## Catholic Church & School • Livonia, Michigan

January 9, 2022

**Parish Mission Statement:** *St. Michael the Archangel Parish is a traditional, welcoming Roman Catholic community that seeks to live the Gospel message of our Lord Jesus Christ. Entrusting ourselves to the Power of the Holy Spirit, we embrace our faith through prayer, worship, evangelization, loving service and fellowship, life-long education and responsible stewardship.*

## The Baptism OF THE LORD

“I am baptizing you with water, but one mightier than I is coming. I am not worthy to loosen the thongs of his sandals. He will baptize you with the Holy Spirit and fire.” - Lk 3:16bc

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

**New Year, New You!**

**Resolution Ideas:**

- 1. COME HOME TO CHURCH  
 GOING TO MASS EVERY WEEK IS A GREAT WAY TO BUILD YOUR FAITH FOUNDATION. DEDICATING AN HOUR EACH WEEK TO LISTEN AND CONNECT TO GOD'S WORD IS A WAY TO FEEL THE LORD'S PRESENCE.
- 2. READ THE BIBLE  
 THE WORD OF GOD IS FRUITFUL AND CAN GIVE THE ANSWERS YOU ARE LOOKING FOR. CHALLENGE YOURSELF TO READ THE BIBLE OR JOIN A BIBLE STUDY GROUP TO HELP GUIDE YOU.
- 3. GET INVOLVED  
 WE ALL HAVE BEEN GIVEN A GIFT, A CHARISM, FROM THE HOLY SPIRIT. FROM SERVICING DURING MASS TO VOLUNTEERING FOR COMMUNITY EVENTS, USE YOUR TALENTS TO HELP SERVE THE CHURCH.

When we think of New Year's resolutions, we tend to think of healthier lifestyles, learning something new, or gaining financial freedom. We set goals to better ourselves, but have you ever considered bettering ourselves through our soul?

Start this year off on a fresh start to grow closer to Jesus. Let St. Michael the Archangel help you support your spiritual journey.

RESOLUTIONS: READ A NEW BOOK EVERY MONTH, START A NEW HOBBY, EAT HEALTHIER, STRENGTHEN MY FAITH

Is your glass half full or half empty? Is it easy for it to be half full when everything is going your way, and half empty when things go wrong? Or maybe it's always one way or the other.

In 2022 let's try to always make it half full, always able to fill it a bit more as we recognize the many blessings that God bestows on us. Make it a New Year's Resolution; try to see the good in others and see the blessings and greatness of God. If we all try to be the best that we can be in any situation, can you imagine what kind of world we would be living in? If we all would try to *love one another*, as Christ asked us to do—wow. Poof. John Lennon's song pops into my mind, but can you imagine?

New Year's Resolutions are hard to maintain, but just try, no matter what your resolution is. If you didn't make one, than may I suggest that you try to be a little better every day in the way you react to a situation, in the way that you feel about another, in the way that you look at your life in general. Happiness is not given to us, it's a state of our mind, it's the way we perceive. Wake up in the morning, see the sunshine and thank God for it. Hear the birds chirp and thank God for them. Eat breakfast, lunch or dinner and thank God. Go to bed at night and thank God for your family, your house, your education and your job. You are surrounded with more blessings than you realize. God is and will be there for you in all of your adventures so pray to him, and thank him for the ability, the strength, and the love.

Happy New Year 2022! May God's blessings remain with you now and forever.

*"It is better to light one candle, than to curse the darkness"*

On the night of January 21st, light a candle to honor our pre-born brothers and sisters who have lost their lives through abortion due to the Roe v. Wade US Supreme Court Decision made back on January 22, 1973, legalizing abortion on demand.

Over 60,000,000 lives have been lost in the USA through abortion, because of that decision.

Happy New Year from 5th grade!

We hope everyone had a wonderful Christmas with their families, and we pray that the Christ child will bless our parish and its families throughout the new year.

Throughout advent the students kept a daily calendar of prayers and acts of kindness. Together we prayed for people of our parish, school and community and performed acts of kindness at school and in our homes. For our community service project we turned 78 recycled creamer bottles into snowmen and filled them with small toys, pencils, stickers, and candy. They were then delivered to St. Christine's Food Pantry for the children there to enjoy for Christmas. The students felt the joy of giving by doing for those less fortunate than themselves.

The students are excited for all the learning they will do in the new year. They are excited to learn about the exploration of the new world and colonization, folklore and poetry, fractions in math class, and the human body systems in science! There is never a dull moment in the 5th grade classrooms.

We wish everyone a very blessed and happy new year!

Mrs. Jewell
