Mission Statement of SS. Peter & Paul, St. Mary ' s Burnside, St. Patrick Chapel, Sacred Heart, Brown City

We, the Disciples of Christ, will faithfully radiate the love of Jesus that is in each of us and teach His "Good News" to all. We welcome everyone into His Home, the Roman Catholic Church, by living His gospel of love, hospitality, and service. With the guidance of the Holy Spirit, we will joyfully and wholeheartedly minister to all that we meet along the way, as we journey to the Kingdom of God. *Adopted 2009.*

2nd Sunday of Advent

St. Ambrose shares some wisdom on our need to prepare the way and open the door for Christ. "You see that when the Word of God knocks hardest on your door, it is when his hair is wet with the dew of the night. In fact, he chooses to visit those who are in tribulation and trial, lest one of them be overwhelmed by distress. So, his head is covered with dew, with drops, when his body is laboring hard. It is important to keep watch so that when the Bridegroom comes, he is not shut out. If you are asleep and your heart is not keeping watch, he will go away without knocking; but if your heart is alert for his coming, he knocks and asks for the door to be opened to him." When life gets overwhelming and difficult and we find ourselves feeling a bit downhearted and miserable, these words can bring great comfort.

We sometimes choose to remain stuck in our uncomfortable darkness and being stuck becomes our norm. In this time of self-focus our hearts are closed to the graces and life God desires to give us. Wrapped in the robe of mourning and misery, we fail to see the mercy, justice, and love the Bridegroom wants to bring. If we take seriously the need to prepare the way for Christ and open our hearts in preparation for his visit, we can hear God's gentle voice calling us deep within. It beckons us to seek out its source and discover the inner calm and peace that can prevail over the darkness of despair. Sometimes our darkness is so dark that it may seem unsurmountable. Trusting in the spiritual friends who journey with us, and God's promise may bring a glimmer of light even when it is most difficult to keep our hearts' doors open. Sometimes, the only light in the darkness is found in trusting the faith of others both past and present.

We have to trust that God has already begun the accomplishment of good work in us and that humanity is on an incredible journey to something wonderful and awesome. God is not done. When we open the doors of our hearts, straighten the paths of our lives, and prepare the way, Jesus can come with God's simple gifts of peace, grace, and joy. Life throws a great deal at us. It is easy to get tired and confused. We have to train our hearts to keep watch, discern what is of value, and forge ahead. Not allowing ourselves to become so weighed down by things and brought out of focus is a tremendous goal to achieve this Advent season. God is knocking. Answer the door. You will see and understand life in ways you never thought possible before.

St. Nicholas | Feast Day December 6

St. Nicholas of Bari (March 15, 270 – December 6, 343), the bishop of Myra in the fourth century, is the saint that Santa Claus is modeled after. Known for his kindness and generosity to the poor, the story has it that St. Nicholas once tossed bags of gold through the open window of a poor man's house to help his daughters avoid a life of prostitution.

According to legend, the gold landed in stockings dangling on the corners of the beds, which is why many of us celebrate St. Nicholas Day by hanging stockings and filling them with candy, fruit, and small toys.

Not much else is known about this beloved saint, but regardless, his reputation as a generous man continues today.

Abortion takes the lives of over 600,000 babies per year in the United States. The upcoming Supreme Court case *Dobbs v. Jackson Women's Health Organization* on December 6 is our **greatest opportunity in a generation** to change that. This is the case that could overturn Roe v. Wade. Together, we will pray for a just outcome that protects millions of pre-born babies and their mothers.
