Mission Statement of SS. Peter & Paul, St. Mary ' s Burnside, St. Patrick Chapel, Sacred Heart, Brown City

We, the Disciples of Christ, will faithfully radiate the love of Jesus that is in each of us and teach His "Good News" to all. We welcome everyone into His Home, the Roman Catholic Church, by living His gospel of love, hospitality, and service. With the guidance of the Holy Spirit, we will joyfully and wholeheartedly minister to all that we meet along the way, as we journey to the Kingdom of God. *Adopted 2009.*

15th Sunday in Ordinary Time *July 11, 2021*

15th Sunday in Ordinary Time

Maybe the work is best left to the professionals. That's how many people view the preaching of the Gospel. That's the stuff priests, religious, deacons, lay ministers, and other professional Church people do. It has little to do with me. Well, that's not really true. The fact of the matter is that preaching the Gospel has everything to do with you, with all of us who are baptized members of the Body of Christ. Nobody gets off the hook from that job. The question is, however, how do we do it? Well, there's a safe way, which many choose, to preach the Gospel — and the risky way. The safe way pretty much keeps the Gospel in church and around like-minded people. I say my prayers, go to Mass, contribute to the food pantry, tithe, and attend Bible Study. That pretty much covers the bases, right? Wrong.

The risky way is the more challenging way and for many, the "road less traveled." Imagine those first disciples going out and into people's homes. They must have had some amazing conversations with folks about God's kingdom, changing their hearts, forgiving sins, and looking at the world differently. They must have met people who were hurting, exiled from their communities, neglected, lost, or living self-insulated lives in a society that served the rich and neglected the poor. While there were many who welcomed what they had to say and the conversations they had, there were others who no doubt rejected them and literally tossed them out on their ears! The Gospel, while being a message of joy and hope, is not always received well by those who are very comfortable keeping things as they are.

The risky way involves example and conversation. We have to take the Gospel from church and carry it with us wherever we go. What kinds of conversations do we have with others? We interact with those closest to us, in our work, social circles, institutions, corporations, in politics, and beyond. Our conversations with others reveal a great deal about how we see things and what we consider important. If we are really interested in seeing God's vision for the world succeed, then we will talk about it. It will become a part of our everyday conversation and find its way into our interactions with others. How will we preserve the dignity of human life and encourage others to have a relationship with God? We must be the example, live value centered, virtuous lives, stand against injustice, combating racism, and learn ways to resolve conflicts without violence.

If we are going to succeed going forward, we have to find a way to bring our prayer centered lives into the marketplace. Our conversations have to change. Not everyone wants to hear what the Gospel has to say. That's a risk God asks us to take.

Just a reminder that the North Branch Knights of Columbus has a partnership with the NEW TO YOU CONSIGNMENT SHOP in Lapeer.

Need more room in your house? Do you have good clothing, shoes, jewelry, antiques and other valuable items that are taking up room and you are looking for a place to get rid of them? Solution: Donate the items to the NEW TO YOU CONSIGNMENT SHOP and indicate they are from the **North Branch K of C (consignment #2088)**, the following will happen. The Knights will receive 40% of the money they collect on clothing and accessories and 75% of the money they collect on antiques, vintage, collectables and items locally produced. This is a great fund raising activity for the Knights…it helps **two** groups, the **mentally challenged** and the **North Branch Knights**.
Family and Friends can also help by turning in items and indicate they are from the NB Knights of Columbus (consignment #2088).

Healthy Hints by Anita Harrand RN,FCN (retired)

"Praise the Lord, O my soul, and forget not all his benefits – who forgives all your sins and heals all your diseases." Psalm 102 (103):2-3

Warm Weather is Tick Season

Spring, summer and fall is the time ticks are most active. Ticks are part of the arachnid family (insects with eight legs). They share our environment , live on various animals and carry some serious diseases. You have a 0-50% chance of becoming infected with an infection carried by a tick if bitten. The young nymphs carry about 90% of the disease and only female ticks transmit the infections.

Ticks live in wooded areas, places with brush or tall grass but are being found on soccer fields, beaches, parks and even backyards. There are over 20 types of ticks in Michigan. Some that cause the most serious diseases for humans are the: Black legged tick (deer tick), American dog tick (wood tick), Lone Star tick, Woodchuck tick and the Brown dog tick. The diseases they can cause include: Lyme disease, Rocky Mountain spotted fever, Ehrlichiosis, Babesiosis, and Tularemia to name a few.

The most important things we can do to prevent exposure is:

1. Wear effective insect repellent on skin and clothing. (Go to Michigan.gov and search for tick information.)
2. Cover your skin when in high risk areas. Wear light colored clothing outside so ticks are easier to see.
3. Check your skin thoroughly after being outside. Bathe after being outdoors to wash off ticks and find them more easily.
4. Remove ticks from clothing before going in-doors. To kill ticks you may have missed, place clothing in a dryer on high heat for at least one hour.
5. Stay on well groomed trails and avoid contact with overgrown grass, brush, and fallen leaves. Ticks generally prefer shady, moist areas in woody or grassy locations.
6. Don't forget to protect your dogs. They can also get tick borne diseases. Check their skin after being outdoors and talk to your vet about preventive treatments.

If you are bitten by a tick it is important to remove it as soon as possible. To remove a tick grasp it with tweezers an close to the skin as possible and pull straight out, do not twist. Do not: cover in oil, suffocate with alcohol, burn with a match or assume soap and water has removed it. Injuring a tick may cause it to inject more bacteria or burrow deeper. If a tick has been attached more than 24 hours, contact your medical care provider. If you develop flu-like symptoms or a rash with 30 days of a tick bite contact your medical care provider.

Family of Parishes Safe Environment Policy

Over the next few weeks we will be featuring the **Safe Environment Policies of the Archdiocese of Detroit.** Please take time to read them and understand the importance of each document and why **we must make a commitment to a SAFE ENVIROMENT in our Family of Parishes.**

ALL VOLUNTEERS ARE REQUIRED to have a Background Check and attend a protecting God's Children Training. *Go to virtusonline.org* to sign up for a training and call the parish office for more information.

Purpose: As a church we value the safety of children in our care, our employees and volunteers and the people whom we serve. We want to take prudent measures to protect our human and material resources. Therefore, beginning on and after September 2, 2003, the Archbishop **mandates** that criminal history background checks be conducted for all Church personnel as well as volunteers working in any parish or diocesan institution who have unsupervised contact with a child, the elderly or persons with disabilities. Criminal history background checks are required in addition to proper screening, interviewing and reference checks conducted by all hiring agents.

Altar Server's for Christ

Praise God for all His Many blessings, and for restoring the fullness of the celebration of the Mass which includes the return of Altar Servers. Jesus has called you to serve at the foot of His altar. Some of you have received training and others need to learn for the first time. If you desire to experience a greater understanding of the sacrifice of the Mass and participate more fully consider being an Altar Server for Christ and His Church.

With the restoration of Altar Servers', it is important that we refresh our understanding of the role and duties of an Altar Serving and, for those that have never done it before, learn that vital role. As Catholics we believe that the Eucharist Celebration is the, "source and summit," of our faith. Jesus is inviting you to climb the mountain with Him.

To help you to explore Jesus' calling there will be a meeting next Sunday, July 11th after the 10:30 AM Mass at SS Peter and Paul Parish. Deacon Pete will explain the process and begin to assist you to draw closer to Christ through your service at Mass. This initial meeting will be for approximately one (1) hour.

Please prayerfully consider this invitation on behalf of Christ and His Church. Everyone is welcome to attend.

Your servant in Christ- Deacon Pete
