Mission Statement of SS. Peter & Paul, St. Mary 's Burnside, St. Patrick Chapel, Sacred Heart, Brown City

We, the Disciples of Christ, will faithfully radiate the love of Jesus that is in each of us and teach His "Good News" to all. We welcome everyone into His Home, the Roman Catholic Church, by living His gospel of love, hospitality, and service. With the guidance of the Holy Spirit, we will joyfully and wholeheartedly minister to all that we meet along the way, as we journey to the Kingdom of God. *Adopted 2009.*

Baptism of the Lord

January 09, 2022

The Baptism of the Lord

"We are called to live our baptism every day, as new creatures, clothed in Christ."

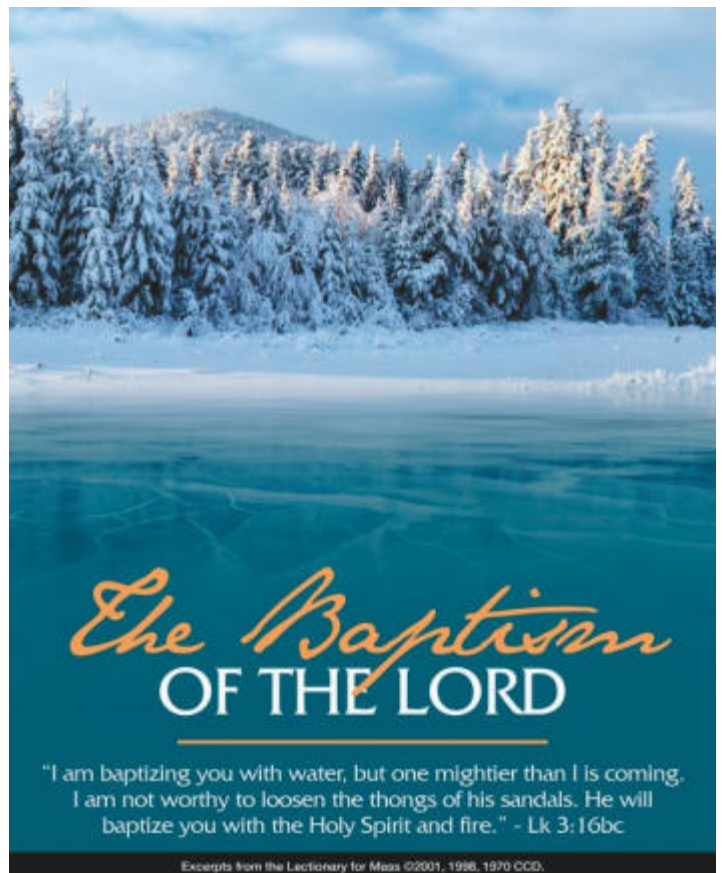

— *Pope Francis*

What reference point do you use when making decisions? Many times, impulse takes control and decisions are made based solely on emotion and desire. We all know that these types of decisions can often get us into trouble. When a person has a confident sense of who they are and a real understanding of what is important and of value, the likelihood of kneejerk impulsive choices diminishes. Baptism gives us what we need to make well informed and purposeful decisions. By this simple gesture, God claims us as His own and provides us with the identity and purpose we need to properly live life.

It is tremendously reassuring, when we truly embrace this revelation and realize that we no longer have to wonder about the purpose of our lives or struggle to find our way. The answer of who we are in God has been given to us. We no longer have to fumble around, trip over ourselves or walk aimlessly about. Issues surrounding the sacredness of life, the meaning of death, the protection of those most vulnerable, care for the weak and the poor, offering hospitality to those in search of a home, the purpose and proper place of work, how to create a just social order, caring for creation, and understanding our roles as heralds and stewards are just a few of the wonderful gifts baptism brings. When we make decisions based on things such as these core Gospel truths we really act as Christ himself, revealing to others the new creations that we are. This is how we live our baptism.

It is difficult to walk against the tide. Yet, that is precisely what baptism calls us to do. Although we are sinners, in need of mercy and far from perfection we are called to order our life and make decisions based upon the wisdom and guidance of Almighty God. He alone is the one who can claim us as His sons and daughters. Standing up for our principles will not make us popular. But who ever said Christianity is a popularity contest? Baptism calls us to stand up for that which goes against the grain of

secularism. Standing in line with other sinners, we have our anchor to steady us in the tempests of life and God is very pleased. Forge ahead. There is nothing to fear.

Let us keep Fr. Muma in our prayers throughout the month of January as he travels around Cameroon visiting family and friends.

Have You Lost A Loved One?

The Bereavement Ministry would like to help you at your time of loss. We often do not hear about a loss if your relative dies and they don't belong to our Family of Parishes. If you lose and immediate family member (spouse, child, parent, sibling) and could use our help, **please call the parish office at: 810-688-3797.**

We would like to reach out to you.

Sincerely,

The Bereavement Ministry

Dear Brethren from the Northern Lapeer County Family of Parishes

I cannot express in words my deep gratitude for the overwhelming support you granted to our refugees and Internally Displaced People of Cameroon due to the ongoing crisis. I was expecting just a handful of support from parishioners, but I was amazed at the amount of people that supported the initiative. As of Sunday, December 26th, I received a total of \$7,575.00 from parishioners and the Knights of Columbus. That will translate to 3,787 full meals for the Refugees and IDPs. One request please keep me in prayer as the security situation is still very tense. My Mass intentions in Cameroon will be offered for all the benefactors and well wishers.

