Merry Christmas!

AND THE WORD BECAME FLESH

JOHN 1:14

Christmas Message

Dear Parish members,

In the midst of all that we are going through, be it illnesses, personal or in our families, death of loved ones, and especially our current challenges and concerns that we all are facing with COVID-19 and the new Variants that keeps coming up, it is important to remember that there is still a reason for us to celebrate. The love of God the Father is made manifest to us in the wonderful gift of His Son, Jesus. With the angels in Bethlehem, our faith moves us to sing: *“Glory to God in the highest and peace to His people on earth!”* We recognize that true peace on earth flows from our recognition and praise of God in our lives.

We can and must still celebrate the enduring love of God for us: the God who has never left us despite our tragedies, the God who is continuously assuring us that he is an Emmanuel—the God who is always with us. This is the message we will hear at Christmas Masses. *“Do not be afraid; for behold, I proclaim to you good news of great joy that will be for all the people. For today in the City of David a Savior has been born for you who is Christ and Lord.”* (Lk2:10-11)

At this most wonderful and sacred time of the year, may you and your loved ones find joy and fulfillment just as Joseph and Mary did despite their challenges. May God bless you this Christmas, and may all darkness in your lives be removed by the light of Christ. No matter what we are going through the greeting does not change. Along with the Staff, I would like to wish you, and your loved ones a joyful and meaningful Christmas.

Merry Christmas and a Happy New Year!

Fr. Socorro

From The School

In a favorite Christmas song “O Holy Night” there is a line that states “the thrill of hope, the weary world rejoices”. We are indeed a weary world as we look around and see division among people, poverty, sickness, violence, and so much intolerance and hatred in our own country and around the world. It often seems that our world is again in darkness as it was at the time of Christ’s birth. St. Valentine Church and School communities shine forth as a beacon of Christ’s light for a “weary world”. I count myself very blessed to be a part of a community of faith that supports a Catholic School. Our children need faith and the values the Gospel teaches to be able to go out and continue to shine with Christ’s light. Thank you, St. Valentine Parish,

for your continuing support of our faith-based school. Thank you for your prayers, generosity, and for your donations. Thank you to the Men’s Club and our Parent Teacher Club which has continued to be a support to the school and parish throughout 2021. The St. Valentine community continues to lift each other up during these challenging times. Your prayers, support and generosity help us to carry out our mission of a school based on values that are rooted in Catholic teachings, academic excellence, love and respect for all, and allows us to provide a community of faith for our young learners making us a strong community in Christ. Thank you for being a part of our mission.

If you would like to know more about our school, please call the School Office at 313-533-7149 for more information.

Merry Christmas!

Intentions of the Holy Father for January 2022

For true human fraternity

We pray for all those suffering from religious discrimination and persecution; may their own rights and dignity be recognized, which originate from being brothers and sisters in the human family.

Please Note

Prayer List Announcement

From Faith Formation

All in the Family

At first glance, we can often find the image of the Blessed Mother, St. Joseph and the Christ Child intimidating — who are we to aspire to that level of discipleship? How could we ever hope to conform ourselves to that mold? Sometimes, it can even be painful — perhaps we hail from a broken family or struggle with a broken relationship within our family, or perhaps we long to be a mother or a father ourselves and that state in life has eluded us.

But the image of the Holy Family is, in reality, a beautiful invitation to us all, no matter our vocation or our state in life, and the example of Mary, Joseph and Jesus is rich with the symbolism of stewardship.

You need not be a biological mother who has carried a child in her womb to be a mother in spirit. Who in your world needs you to love them with the heart of a mother?

The same goes for fatherhood. The Church and the world are crying out for the courageous witness of Christian men like St. Joseph. Who can you love with the steadfast, selfless protection of a father?

Who in your life needs you to love them with the faithful, unconditional love of a son? Who needs your gentle and constant love as a daughter?

We are the Body of Christ, friends. Those of us rejoicing in heaven, those of us suffering in purgatory, and those of us struggling here on earth. We are the great family. Let us love each other well.

A Christmas Gift To Your Parish

Every year I try to encourage you to make your donations towards CSA, but towards the end the total donations remains more or less the same. I think most of you prefer to make your big donations for the Church during Christmas time. If you are one of them then, this is the time. As we all know that the Archdiocese gives all parishes a special exemption from the 7% diocese assessment for the Christmas collection, so your Christmas contribution stays right here. Pray about it and see in what way you can make your parish financially stable. Know for sure that all the money that is donated towards the parish is well used. Thank you for your generosity throughout the year. God Bless you all.

Take Time to Chat

- Why do you think God first revealed the birth of Jesus to the shepherds?
- What is the good news that was announced to the shepherds that night?
- Why is the birth of Jesus so important to all people?
- In what way can you share the good news of Jesus to others this Christmas season?

Liturgy Link

During the Gloria at Mass, we echo the words of the angels in today's Gospel story: "Glory to God in the highest, and on earth peace to those on whom his favor rests." When you sing the Gloria today, imagine being one of the shepherds in the field to whom the angels appeared on the night of Jesus' birth.

Fun Facts!

The Christmas wreath is a symbol of eternal life. The circle represents the crown of thorns worn by Christ on the cross, the little red berries symbolize drops of blood, and the evergreen plants represent eternal life.

Meet our Extended Family

St. Anastasia—Feast Day

December 25

Second Century-Third Century

St. Anastasia, also known as Anastasia of Sirmium, is a Christian saint and martyr who suffered for Christ during the time of Diocletian's Christian persecutions. She is one of the seven women commemorated by name in the Canon of the Mass.

