

### Mission Statement of SS. Peter & Paul, St. Mary 's Burnside, St. Patrick Chapel, Sacred Heart, Brown City

We, the Disciples of Christ, will faithfully radiate the love of Jesus that is in each of us and teach His "Good News" to all. We welcome everyone into His Home, the Roman Catholic Church, by living His gospel of love, hospitality, and service. With the guidance of the Holy Spirit, we will joyfully and wholeheartedly minister to all that we meet along the way, as we journey to the Kingdom of God. *Adopted 2009.*

### **18th Sunday in Ordinary Time**

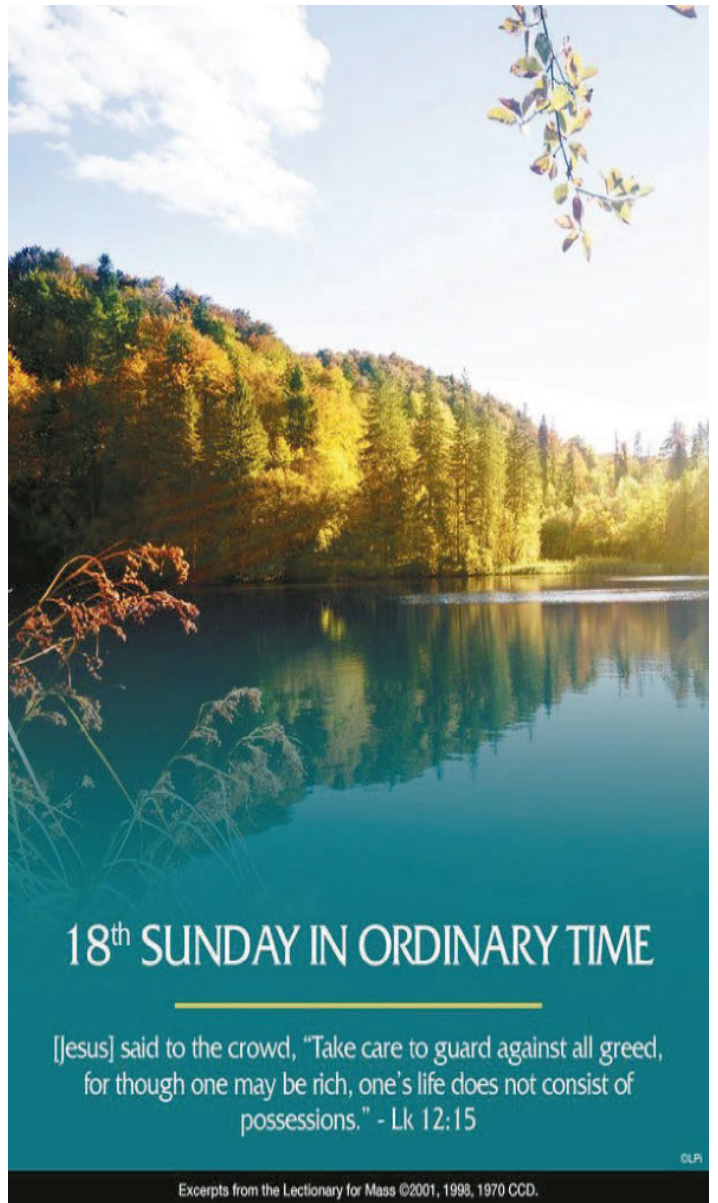

What makes us feel secure? Many people look to tangible forms of security that will safeguard their livelihood and prepare for their future.

We tend to associate security with things: the accumulation of goods and possessions, retirement funds, savings accounts, and substantial incomes. While acquiring these promises a life with less anxiety and worry, we actually find ourselves more preoccupied and consumed with their growth and preservation. We worry more! We can easily become quasi-hoarders, consumed with obtaining more tangible crutches. Our minds and hearts are always restless, and we never seem to be at peace.

Why do we so easily give our self-worth, value, and sense of security over to things? God certainly does not deny us the pursuit of a productive and enjoyable life but where do we draw the line? A sense of well-being and happiness can easily get deferred to sometime "in the future" while we continue to wrestle with the toils of today. There is no guarantee that there will be an earthly tomorrow and all of the frenzy we bring to securing our state in life will be for naught. When we are called from this world, will we even know where to begin to look for the tranquility and repose our souls so desperately need?

We cannot be hoarders, pursuers of vanity, or greedy. They just don't work as they are too dependent on things that can fall apart. Rather than always feeling the need for more, we need to learn how to be grateful for what we have. By learning to look inward we can learn how to live lives of faithful service to others. "Happiness can only be achieved by looking inward and learning to enjoy whatever life has, and this requires transforming greed into gratitude (St. John Chrysostom)." We all need to be good stewards of what has been entrusted to our care. Grateful hearts recognize the true source of what we have and realize that our true treasure lies not in what matters to us but to God.

