My Dear Parishioners:

I wanted to start my article with a giant thank you to one of our most faithful members of the parish staff who has sadly decided to move on. For a very long time, my friend Barb Gibbings has been providing Eucharist to our homebound. Barb has built a ministry with the love that only Christ Himself can bring and she has, through Christ and her own unique and seemingly endless capacity to care, brought happiness and comfort to many, many older and ill parishioners. Barb is moving from the area and I cannot adequately articulate just how much she will be missed. Barb is super girl embodied and it is hard to imagine the place without her smile and yes, the treats she would often bring into the office!

We are also saying a smaller and more localized good bye to Susan Smith who was serving as our bookkeeper. Susan has accepted my offer to run the Christian Service outreach job at our sister parish St. Louis. Sue will still be in the family but in a different capacity. Thanks Susan for what you did at St. Peter and for what I know you will accomplish at St. Louis. Finally, our long time front desk manager Lisa Spaller has been installed as Moira Shaum's new assistant to fill in for Susan upon her departure so we congratulate Lisa on this new posting and welcome Theresa Wienko to Lisa's old desk. The winds of change are blowing through St. Peter. That's life though isn't it? We are lucky to have so much talent and dedication.

Please check out our new CSA film on the St. Peter Facebook page. Yes, I am shameless, as Pluto Dog has agreed to participate in our most recent efforts. Please check out the film. It will make you smile but I also hope it will make you think about becoming part of the solution. We are 54% toward our goal but a long way off. Only 400 out of 4,000 families have contributed. On its face, that metric alone shows how we all need to start taking our turn in carrying the football. Please help. This is a bill that has to be paid. Our failure to make it last year assisted in us finishing the year in a deficit situation. No worries, we have a healthy savings but we should not have to use our savings to pay our bills.

In sharp contrast to the struggle to make our CSA goal, I want to thank each of you for taking care of your parish in our collection basket over this summer. Thanks for so many of you who have signed up for electronic deposit so you don't have to worry about your envelope when you are traveling on summer vacation. Please know how very much I appreciate your ongoing generosity to your parish.

Please join Charlie our seminarian for a presentation on the after life on July 20. This is the second episode in a three-part series. Nearly 100 parishioners showed up for Charlie's presentation on Purgatory. Please join us at 7:00 on 20 July for part two.

That's it for this week, see you at Mass.

Fr. John

Ignorance of Scripture Is Ignorance of Christ

As Father Dale likes to point out often and as our colors at Mass highlight, we are still in Ordinary time. Lent and Advent are times for extra prayer and new practices to renew us. Easter and Christmas are times to recognize what God has done with outward celebration. What is Ordinary time for then? At Mass, Father Dale reminds us it is the time to deepen our understanding of the Faith and the person in the middle of it: God. Right at the top of the list of easy ways to get to know God is reading Scripture. Many people have told me they don't read Scripture for a whole list of reasons, and some have a bit of validity, but nonetheless, the Church strongly encourages us to know the Word God. By that I mean both Jesus, Who is the Word, and Sacred Scripture. Saint Jerome says in his prologue to the book of Isaiah, "Ignorance of Scripture is Ignorance of Christ!" The Church highlights this by making the Scriptures a highlight point of the Mass, even if it is not THE highlight, which is the Eucharist. If Scripture is so important, each Catholic is faced with a question. Do I know the Word of God well enough?

One of the most credible complaints I have heard is that when people were in Catechism as kids they heard their teacher (who almost inevitably was a nun) command them not to read the Bible. The explanation the teacher would give was that for x or y reason, children (or sometimes lay people) would not understand the Bible. In our "information age" this can sound outdated or like an attempt to control people. I would agree that this was an attempt to "control" children by keeping them safe because the Bible is filled with graphic and confusing realities that are difficult to understand. It is a burden to know about the gruesome history of humanity, and the Bible hides nothing. So I would agree that kids should not just pick up any Bible and read, but they should have the truths of the Bible and stories given to them in an age appropriate manner. Knowledge is an incredible gift, but it is a burden that can weigh too heavily on someone who is not prepared for it and even cause psychological difficulties when it is excessive or traumatic.

That is not the case for mature adults. As members of the body of Christ, we should know everything we could possibly know about our God Who loves us and we should know His words. Sacred Scripture, in both the Old and New Testaments, is a direct connection between us and God. It is ultimately a love letter. If someone lost their parents, but had one last lovingly written letter to remember them by, we can be certain that after reading it countless times it would be ingrained in their minds and hearts. Of course, Jesus is still with us in the Sacraments and our hearts, we will see Him again, and the Bible is a bit larger than a love letter. Nevertheless, the Bible should be as precious to us as a love letter because God wrote it with so much care and concern for our sake. The whole thing is an intentional communication to His most precious children for whom He gave His Son. We are without excuse if we come to the final judgement and have to admit that we did not spend "enough" time trying to know the most important person in the universe.

What is enough time? Is going to Mass and hearing the Bible there enough or do we need to have it memorized? I do not know. I cannot, nor can anyone else, tell you exactly what is enough time reading the Bible for you because each person has their own responsibilities and needs. One question that may help is when we look at our priorities for "fitting things in" each day, where does spending time with Jesus fall? Is it near the top even though sometimes we can't make it work, or is it near the bottom and we just never find the time? If we are striving to be with Jesus in our state of life, those efforts will be rewarded a hundred fold and we can be confident He will give us whatever we need.

