Parish Notes

Merry Christmas. Christmas having fallen on a Saturday, this wish comes to you in this bulletin which is Sunday December 26, the Feast of the Most Holy Family of Jesus, Mary and Joseph. It is also the memorial of St. Stephen, Deacon and first martyr of the Church. In the Incarnation, God taking on human flesh, the hope of salvation revealed to Abraham and Moses finds fulfillment. The Incarnation demonstrates for humanity that there exists an unconditional love that offers forgiveness, redemption and eternal salvation. This promise of love is often lost to the secular world that now exists, but for as people of faith, we must hold in our hearts this promise of eternal salvation.

Christmas stands as a beacon of light, revealed to humanity for all times, peoples and nations, a loving God who sent his son into this world for the specific purpose of salvation. The sacrificial offering of the birth, death and resurrection of Jesus Christ is our hope. It is a hope that offers the knowledge of eternal life, and it is a hope that can lead, guide and heal individuals and societies that struggle to find peace and love. The evidence of God’s love is Jesus Christ. Let us rejoice and celebrate with heartfelt joy the hope of salvation given to humanity on that first Christmas day.

As we continue our celebration of the birth of Jesus Christ, and today the Feast of the Holy Family, may our Lord Jesus bless all of our families as we celebrate these days of such great joy. Finally, on behalf of the entire staff of St. Michael Parish and School, I extend to you and your loved ones a prayerful wish for a blessed and joyous Christmas.

Msgr. Bill Tindall

The Giving Tree 2021 – Thanks!

We would like to thank everyone who participated in The Giving Tree this year. We were able to collect items for the following organizations: AAA Pregnancy Resource Center, Deo Gratias Ministries (Sr. Felicity's non-profit café), Pope Francis Center, St. Aloysius Neighborhood Services, St. Vincent de Paul Jail Ministry, as well as our own St. Michael families. Please know that your kindness is always appreciated and that your generous nature is one of St. Michael's greatest blessings. We received so many wonderful items. Our bags runneth over! Literally! Our car was stuffed for every drop-off that we made. Donations were plentiful and much needed during this pandemic time. Every agency was thrilled to receive the items.

Additional thanks go out to those who volunteered to make the tags and put them on the trees. We had many helpers for sorting and bagging the gifts, and we did it in record time. It's true that many hands make for light work. We had a great team this year, many faithful who help year after year, and some new faces, too! Sincere thanks to each of you!

Christmas Blessings—Mary and Pat Bonk

I want to wish everyone a Merry Christmas! The 7th & 8th graders are enjoying a well-deserved break! In the beginning of the month, the 8th graders took the High School Placement Test and sent out their high school applications. In addition to their school work, the junior high students enjoyed a Secret Santa gift exchange with their classmates (although I am not sure how secret it was by the time they exchanged gifts!)

In the morning, the eighth graders meet in Room 220 for science class. Eighth grade science explores various topics in chemistry and physics. Currently, we are discussing the parts of the atom and exploring the periodic table. In one of the first lessons, students are given a short article about an item. The students used the article and research to make a poster describing the elements contained in the item.

As we continue to study the periodic table, the students grow to understand the detailed information contained in it. We like to have fun with some hands-on activities; after getting into the details of the periodic table, the students made 3D atoms of the first 18 elements using various items. It is great to see their creativity!

I hope everyone has a Happy New Year!

Retired persons 55 years of age or older, are invited to join the St. Michael Seniors group. We meet at noon on the 1st and 3rd Wednesday of the month in St. Michael's convent. We start with a prayer, eat lunch together, enjoy a dessert and the friendship of our members.

Our meetings may include a talk by a guest speaker, bingo or some other activity. We occasionally go out for lunch at local restaurants and we have taken trips to a variety of places including the Solanus Casey Center in Detroit, Cornwell's Dinner Theatre at Turkeyville, the Holland Tulip Festival, and Firekeepers Casino.
