AMERICA NEEDS
FATIMA

Please join us
 Saturday, October
 12th at noon at the
 Fatima Shrine, to

pray the rosary with over 22,500 rosary
 gatherings across our country for divine
 intervention for our country and for our
 families.

FROM THE PASTOR

Dear Brothers and Sisters,

The month of October is dedicated to the Holy Rosary.

"In 1208 [St. Dominic] retreated into the silence of the Prouille forest near the town of Fanjeaux, France, to pray, begging Heaven to come to his aid and give him what he needed to overcome the Albigensians. After three days of intense prayer, fasting, and penitential acts, the Queen of Heaven came to his assistance. According to ancient accounts, on the third day, a ball of fire and three holy angels appeared in the sky, after which the Virgin Mary spoke to St. Dominic. She informed him that his efforts in preaching had been noble, but it was the Ave Maria that would give his preaching power. The Queen of Heaven informed him: 'Wonder not that until now you have obtained so little fruit by your labors; you have spent them on a barren soil not yet watered with the dew of divine grace. When God willed to renew the face of the earth, He began by sending down on it the fertilizing rain of the Angelic Salutation ["Hail, full of grace, the Lord is with you!"; see Luke 1:28]. Therefore preach my Psalter.'" (Note: The "Marian Psalter" was 150 Hail Mary's prayed which mirrored the praying of the 150 Psalms.)

"Love the Madonna and pray the Rosary, for her Rosary is the weapon against the evils of the world today. All graces given by God pass through the Blessed Mother" (St. Padre Pio).

The Rosary is Christocentric, setting forth the entire life of Jesus Christ, the passion, death, resurrection and glory. Of course, the Rosary honors and contemplates Mary too, and rightly so, for the same reason that the Liturgical Year does likewise: "Because of the mission she received from God, her life is most closely linked with the mysteries of Jesus Christ, and there is no one who has followed in the footsteps of the Incarnate Word more closely and with more merit than she"142 (Mediator Dei).

The Rosary, Pope Leo XIII declared, "is composed of two parts, distinct but inseparable — the meditation on the mysteries and the recitation of the prayers. It is thus a kind of prayer that requires not only some raising of the soul to God, but also a particular and explicit attention"

Pope Benedict XVI in an address at the Basilica of St. Mary Major where he prayed the rosary with the faithful said:

"Today, together we confirm that the Holy Rosary is not a pious practice banished to the past, like prayers of other times thought of with nostalgia. Instead, the Rosary is experiencing a new Springtime. Without a doubt, this is one of the most eloquent signs of love that the young generation nourish for Jesus and his Mother, Mary. In the current world, so dispersive, this prayer helps to put Christ at the center, as the Virgin did, who meditated within all that was said about her Son, and also what he did and said. When reciting the Rosary, the important and meaningful moments of salvation history are relived. The various steps of Christ's mission are traced. With Mary the heart is oriented toward the mystery of Jesus. Christ is put at the center of our life, of our time, of our city, through the contemplation and meditation of his holy mysteries of joy, light, sorrow and glory. May Mary help us to welcome within ourselves the grace emanating from these mysteries, so that through us we can "water" society, beginning with our daily relationships, and purifying them from so many negative forces, thus opening them to the newness of God. The Rosary, when it is prayed in an authentic way, not mechanical and superficial but profoundly, it brings, in fact, peace and reconciliation. It contains within itself the healing power of the Most Holy Name of Jesus, invoked with faith and love at the center of each "Hail Mary".

Let us renew our commitment to praying the Rosary daily.
God Bless!

HOLY TRINITY CATHOLIC SCHOOL

Forming Saints and Scholars

Dear Holy Trinity Parishioners,

Greetings from first grade! Since the beginning of our school year, we have been busy reviewing and fine-tuning our reading, writing and math skills. We are currently learning about nouns & pronouns.

Further, in accordance with our school accreditation goal, we are also working on our presentation skills. Each day a different student is chosen to be the "Student of the Day." This student presents, leads, and directs the calendar lesson. There are songs to lead and a question & answer segment too. They have tons of fun and do a GREAT job!

In religion, we are focused on learning how to know, love & serve God better each day. As inspiration, every day we watch a video of a different saint, and soon, they will choose which saint they want to represent for our All Saints' Day Mass. We're having fun becoming Saints & scholars!

Blessings,
Mrs. Dowling

The Knights of Columbus would like to thank all parishioners who attended our April Pancake Breakfast. Monies raised from that breakfast was used to pay for replacing the outfield fence with a new 4' chain link fence. Afterwards, the grounds, where the old fence was located, were covered with a new layer of topsoil and seeded by the Knights. A special THANK YOU to Mike Anderzack for his generosity and time in getting this project completed. We could not have done this project on our own. We are truly blessed with the support and generosity of this Community.

Thank You!