Legend holds that Anastasia's father was a noble pagan named Praetextatus and her mother was St. Fausta of Sirmium. Because her mother was a Christian, Anastasia was baptized as an infant and secretly raised with Christian values. Following the death of her mother, Anastasia's father gave her in marriage to the pagan Publius, but she preserved her virginity.

During the persecutions of Diocletian, Anastasia secretly visited the prisons and cared for the suffering captives. Anastasia's servant informed Publius, and he locked her up and beat her. Anastasia began secretly corresponding with her adviser, St. Chrysogonus, who had gone to Aquileia. He told her to be brave, be

patient and accept the Lord's will. After the death of her husband, Anastasia distributed her property to those less fortunate and suffering.

She then set off to follow Chrysogonus to Aquileia. Chrysogonus was personally interrogated by Diocletian but he never renounced his faith. Chrysogonus was ordered to be beheaded and thrown into the sea. Afterward, Anastasia returned to Sirmium and also gave her life for the faith.

Family Prayer

Search YouTube for a video of *The Human Carol* that includes the lyrics. As a family, watch the video and pay attention to the lyrics. This song was originally written by Jesuit missionary, Jean de Brebeuf for the Huron people in their native language. As you listen, reflect on what Jesus' birth means to you and your family.

**December 26, 2021
The Holy Family of Jesus,
Mary, and Joseph**

Families can be very difficult things to negotiate. This is true not only of our families

of origin, the current family of which we are a part, the family of our Church, our society, and our global family as well. Everything human can be found in family stories. Those stories speak of wonderful life-giving successes as well as painful spirit-robbing abuses. Our greatest joys and our greatest wounds are usually connected with the experience of family. Our needs, experiences, and unresolved baggage often color what we bring to our familiar relationships. They contribute to our level of defensiveness, how guarded and protected we become, and what prejudices we believe.

In order to break the cycle of dysfunction we have to remember that it is not only by human effort that we negotiate the difficult and challenging events of our lives. There is a Divine Effort at work as well. For sure, the human effort can create quite a mess and easily destroy lives. This is true of any family with which we are associated. Today's Feast of the Holy Family serves to help us understand that there is a Divine Story being told as well. It is a story of perseverance in the face of hardship, determination in the face of despair, healing when we see nothing but wounds, and light where there is darkness.

Do we believe that God is always working, guiding, restoring, and leading? Unless we do, we will never be free from the imperfections and wounds that bind us and never be able to understand what it really means to forgive. Pope Francis tells us that the "light which comes from the Holy Family encourages us to offer human warmth to other families." While this is most certainly true, we can only really begin to do this when we realize that we are still works in progress, not anchored to the wounds and sins of our past, and still a leading star in God's continually unfolding story of love. The Holy Family persevered and radiated warmth because they knew they were not alone. We can too.

10 Christmas Commandments

"The following item appeared in a church newsletter and contains some good advice that will help us keep selfishness in check this Christmas:

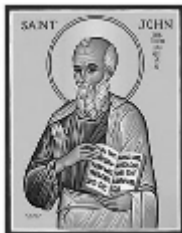

1. You shall not leave 'Christ' out of Christmas, making it 'Xmas.' To some, 'X' is unknown.
2. You shall prepare your soul for Christmas. Spend not so much on gifts that your soul is forgotten.
3. You shall not let Santa Claus replace Christ, thus robbing the day of its spiritual reality.
4. You shall not burden the shop girl, the mailman, and the merchant with complaints and demands.
5. You shall give yourself with your gift. This will increase its value a hundred fold, and the one who receives it shall treasure it forever.
6. You shall not value gifts received by their cost. Even the least expensive may signify love, and that is more priceless than silver and gold.
7. You shall not neglect those in need. Share your blessings with many who will go hungry and cold if you are generous.
8. You shall not neglect your church. Its services highlight the true meaning of the season.
9. You shall be as a little child. Not until you become in spirit as a little one are you ready to enter into the kingdom of Heaven.
10. You shall give your heart to Christ. Let Him be at the top of your Christmas list.

"Anyone keeping these commandments is sure to have a blessed Christmas."

Bottles and Cans Thank You

It is with a very sincere heart we thank the Turbiak's: Anjanette, Grace, John Paul and Noah for their continued commitment to taking back the bottles and cans every week for reimbursement. Your dedication is unbelievable as this is a very time consuming and "dirty job"!

For those of you who are unaware of our Bottle and Can Drive, we use the funds to help defray costs in the Faith Formation program.

Please feel free to donate your bottles and cans by dropping them off at the entrance door of the Rectory garage.

Wee Care Thank You

Dear Students,

What an awesome idea-Bibs, Booties & Baby Food collection! I can't thank you enough! (Thank you also for all of the extras—everything was perfect—including the \$10 that we used to purchase formula!)

Your gifts have already been given out to some moms who desperately needed help! Can you imagine, not having food, tiny bibs or warm socks for your little baby! That is what our moms go through every single day. To say they were so very, very thankful is such an understatement.

One of the things Jesus asked us to do was to clothe the naked and to feed the hungry. I am sure He is smiling down on all of the special students at St. Valentine's!

Your parents and teachers should be very proud of the caring students you are.

Hope you have a beautiful Christmas!

God bless you,

Karen Patrosso, Wee Care Director