Once more, THANK YOU very much for your support.

St. Hilary of Poitiers, Bishop and Doctor of the Church | January 13

Born a pagan, St. Hilary (c. 315 – c. 367) studied philosophy and the meaning of life, eventually making his way through the bible. He became a convert and was appointed bishop of Poitiers in 353. Sometimes referred to as the Hammer of the Arians, St. Hilary defended the Nicene Creed against a popular heresy, Arianism. He was exiled to Phrygia for opposing Roman emperor Constantius II, who preferred the heresy which denies Christ’s divinity. From Phrygia St. Hilary fought with his pen, zealously writing against the heresy.

Eventually he was allowed to return to Poitiers, but did so by a circuitous route, preaching against Arianism all the way. St. Hilary was likely the first writer of hymns in the West, his writings on the Trinity, Psalms and Gospel of Matthew survive today. St. Hilary was created Doctor of the Church, a title given to those who provided important contributions to theology and doctrine, in 1851 by Pope Pius IX.

Health Hints by Anita Harrand RN, FCN, (NP retired)

Start the New Year without Alcohol Dependence

“Do you not know that you are the temple of God and that the Spirit of God dwells in you?”
1 Corinthians 3:16

You may ask why we should consider abstaining or decreasing the amount of alcohol we consume. New research (published in Medscape in Focus) has indicated that during the pandemic there has been an increase in gastrointestinal and liver disease, hospitalizations for alcoholic hepatitis and more alcohol-related incidents of domestic violence. People stressed and isolated may be using alcohol as a coping mechanism. Unfortunately the popular literature has indicated that a light to moderate (1-2 drinks a day) intake of alcohol per day may be safe or even beneficial. The cardio-protective benefits of light to moderate drinking may be due to a statistical artifact – that is that heavy drinkers who stopped alcohol were included as zero drinkers, thus the damage that had previously occurred to their hearts was not seen as due to alcohol. Also starting up a slippery slope of increasing alcohol may result in some people abusing it. Research has clearly shown that alcohol even in moderation can result in episodes of Atrial Fibrillation and put people at greater risk for a stroke. It is also known that alcohol even in moderation possess and increase risk for some cancers: oral cavity, pharynx, larynx, colon, rectum, liver and breast. (Medscape Nursing, December 22, 2021) Thus the new message should be that daily drinking and bingeing (more than 5 drinks at a time) are unhealthy. Some may ask how much is a drink? The National Institute of Health defines one drink as: 12 fluid ounces of beer (approx. 5%), 8-9 fluid ounces of malt liquor (about seven percent alcohol), 5 fluid ounces of wine (approx.. 12% alcohol), or one and one half ounces of 80-proof distilled spirits (vodka, rum, gin, tequila, whisky, etc. – an

estimated 40% alcohol).

If you are bingeing, drinking moderately or heavily you run the risk of serious physical problems.

(alcoholrehabguide.org) **Brain:** Damage to different regions of the brain. **Heart:** weakening of heart muscles, increasing triglyceride levels, high blood pressure and atrial fibrillation to name a few. **Liver:** damage to the liver resulting in fatty liver which can lead to alcoholic hepatitis, fibrosis, cirrhosis, and even liver failure. **Pancreas:** Long term alcohol abuse can lead to pancreatitis resulting in abdominal pain, diarrhea, nausea, etc., permanent pancreas damage and diabetes.

Drinking during adolescence and young adult hood can pose serious problems (CDC). Youth who drank routinely are more likely to experience: School problems, social problems like fighting, drunk driving, unplanned pregnancies, disruption of normal growth and development, physical and sexual violence, increased risk of suicide, more unintentional injuries such as motor vehicle accidents, burns, falls or drowning, involvement in crime, misuse of other substances and even alcohol poisoning.

If an alcohol abuse problem is suspected you need help. Do you or a loved one drink when alone this may be a sign of deeper psychological or emotional issues. Do you binge drink? – drinking 5 or more alcoholic drinks on the same occasion on at least 1 day in the past 30 days.

Binge drinking can lead to addiction to alcohol. Do you drink to cope with stress? Many people drink in order to cope with stressful situations in their lives, and although you may feel better temporarily, it usually ends up exacerbating stress in the long run. Can you drink more and feel you have more tolerance? If you are drinking more to have the same effect this can be an indication you are becoming dependent or addicted. Do you drink without regard to the consequences? Do you do things like drinking and driving, heavy drinking on the weekends, drinking if you have physical or mental health problems? Is your drinking interfering with your work, relationships, hobbies or is it clashing with your values?

This past Advent and Christmas Season has been extremely overwhelming for Kathy and I and we would like to thank everyone in our Family of Parishes of Northern Lapeer County for their many acts of love and generosity.

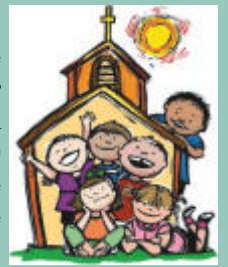

It might have been a card, a gift, a kind word, moments of love expressed, prayers for our journey, both spiritual and physical, your love and generosity overwhelm us. We cannot thank you enough for these expressions of your loving kindness. God bless you all and we look forward to serving with you in 2022.

With all our love, through Christ Jesus.

Deacon Pete and Kathy.