Your resident Seminarian,
Charlie Giroux

Stump the Seminarian

Our seminarian, Charlie is going to be presenting a summer series on the things that follow this life; purgatory, hell & heaven.

After each presentation he will face your questions in a classic stump the seminarian confrontation...remember you are not being cruel if you pepper him with questions, in fact, you owe it to him. All ages are welcome & light refreshments will be served.

Join us on Thursday, July 20 at 7:00 in the Fr. Welch Hall for the second of three talks: Hell.

St. Peter CSA Special Project
Invite - Inspire - Involve!

Many thanks to all of you who have already made your 2023 contribution!

This year our CSA goal is \$235,204. Meeting our goal is essential and this year we have added a Special Project component solely for the benefit of St. Peter Parish! Any amount that we receive over and above our goal will go directly to our parish with no Archdiocesan assessment (tax)! This is huge because this year as part of our objective to *“Go and Announce the Gospel of the Lord”*, we are committing to inviting our friends, family, neighbors, and community to check out our parish, inviting them to a welcoming worship experience, and inspiring them to get involved in our vibrant parish family.

If you are a registered, active parishioner, your pledge information has been mailed to your home from the Archdiocese of Detroit. If you are new to the parish, you can give to our campaign online (www.stpetermtclemens.com/csa or use the QR code below), use one of the pledge forms located at the Welcome Desk in the vestibule of the church, or in person at the Parish Office. Note: For in person gifts or by US Mail, **make checks payable to Archdiocese of Detroit – CSA**. If you need help, please contact the parish office at 586-468-4578. Thank you for your continued generosity!

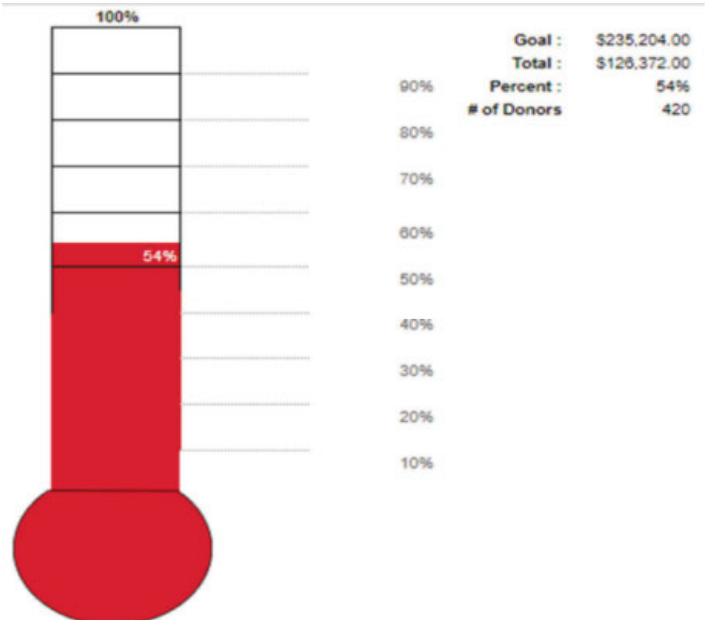

Altar Serving...Why?

- You get a front row seat to a miracle.
- You will assist the priest in leading others in their worship of God.
- You will make an important difference in your parish community.
 - You will learn a lot about the Mass and it's deeper meaning.
- It can lead you to a deeper relationship with God and your parish community.
 - You get to wear a cool outfit!

If you are an incoming 5th grader-12th grader and are interested in becoming an altar server, have your parents scan the QR code to find out more and sign you up! Training will be held this summer.

We are earmarking the funds that come in above and beyond our goal to update the video and sound system on our campus!

The 15th Sunday of Ordinary Time, July 16, 2023

I consider that the sufferings of this present time are as nothing compared with the glory to be revealed for us. For creation awaits with eager expectation the revelation of the children of God. (Rom 8:18-19)

What's New on New Street

We have a new home but the same address! Father John has given St. Vincent de Paul one-third of the administration building as our new conference headquarters as of July first. So, for the next few months, we will be bumping into each other as we develop new routines for running a food pantry from the building. But, we remain a drive-thru pantry, so the cars will still be coming down the alley.

We have earned the reputation as being a first-rate pantry per comments from our Macomb Food Program and Forgotten Harvest associates. In June, we assisted 521 families and incurred \$8,540 in expenses. Every month the number of families we assist grows. That is both a good and bad thing – good because we are able to help neighbors and bad because the number of neighbors needing help keeps going up. One thing doesn't change though, and that is the incredible support we receive from our parishioners, the families of St. Mary's school and the religious education program, and from the parish staffs. As always, thank you for helping us help others.

Now, some big news! We are hosting a clothing drive (now called clothing bundle) on the grounds of the church. The dates are Saturday, September 30th and Sunday, October 1st. We will be posting the details in a subsequent bulletin article, but if you have questions, please call us a 586 468-6522.

God bless you and keep you safe!
