PARISH MISSION STATEMENT: Nourished by the celebration of the Sacraments of the Catholic Church, in an effort to become a more evangelizing Parish, St. Edith Parish is called to build a welcoming community of faith and service, continuing the mission and ministry of Jesus Christ.

GOAL I: To progress as an evangelizing parish at St. Edith through faith-based programs to continue to reaffirm the faith life of active parishioners, renew the participation of inactive members, and help all new and current members of our Parish Family enter into relationships with others and to find their place at the table.

OBJECTIVE I.1: POST SACRAMENTAL OUTREACH
Efforts will be made to reach out to people during their preparation before and after they have received sacraments. In connection with Weddings, assign mentor couples to the engaged couples and find ways to help establish relationships among newly married couples. In connection with Baptisms, assign mentor families to help establish relationships with other young families. In connection with Confirmation, assign “Parish sponsors” to walk the journey with those preparing for Confirmation. In connection with First Communion, find methods to facilitate relationships between young families. A special effort will be made with the individuals who have gone through the R.C.I.A. to get them connected with the overall life of the Parish. This will be referred to individuals involved in sacramental preparation, the Education, Worship and Evangelization Commissions and the Parish Leadership Team.

OBJECTIVE I.2: ARCHDIOCESE OF DETROIT UNLEASH THE GOSPEL
We will actively participate in implementing the pastoral letter, Unleash the Gospel, regarding the New Evangelization led by the Archdiocese of Detroit. This will be referred to the Worship, Evangelization and Education Commissions and the Parish Leadership Team.

OBJECTIVE I.3: SMALL GROUPS AND SOCIAL EVENTS
Explore establishing small groups and social events to encourage members of our Parish Family, particularly new members to form deeper relationships with one another. This will be referred to all Commissions and the Parish Leadership Team.

OBJECTIVE I.4: OCTOBER MASS COUNTS
Using the October Mass Count, track the number of people attending Mass with the ultimate objective being increased Mass attendance.

OBJECTIVE I.5: PARISH SURVEY
Conduct a Parish survey to find out what members of our Parish Family would like us to offer at St. Edith and what would facilitate them in getting more involved in the life of the Parish. Interests will be tracked for different age groups. The survey will be taken during all Masses on one weekend. All Commissions, Councils and the Parish Leadership Team will have input into the survey. The Parish Leadership Team will have final approval of the content of the survey.

OBJECTIVE I.6: ACCESSIBILITY OF PARISH PASTORAL COUNCIL
Increase the visibility of the Parish Pastoral Council on the Parish website and at the weekend liturgies so they will be more accessible to the Parish family to discuss needs and suggestions. This will be referred to the Parish Pastoral Council.

OBJECTIVE I.7: CHRISTIAN SERVICE OPPORTUNITIES
Establish Christian service opportunities for groups of people of all ages from St. Edith that involve participation beyond donating money or goods. This can involve partnering with established charities in the community. We will attempt to evangelize in the community not by proselytizing but by having a positive presence. This will be referred to the Christian Service Commission.

GOAL II: Increase our efforts to promote our St. Edith Parish and School as a unified whole.

OBJECTIVE II.1: PARISH MARKETING COMMITTEE
Continue the St. Edith Parish Marketing Committee, as a sub-Committee of the Parish Pastoral Council. Membership will include one staff person and at least one member of the Parish Pastoral Council. They will consider the use of the internet and social media.

OBJECTIVE II.2: SUPPORTING YOUNG PARENTS
Support all of our young parents by establishing programs to help them in parenting. This will be referred to the Education and Christian Service Commissions.

OBJECTIVE II.3: JOINING PARISH AND SCHOOL FAMILIES
Explore ways to encourage non-school members of our Parish Family to become more involved in volunteering for school events. Explore ways to encourage school families to become more involved in the life of the Parish. This will be referred to the Education Commission, SEPA and the School Committee.

Love and Peace,
Fr. Jim

**The Solemnity of the Most Holy Body and Blood of Christ**

Corpus Christi

The Feast of Corpus Christi is an occasion for Catholics to honor Christ in the Real Presence of the Eucharist. It originated in the 13th century with a vision received by a Belgian nun, St. Juliana of Liège. For families, it’s a time to reflect back on First Communions and talk about how Eucharist can help our lives.

