

Mission Statement of SS. Peter & Paul, St. Mary 's Burnside, St. Patrick Chapel, Sacred Heart, Brown City

We, the Disciples of Christ, will faithfully radiate the love of Jesus that is in each of us and teach His "Good News" to all. We welcome everyone into His Home, the Roman Catholic Church, by living His gospel of love, hospitality, and service. With the guidance of the Holy Spirit, we will joyfully and wholeheartedly minister to all that we meet along the way, as we journey to the Kingdom of God. *Adopted 2009.*

20th Sunday in Ordinary Time

August 14, 2022

20th Sunday in Ordinary Time

An inward transformation occurs in a person who decides to follow Jesus Christ. Things change. They see the world differently, understand their journey more deeply and profoundly, have their sights fixed on eternity and union with God and hold themselves to higher standards and virtues. It requires a conscious

choice to be a Christian, and this choice must be renewed at least daily. While the basic premise of Jesus' message may appear heartwarming and straightforward: love of God, neighbor, and self, the implications of doing so are challenging. The true disciple is called to live radically, and often finds themselves at odds with the world or even with those in their own homes.

Holding ourselves to higher standards comes with a price. We have to leave other things behind. It is difficult to be people of faith, hope, and love in a world often fixated with its own fulfillment and self-absorption. Justice, temperance, prudence, and fortitude require sacrifice if they are to be lived with integrity. God's ways are not ours. This becomes crystal clear to those who have enough courage to stand against the tide. Putting love into action requires that we challenge accepted modes of doing business and fight complacency. This is what makes the saints stand out as witnesses. They are simply sinners, just like us, who persevere.

People do not want to be told that they're sailing their ships in the wrong direction. Clinging to their insistence and need to be correct, they can become defensive when challenged. This can happen even with those closest to us. As much as the Gospel calls us to unity, it also can easily create division. When we love seriously, we

encounter more than feelings of warmth and acceptance. "What does love look like? It has the hands to help others. It has the feet to hasten to the poor and needy. It has eyes to see misery and want. It has the ears to hear the sighs and sorrows of men. That is what love looks like (St. Augustine)." Love also has the courage and honesty to tell people what they may not want to hear but need to, and model, without wavering, a life of humble, loving, and faithful service. Don't lose heart! There are many examples of faith before us and around us. If Jesus endured the voices of opposition, so too can we. There is no need to apologize for speaking the truth.

**ATTENTION ALL PARISHIONERS:
 We need your help!**

You may have a friend or family member who has never been baptized, or baptized in another Christian faith and expressed an interest in becoming a Catholic. An Acquaintance or coworker may have asked you questions about the Catholic Church. Someone may have mentioned to you they are searching for a sense of community, or a desire to hear more of the Good News of Jesus—the Gospel.

They are all cordially invited to inquire about the Catholic Christian Faith by attending an informal meeting the first week of September. This is their opportunity to ask questions about “all things Catholic” such as what do Catholics believe and what do Catholics do? This is their opportunity to raise the issues that are on their minds or in their hearts. This is their chance to get information with no commitment!

Those who have never been baptized can investigate what it means to be Christian. Those baptized in another Christian tradition can explore the process to come into full communion with the Catholic Church. Those baptized Catholic as infants but not raised as Catholic can learn about being Confirmed and receiving the Eucharist.

These people might not be here today, but you are! Please reach out to them and have them contact the parish office at (810) 688-3797 for more information. Thank You.

Secular Franciscan Order
 I am presently involved in the discernment for the Secular Franciscan Order, 3rd Order Franciscan. Secular Franciscans are Catholic lay men/women married or single called to embrace more deeply the grace received in baptism and confirmation.

The OFS is an order of the church, it's members do not leave their families or live in friaries or convents. We follow gospel teachings in our lives and live in simplicity and service as did St. Francis of Assisi.

If you have ever wondered if this is all there is to everyday life, then consider looking into the Secular Franciscan order.

 New session starts in October at Capuchin Retreat House in Washington, MI (Township).

