THE EPIPHANY OF THE LORD

They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh. - Mt 2:10-11

Parish Notes

Happy New Year. Another year has come and gone and now we welcome in 2022. The arrival of 2022 brings to conclusion another year of living with the COVID pandemic and now new strains of the virus. It has made a terrible impact on our lives and families. There is a continuing impact on the economy and it appears that the stress of this situation has hurt the “cherub like demeanor” of many people. (The quotation is from the late comedian John Pinette). It is a stressful time. From the perspective of the Old Testament, and not to sound simplistic, when God is ignored there comes a breakdown in family and social structures. If ever there was a need for God in our lives it is now.

Msgr. William Tindall

Statistics reveal that for many religion is not relevant. Many have decided to create God in their own image, in other words, they do and think what they want forming their own morality and spiritual reality. The result reveals people seeking something that grounds them in the course of life. Others look to new forms of religious expression that fits their desires. Still others, just go with the flow. This is not so for people of faith. For us, there is but one anchor in this world and it the Lord our God. In His love for humanity, celebrated in the Incarnation and expressed in the birth of Jesus, we have a faith in Jesus as the fulfillment of God’s promise of salvation.

There are many issues and trials that face our nation and world, but it is important that we hold Christ close to our hearts. The fear generated by the events of our time will never cause doubt or despair if we remain steadfast in our faith in Jesus Christ. In the resolutions made for a new year, may the most important commitment made be that of renewing our life in Christ, experienced most concretely when we accept Him within ourselves in the reception of Christ in the Eucharist.

The Christmas Season. While we are still in the midst of the holiday season, I want to take this opportunity to thank all who assisted in the preparation for and celebration of the Holy season of Christmas. I am grateful to the Art and Environment Committee and all the volunteers who worked to create a new Christmas décor for the renovated church. The display of the past could not work with the loss of the side altars, which was due to compliance with ADA requirements. I also thank the Ushers, Lectors, Extraordinary Ministers of Holy Communion, Altar Servers, and those who assisted with security. In a special way, on behalf of our parish community, I want to acknowledge the performance by the choir and musicians. The music at Midnight Mass was simply beautiful. How wonderful this special season can be with so many working together to make these events special. Thank you all for what you did to make Christmas so special.

Please prayerfully consider giving to Catholic Services Appeal

BLESSING OF YOUR HOME AT EPIPHANY

The Holy Family welcomed the Magi on Epiphany. A beautiful tradition that has been inspired by this event is the New Year's blessing of the home. On the **Feast of Epiphany**, January 1-2, 2022, Monsignor will bless chalk. This blessed chalk is in the vestibule. Use this chalk and the following prayers to bless your home:

All: Make the sign of the cross.

Head of Household: "Peace be to this house and to all who dwell here, in the name of the Lord."

All: Blessed be God forever.

Reader: In the beginning was the Word and the Word was with God, and the Word was God. He was in the beginning with God. All things come to be through him, and without him nothing came to be.... And the Word became flesh and dwelt among us, and we saw his glory, the glory as of the Father's only Son, full of grace and truth.

Use the blessed chalk to write above the entrance door(s) of your house: (each letter or number could be written by a different member of the household).

20+C+M+B+22

Meaning of the above: 20 and 22 represent the year. C, M, B can represent the three magi Casper, Melchior, and Balthasar or *Christus Mansionem Benedicat* (Latin for "May Christ Bless this House.")

All: Lord God of heaven and earth, you revealed your only-begotten Son to every nation by the guidance of a star. Bless this house and all who inhabit it. Fill us with the light of Christ that our concern for others may reflect your love. We ask this through Christ our Lord. Amen

Prayer For Blessing Of Homes With The Blessing Of The Three Kings

Visit our home, O Lord.
 Chase far away any evil or enemy.
 Send your messengers to be with us
 And keep us in your peace.
 May all who come to our home be treated with respect and kindness,
 As were Casper, Melchior, and Baltasar
 When they came to visit Your Son, Jesus.
 May all our comings and goings be with Your loving care.
 Bless all the rooms of our home.
 May each of them be holy and filled with the spirit of happiness.
 May we truly live in our home as persons of peace,
 Being prayerful and playful with one another. Amen

What a month it has been for our kindergarten students! They have worked so incredibly hard and we could not be more proud of them. Over the past few weeks they have learned how to blend sounds and spell words on their own. Their ability to sound out words and make sense of what words are now that they understand each letter makes it's own sound and serves a purpose in forming a word, amazes me! We are going to have some emergent readers before we know it! This January we will be adding in more work with

sight words. In addition to phonics basics and word formation, we have been working hard on our counting and building a foundation for addition. When ordering numbers, we have learned that we do not always needs to start at "1". No matter where we begin, we can count on and by counting on, we are really "adding" one more.

Not only have we been hard at work academically, but there was a lot of effort into putting on a wonderful Christmas play. The innocence of children to tell the story of the birth of Christ, is truly so touching and beautiful. They did an absolutely fabulous job! Santa was even able to make a Zoom call with all of our students! We were so lucky he took time out of his busiest time of the year to speak with each child individually and be sure he got their lists just right! The next day, our 8th grade friends even found some letters Santa dropped off for all of our kindergartners and they were kind enough to read and share them with us. What a special time it has been down in kindergarten and we cannot wait to see what they have in store for us into the New Year. Their growth has been remarkable so far, and we know they will continue to impress us.

Mrs. Shelby Mies

UNLEASH THE GOSPEL ST. MICHAEL THE ARCHANGEL

Glory be to God in the Highest! Blessed be the Holy Family, and blessed be yours. In this year of the family we have many new family activities planned. We'll start off the year with ***Dinner and a Movie***. Bring the kids to the cafeteria for dinner, decorate their car (cardboard box) and watch CARS.

Then, I want you to get ready. This spring we'll have SMA HAS TALENT. Any and All are asked to entertain the rest of the parish family with your talent. Show off! Let us all know the talent that's been hiding here. There will be plenty of prizes so practice and watch for the sign up.

Of course there will be the First Sunday Donuts and the Family Pancake Breakfasts hosted by our Ushers where we can meet up and talk to each other. There is a Family Brunch planned for May, and even a family night for VBS this year. Don't forget that the family can come to the Car Show this summer to look at and admire all of the classics.

Family. It's a beautiful thing, even though it's a lot of work sometimes to get everyone ready and on the same page. Honor it and love it, especially when they are little—and don't blink!

We'll also be unleashing the Gospel for adults, whether dating, married, or just friends. We have a couple more date nights set up, as well as something new that we are working on and I'm excited about it. So, this 2022 is going to be a great year, because we will make it that way. We are going to let people "know we are Christians by our Love" (dating myself here), and Unleash that Gospel! When you're praying, don't forget to say "Here I am Lord, is it I Lord? I have heard you calling in the night. I will go Lord, if you lead me" so he can lead us all into a happy, healthy and wonderful new year.

Merry Christmas and Happy New Year!

Kate Barczuk
