer

Dear God, thank you for sending Jesus to help us.

### Something to Draw

Draw a picture of Isaiah, the prophet, writing about Jesus.

### Mission for the Week

Look up Isaiah chapter 61 and read it with your family. Then read Luke 4:14-21. Jesus kept all of those promises!