Where Spouses Discover God's Plan for Their Family

Together in Holiness is a marriage enrichment initiative that inspires couples to grow together in holiness and empowers and equips parents to form their children in the Catholic faith. It accomplishes this mission in two complementary ways:

- An annual, one-day Conference series for couples in dioceses
- A year-round Formation series for couples in parishes, schools, and small communities

Together in Holiness is unique in that it offers a place of encounter, where God's plan for marriage and family is proclaimed and a desire for holiness is enkindled in the hearts of married couples. This is complemented by ongoing formation for spouses within a natural community of friends who accompany each other on the path to holiness by providing formation that will help learning take root in daily living.

Did you know that the 2 main reasons cited for choosing abortion is a lack of financial stability and practical support. Here are some easy, old school ways, to step up and support women so they can choose-life.

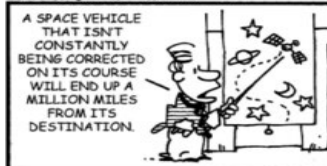

1. Financially support the PCOL and pro-life advocates monthly. Even \$10 a month makes a difference!
2. Vote for pro-life, pro-family candidates & pray for our leaders to protect all life.
3. Pray for women in unexpected pregnancies to have courage and find support.
4. Come along single moms in your church & neighborhood. Offer practical support. Ask: what do you really need help with? Don't assume you know.
5. Be careful how you talk about abortion and shortcomings of those in your congregation. Women who need help are listening and will not ask for fear of being judged
6. Start ministries within your church to provide services where local, federal & state organizations have gaps or are restricted by liability & lack of funding.
 - a. Serve as a doula or birth coach for a single mom
 - b. Offer free babysitting so moms can work
 - c. Offer meal trains to moms who have just delivered
 - d. Offer transportation to doctors, work & grocery store
 - e. Offer simple car repairs for free for low income moms
7. Get educated on pro-life and abortion facts so that you can compassionately and competently approach those on the other side without using politics or an activist mentality. Love & truth always work better than confrontation

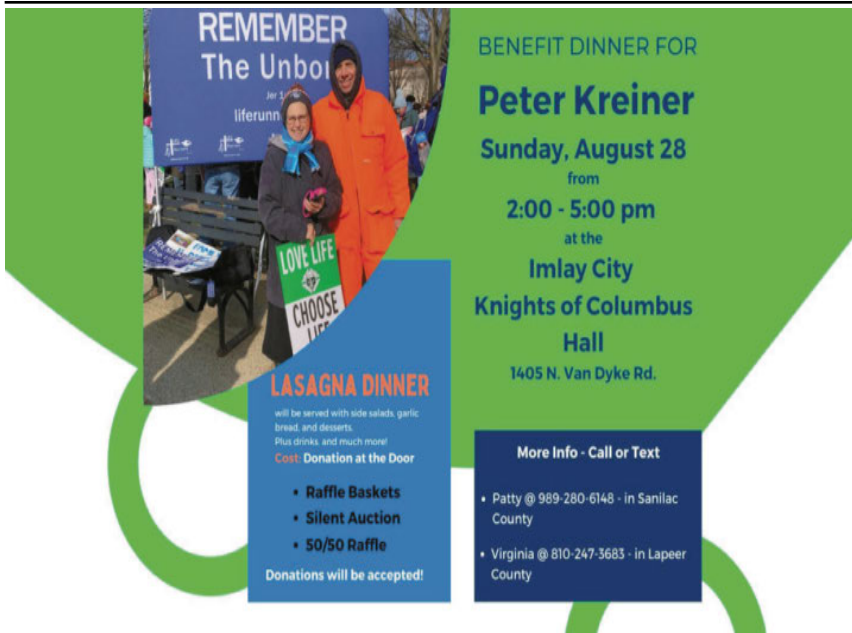

Blessing of the Pack Packs

will be held at each church on **August 21, 2022**. **PLEASE** bring your back packs to church with you and they will be blessed during the Mass.