**Take Time to Reflect**

"Many times we prepare our children for the "big" events in their lives forgetting how much of life takes place in the ordinary moments. For example, First Communion is often a big production either at the hands of the parish or how families choose to dress their children and celebrate after Mass. The really important message of this Gospel reading, however, is how joyful and thankful are we when we receive our one hundredth or one thousandth communion. Our goal might be to help our children continue to be thankful and joyful each time they receive communion. This can happen when they see how happy we are to receive communion ourselves."

**Bring the Gospel to the Family Table**

"After an evening meal this week, talk together about how your family was fed at the meal. Did you affirm one another? Did you listen to the stories told, the events of each person’s day? Think about how each person individually and together as a family you were nourished by the food and conversation. See if your family can come up with any similarities to the nourishment of your meal and the nourishment offered us at Mass and in community with others."

Almsgiving Report June 2019

We have been blessed to be able to distribute $6,398 to the people in our city, country and throughout the world because of the continued generosity of the St. Edith Community. We have been able to donate to organizations that are doing the Lord’s work with the poor and disadvantaged. We donated $914 to each of the following groups first quarter 2019.

SVSF (St. Vincent and Sara Fisher Center) - Provides educational programs, basic skill building and academic enhancement for at-risk children and adults, designed to build self-sufficiency for academic and employment success, personal achievement and dignity.

Save the Children Organization - Established in order to improve the lives of children through better education, health care, and economic opportunities, as well as providing emergency aid in natural disasters, war, and other conflicts.

Mercy Corps - A global non-governmental, humanitarian aid organization operating in transitional contexts that have undergone, or have been undergoing, various forms of economic, environmental, social and political instabilities.

Guadalupe Workers - A voluntary association of people who agree that the human person from conception carries a dignity. The workers offer personal assistance to mothers they encounter and converse with mothers going in for abortion appointments. They also offer free counseling to women in crisis pregnancies.

St. Dominic Outreach Center - Located at West Warren and Trumbull in Detroit serves all its neighbors, spiritually, liturgically and communally, but especially in meeting the daily needs of the unemployed, working poor and homeless.

Better WAY Detroit - Engages, pays, feeds, and counsels homeless persons, and connects them to services for housing, medical, and/or mental health.

Blessings in a Backpack - Mobilizes communities, individuals and resources to provide food on the weekends for elementary school children across America who might otherwise go hungry.

Many of these organizations graciously match the amount of our donation. Thank you again for your generosity. If you know of a deserving group, please let us know. You may drop off any written materials in the Parish Office - marked Almsgiving.

NEW WEBSITE

The Archdiocese of Detroit stands with the brave survivors who seek to bring the crime of child sexual abuse by clergy and other Church representatives into the light, where those who sinned are confronted and those who were harmed can find healing. To those harmed by the actions and inaction of Church leaders: It is inexcusable and we are sorry.

In an effort to consolidate our resources and respond to the faithful’s questions about clergy sexual abuse, the Archdiocese of Detroit has created a new “mini” website at protect.aod.org. This site highlights information about reporting abuse, victim assistance, investigations, training for clergy and lay employees and volunteers, and provides additional resources, including messages from Archbishop Vigneron. Our goal is to make this important information – already available on aod.org – more visible, transparent and clear.

ST. EDITH FAMILY PICNIC NOTES
SAVE THE DATE:
Sunday, August 18, 12:00 Noon – 5:00 PM

GAMES OF SKILL
Ray Bussitil is this year’s coordinator for the exciting new games of skill. He has negotiated with several rental companies to provide games of skill such as the always favorite rock climbing wall and trampoline jump, and some exciting new games including soccer darts, field goal challenges, giant plinko, archery hoverball, boom blaster, and shoot 4 basketball. He will be the on-site supervisor for the delivery, set up, maintenance and take down of the games. Plan to check out these new fun games.

BEER MANAGER
Bill Kushner is our beer manager for the picnic. He picks up the beer prior to the picnic and throughout the day handles distribution to the beer garden and the beer table in the hall. After the picnic, he collects the empty cans and returns them for refund.

MASSAGE CHAIR
Margaret Rudis is a physical therapist and will coordinate the chair massage this year. The chair massage is very popular, so be sure to check it out. We are looking for another massage therapist to work alternately with Margaret to keep the booth open all day. If you are interested and available to volunteer, please contact Mary Lou Burr at 248-245-5597 or Margaret Rudis at 734-272-5397.
