FROM THE PASTOR

Friends, I am so blessed to be with you for my first days here at Holy Trinity Parish! I am really looking forward to getting to know you and your families in the weeks to come. I wanted to include in the first few bulletins just a little about myself so you can get to know me as well...

I grew up in Marblehead where my parents Ron and Deb Miller still live. I am really close to them as well as my four siblings. My sister Amanda lives in Holland, MI with her husband Matt and my nephews Teddy and Augie. My three brothers all live in Sandusky; Joe, who teaches and coaches at Port Clinton High School; Daniel, who is married to Kylie and who teaches and coaches at Sandusky St. Mary's High School; and David, who works for Cintas. I try to see my parents and siblings as much as I can!

I went to Immaculate Conception Elementary School in Port Clinton, Sandusky St. Mary's for Junior High & High School, and Xavier University in Cincinnati for college, where I studied philosophy. Tennis was always a huge part of my life, and I played college tennis at Xavier.

After a year of working and grad school, I entered the seminary for the Diocese of Toledo. I received my seminary formation at Mt. St. Mary's Seminary of the West in Cincinnati and earned a Master of Arts in Biblical Studies. I was ordained a priest on June 22, 2013, so I celebrated my 12th anniversary of priesthood just a few weeks ago.

After ordination, I was assigned to St. Peter's Catholic Church in Mansfield, OH. I spent four wonderful years there, ministering at the parish, school, and prisons. In 2017, I was assigned as the Parochial Vicar of Blessed Sacrament Parish and Corpus Christi University Parish in Toledo. For one year, I was serving at both parishes. In July of 2018, I was named the Pastor of Corpus Christi University Parish. I have been serving there as pastor for the last seven years. I loved my time there, ministering both to the college students and the non-student parishioners and being a part of the Toledo Rocket community!

In my free time, I enjoy sports (especially tennis, basketball, and golf), playing music on the guitar, reading, and boating.

While it has been very difficult to leave the parish that I've loved for the last eight years, I am really excited to be at Holy Trinity and can't wait to serve you in whatever way that I can.

In Christ,

Fr. Jeremy

HOLY TRINITY CATHOLIC SCHOOL

Forming Saints and Scholars

Dear Holy Trinity Parishioners,

My name is Kaitlyn Durham, and I'm blessed to be stepping into the role of School Administrative Assistant. Over the past year, I had the joy of serving as the Afternoon Extended Day Coordinator, which allowed me to build wonderful relationships with many of our students and families.

My husband, Sean, and I celebrated four years of marriage this past April. We're the proud parents of two sweet girls, Addison, who is five and getting ready for kindergarten, and Maddelynn, who is three and enjoying preschool.

I'm so grateful to be part of this warm and faith-filled Catholic community. I hope to be a welcoming presence and a helpful support to both families and staff in this new role. Please don't hesitate to say hello- I look forward to getting to know you!

Peace in Christ,
Kaitlyn Durham

Is God calling you to be an Altar Server? Anyone who has received their First Communion can be an Altar Server— Assisting at Mass as an Altar Server provides a special service to the community, and above all, to our Lord. When Jesus dined with His apostles at the Last Supper, there were certainly assistants who served at the table to ensure that the guests were attended to properly. The honorable task of being an Altar Server provides the same service in assuring a smooth flow to the Mass. Please consider becoming an Altar Server. Training dates are scheduled for Wednesday July 17th @ 10:00am, and if you can't make that date a second training is scheduled for Saturday July 19th @ 10am. If you miss or can't make the training, contact Deacon Denver (deacondjm@gmail.com) or Deacon James (dcnsavage@htassumption.org) and we will arrange a training time that will work with your schedule.