## 18<sup>th</sup> SUNDAY IN ORDINARY TIME

[Jesus] said to the crowd, "Take care to guard against all greed, for though one may be rich, one's life does not consist of possessions." - Lk 12:15

**Prayer and Action Still Necessary in Post-Roe Michigan**

"In Michigan, the fate of the law that prohibits abortions being challenged in court. Not only that, but another lawsuit is asking our Michigan Supreme Court to recognize a state constitutional right to abortion. Pray for our Justices and our courts to provide an outcome that respects and protects all human lives. *It is also a time for every Catholic who professes to be pro-life to follow through on that conviction.*" MCC

**Vote for Life.** Know where candidates stand on abortion. DO NOT endorse those that promote aborting precious babies as the answer to problems.

**Sacred Heart Women's Auxiliary Annual Rummage/Bake Sale**

Sacred Heart Women's Auxiliary is planning on holding their annual rummage/bake sale this year. Our sale days are **Thursday, August 4 & Friday, August 5 from 9:00-4:30.** We are in need of workers, donations, and baked goods. Any help or donation is greatly appreciated. Please check out the sign up sheets in the gathering area of the church.

We are looking for clean and gently used treasures for our sale. On a side note, we are no longer accepting tubed tv's, adult clothing, or heavy exercise equipment.

**Donations can be dropped at the hall on Monday, August 1 from 6:00-7:30, Tuesday, August 2 from 2:00-4:00 or Wednesday August 3, from 6:00-7:30pm.** We really appreciate your donations and your time.

**Secular Franciscan Order**

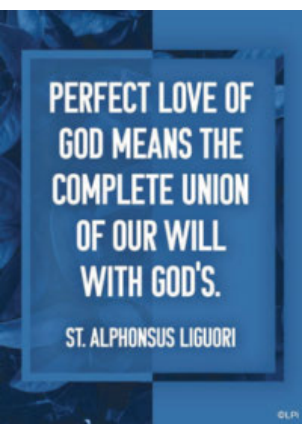

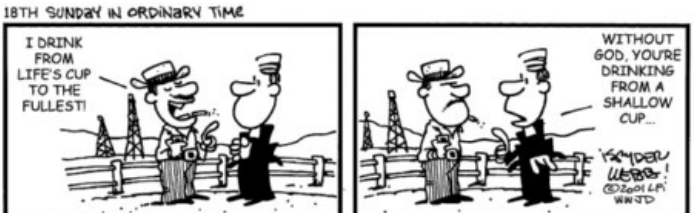

I am presently involved in the discernment for the Secular Franciscan Order, 3rd Order Franciscan. Secular Franciscans are Catholic lay men/women married or single called to embrace more deeply the grace received in baptism and confirmation.

The OFS is an order of the church, it's members do not leave their families or live in friaries or convents. We follow gospel teachings in our lives and live in simplicity and service as did St. Francis of Assisi.

If you have ever wondered if this is all there is to everyday life, then consider looking into the Secular Franciscan order.

Health Hints by Anita Harrand RN, FCN,  
(FNP-retired)

## August is National Breastfeeding Month

*Psalm 120:5 "The Lord is your guardian; the Lord is your shade; he is beside you at your right hand. "*

Breastfeeding is a personal decision and a decision on how to feed your infant should be made by the infant's mother and father and discussed with mom's health care provider. There is no right or wrong decision on how to feed an infant – breastfeeding vs bottle formula. New parents to be will have many questions about feeding a new infant. No one should pressure you about how to feed your infant. There should be no guilt if you don't breastfeed or are unable to do it. Try to start early in your pregnancy to ask questions about infant feeding options and talk to you Obstetrician about the pros and cons of infant feeding options. The intent of this article is to share information on breastfeeding.

### What are the benefits of breastfeeding an infant (nih.gov)?

1. Breastmilk is essential nutrition for an infant.
2. Breastmilk can provide protection for the infant against common childhood infections and give the infant a better survival in baby's first year.
3. Early skin-to-skin contact and suckling may have physical and emotional benefits for baby.
5. Breastmilk can reduce certain allergic diseases, asthma, obesity and type 2 diabetes in the baby.
6. Breastfeeding promotes a healthy weight for the baby.

Some studies show breastfeeding babies have better brain development.

### What are benefits of breastfeeding for a mother?

1. Help mom lose weight.
2. Breastfeeding helps the mother's uterus contract and reduces blood loss after delivery.
3. Breastfeeding mothers have lower risk for depression.
4. Breastfeeding mothers have lower risk for some diseases: breast & ovarian cancer, high blood pressure, arthritis, high blood fats, heart disease, and type 2 diabetes.

Please know that most health insurances should provide (at no cost) breastfeeding support, counseling and equipment (like a breast pump). Unfortunately there are some exceptions so talk to your medical insurance company.

So where do you get help and information about breastfeeding? Please talk to your Obstetrician/Midwife and Pediatrician about your questions and get a referral to a support group or a lactation specialist. The hospital you will deliver at should have a lactation specialist (breastfeeding specialist) on staff – ask for a referral.

The La Leche League (Illi.org) is a nongovernmental, nonprofit organization that advocates for breastfeeding, and provides education and training. In Michigan there are Facebook Support groups and breastfeeding leaders that are available. Try looking for them on Facebook, contact the [council@llusa.org](mailto:council@llusa.org) or email the Lake Orion leader at [Lakeorion@yahoo.com](mailto:Lakeorion@yahoo.com) (her meetings are the 1<sup>st</sup> and 3<sup>rd</sup> Monday at 10am on zoom). Remember every journey starts with the first step.
